U.S. PATENTS AND TRADEMARKS RELEASE OF SECURITY INTEREST

THIS U.S. PATENTS AND TRADEMARKS RELEASE OF SECURITY INTEREST dated as of December 16, 2010 among Presidio, Inc., a Georgia Corporation (the "Company"), the other Borrowers listed on Schedule I hereto (the "Subsidiary Grantors" and, collectively with the Company, the "Grantors") and PNC Bank, National Association, as administrative agent (in such capacity, the "Administrative Agent"). Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Existing Credit Agreement and the Security Agreement (each as defined below), as applicable, referred to below.

A. Reference is made to the Credit Agreement dated as of April 1, 2008 (as amended, supplemented or otherwise modified from time to time, the "Existing Credit Agreement"), among the Company, the Subsidiaries of the Company from time to time party thereto, the banks and financial institutions party thereto and PNC Bank, National Association, as administrative agent (in such capacity, the "Administrative Agent").

B. Reference is made to the Security Agreement dated as of April 1, 2008 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Company, Integrated Solutions, Inc., and its other subsidiaries from time to time party thereto and PNC Bank, National Association, as Administrative Agent, which was recorded with the United States Patent and Trademark Office on May 2, 2008, at Reel 3771, Frame 0079, pursuant to which certain Debtors granted a security interest in favor of the Administrative Agent, for the benefit of the Secured Parties, in, among other things, certain registered trademarks and trademark applications.

C. Pursuant to the Security Agreement, as security for the payment or performance, as the case may have been, in full of the Obligations, each Debtor granted to the Administrative Agent, its successors and assigns for the benefit of the Secured Parties, a security interest in, all right, title and interest in and to any and all of the following assets and properties then owned or at any time thereafter acquired by such Debtor or in which such Debtor then had, or at any time in the future may have acquired any right, title or interest (collectively, the "Trademark Collateral");

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and the goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, including without limitation, any thereof referred to in Schedule II hereto;

(b) all reissues, extensions or renewals thereof; and

(c) any general intangible asset of like nature involving an intellectual property right.

D. In connection with the payment of the amount necessary to pay off, satisfy and discharge in full all of the principal, accrued and unpaid interest, expenses and fees owing by the Borrowers and the other Loan Parties to the Administrative Agent, the Issuing Bank and the Bank under the Existing Credit Agreement and the other Loan Documents (the “Loan Payoff Amount”), the Company has informed the Administrative Agent of its desire to record the release of all right, title and interest of the Administrative Agent and the other Secured Parties in and to the Trademark Collateral.

E. Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, effective upon payment of the Loan Payoff Amount and termination of all Obligations and of all Commitments under the Existing Credit Agreement and the other Loan Documents, and in accordance with the terms and conditions set forth in the Existing Credit Agreement and the Security Agreement, the Administrative Agent hereby releases its security interests in and to the Trademark Collateral, including the trademarks set forth on Schedule II hereto.

F. In connection with the release contemplated herein, the Administrative Agent shall promptly execute and deliver to the Debtors, at the Company’s and the other Debtors’ expense, all documents that it shall reasonably request to evidence such release. Any execution and delivery of documents, including this U.S. Patents and Trademarks Release of Security Interest, shall be without recourse to or warranty by the Administrative Agent.

G. THIS RELEASE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND SHALL BE BINDING UPON THE COMPANY’S AND ADMINISTRATIVE AGENT’S REPRESENTATIVES, SUCCESSORS, ASSIGNS AND TRANSFEREES.
