Schedule		
1.	Patents	4
2.	Trade Marks	102

THIS AGREEMENT is dated 1 April 2008 and made between:

- (1) NATIONAL STARCH AND CHEMICAL INVESTMENT HOLDING CORPORATION, a corporation incorporated under the laws of Delaware, USA whose principal place of business is at 1000 Uniqema Blvd., New Castle, DE 19720, USA ("NSCIH");
- (2) INDOPCO, INC., a Delaware corporation, ("Indopco") (including Indopco, Inc. d/b/a National Starch and Chemical Company);
NSCIH and Indopco each being an "Assignor" and together the "Assignors"; and
- (3) HENKEL KGaA whose registered office is at Henkelstraße 67, 40589 Düsseldorf with number HRB 4724) (the "Assignee").

BACKGROUND:

In connection with a sale and purchase agreement dated 13 August 2007 between Akzo Nobel N.V. and the Assignee (the "Principal Agreement"), the Assignors have agreed to assign certain Patents and Trade Marks owned by them to the Assignee on the terms set out below.

IT IS AGREED that:

I. DEFINITIONS AND INTERPRETATION

1.1 Defined terms

In this Agreement:

"Patents" means those patents and patent applications specified in Schedule 1 (*Patents*) (and shall include (i) any patents issuing from such patent applications, and (ii) any patents or patent applications claiming priority to them, in each case throughout the world); and

"Trade Marks" means those trade marks and trade mark applications specified in Schedule 2 (*Trade Marks*) (and shall include registered trade marks issuing from such applications, throughout the world).

1.2 Meaning of references

In this Agreement, unless the context requires otherwise, any reference to:

- (a) this Agreement includes the Schedules, which form part of this Agreement for all purposes;
- (b) any English statutory provision or English legal term for any action, remedy, method of judicial proceeding, document, legal status, court, official or other legal concept or thing shall in respect of any jurisdiction other than England be deemed to include what most nearly approximates in that jurisdiction to the English statutory provision or English legal term;

- (c) £ or sterling is the lawful currency from time to time of the United Kingdom; and
- (d) \$ or dollars is the lawful currency from time to time of the United States of America.

1.3 Headings and table of contents

In this Agreement, the table of contents and headings are included for convenience only and shall not affect the interpretation or construction of this Agreement.

1.4 No restrictive interpretations

In this Agreement, general words shall not be given a restrictive interpretation by reason of their being preceded or followed by words indicating a particular class of acts, matters or things.

2. ASSIGNMENT

2.1 Assignment of Patents and Trade Marks

In consideration of the sum of [REDACTED] paid by the Assignee to NSCIH and the sum of [REDACTED] paid by the Assignee to Indopco, in each case paid in accordance with Clause 2.2 (*Payment details*), the receipt and adequacy of which the Assignors now acknowledge, each Assignor hereby assigns to the Assignee, effective as of 1 April 2008 New York time:

- (a) all its right, title and interest in and to the Patents listed against its name (in the case of NSCIH, its name being indicated by the code "NIHC" and in the case of Indopco, its name being indicated by the code "INNS"), in Schedule 1 (*Patents*); and
- (b) all its right, title and interest in and to the Trade Marks listed against its name (using the codes mentioned in sub-clause (a)), in Schedule 2 (*Trade Marks*) together with all goodwill inherent in such Trade Marks but no other or greater goodwill,

to hold unto the Assignee absolutely. The rights agreed to be so assigned include the right to sue for, and to recover any damages and other remedies in respect of, any past, present or future infringement of the Patents and/or of the Trade Marks and to fully stand in place of each Assignor in all matters relating to the Patents and Trade Marks. The Assignee grants to the Assignors an exclusive licence of the Patents and Trade Marks assigned to it, for itself and for Akzo Nobel N.V. and its other subsidiaries and subsidiary undertakings, to use the same for all purposes. This licence shall be irrevocable and shall remain in effect until Completion (as defined in Clause 2.3 (*Obligation to re-transfer*)) occurs, or until the re-assignment provided for in Clause 2.3 takes place, as the case may be.

2.2 Payment details

Payment of the consideration shall be made in accordance with the instructions already provided to the Assignee.

2.3 Obligation to re-transfer

If Completion (as defined in the Principal Agreement, but other than in relation to any business in respect of which the parties to the Principal Agreement agree that Completion is to be deferred) has not occurred on or before 16 April 2008, the Assignee shall promptly re-assign to each of the Assignors (or as they shall direct) the Patents and Trade Marks respectively assigned by each of them hereunder and the Assignors shall repay to the Assignee all consideration received by them under this Agreement. The Assignee therefore undertakes not to transfer any interest in or title to, or encumber, or grant any licence or right in respect of, any of the Patents and Trade Marks to any third party until Completion has occurred.

Promptly

ma.

3. FURTHER ASSURANCE

Sgt. dy

The Assignors will, at the Assignee's request and expense, promptly execute all documents and deeds which the Assignee considers are necessary or desirable for giving full effect to and the proper recordation of any assignment executed in accordance with Clause 2 (Assignment).

4. GOVERNING LAW AND JURISDICTION

4.1 Governing law

This Agreement shall be governed by and construed in accordance with English law.

4.2 Jurisdiction

Each party irrevocably submits to the exclusive jurisdiction of the English courts to settle any dispute which may arise under or in connection with this Agreement or the legal relationships established by this Agreement.

EXECUTION:

The parties have shown their acceptance of the terms of this Agreement by executing it after the Schedules.
