## RELEASE OF SECURITY INTEREST IN TRADEMARKS

**THIS RELEASE OF SECURITY INTEREST IN TRADEMARKS** (this "Release") is made as of May 26, 2011 and granted by Bank of America, N.A., in its capacity as administrative agent (in such capacity, the "Agent") pursuant to the Security Agreement dated as of July 1, 2010 among Infogroup Inc. (the "Borrower") and the grantors party thereto (each a "Pledgor" and together with the Borrower, the "Pledgors"), and the Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") and the Trademark Security Agreement dated as of July 1, 2010 among the Pledgors party thereto, and the Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement" and together with the Security Agreement, the "Security Agreements"), in favor of the Pledgors. Capitalized terms used but not otherwise defined herein have the meanings set forth in the Security Agreement.

WHEREAS, pursuant to the terms and conditions of the Security Agreements, the Pledgors granted to the Agent a security interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising:

- (i) each Trademark constituting Material Intellectual Property owned by the Grantor (including, without limitation, each Trademark registration and application therefor, with all renewals thereof, referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of or symbolized by, each Trademark); provided that no security interest shall be granted in the United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law;
- (ii) each Trademark license constituting Material Intellectual Property to which the Grantor is a party, including, without limitation, each Trademark license referred to in Schedule 2 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto;
- (iii) all rights in the foregoing provided by international treaties or conventions and all other rights corresponding thereto throughout the world; and
- (iv) any and all Proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and Supporting Obligations relating to, any and all of the foregoing, including, without limitation, all Proceeds of and revenues from any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, all proceeds and damages relating thereto;

**WHEREAS** the Trademark Security Agreement has been recorded with the Assignment Division of the U.S. Patent and Trademark Office on July 28, 2010 at Reel 4249 and Frame 514; and

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby terminates, cancels, re-pledges, reassigns and releases to the Pledgors any and all liens and security interests it has against the Trademark Collateral.

If and to the extent the Agent has acquired any right, title or interest to, or any goodwill connected with the use thereof and symbolized thereby, any of the Trademark Collateral, it hereby assigns and transfers such rights, title or interest to the respective Pledgors, including, but not limited to, any and all rights to sue for and collect damages for past infringements.

Agent and each Grantor authorize and requests that the Commissioner for Trademarks and any other applicable government officer record this Release. This Release may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. This Release shall be construed in accordance with and governed by the law of the State of New York.

(signature page follows)

IN WITNESS WHEREOF, the Agent has caused this Release to be executed and delivered by its duly authorized officer as of the date first set forth above.
