STATEMENT OF RELEASE OF SECURITY INTEREST IN TRADEMARKS

I, Michael Whyte, declare the following:

1. I am and have been since 1990 the Controller (1990 — 2000) or Chief Financial Officer (2000 — present) of Camber Corporation, a Delaware corporation (“Camber”).
2. Pursuant to the terms and conditions of that certain Loan and Security Agreement between Camber and LaSalle National Bank (“LaSalle”), dated as of December 17, 1998 (the “1998 Loan and Security Agreement”), Camber granted to LaSalle a security interest in all of Camber’s personal property assets.
3. Pursuant to the terms and conditions of that certain Collateral Assignment of Intellectual Property by and between Camber and LaSalle, dated December 17, 1998 (the “1998 IP Security Agreement”), Camber granted a first priority mortgage, lien, and security interest on and in all of Camber’s right, title and interest in and to all of its then owned or existing and thereafter acquired or arising (whether registered, filed, or recorded) intellectual property (collectively, the “1998 Intellectual Property”), including, without limitation, the United States trademark registrations set forth on Schedule A attached hereto (the “Trademarks”) to secure, among other things, the full, complete, and timely payment and satisfaction of all of Camber’s Liabilities (as defined in the Loan and Security Agreement) arising under the 1998 Loan and Security Agreement.
4. On or about March 10, 1999, the 1998 IP Security Agreement was recorded against the Trademarks in the United States Patent and Trademark Office at Reel/Frame 1876/0906.
5. Pursuant to the terms and conditions of that certain Loan and Security Agreement between Camber and LaSalle, dated as of June 27, 2002 (the “2002 Loan and Security Agreement”), and together with the 1998 Loan and Security Agreement, the “Loan and Security Agreements”), Camber granted to LaSalle a security interest in all of Camber’s personal property and assets.

6. Pursuant to the terms and conditions of that certain Collateral Assignment of Intellectual Property by and between Camber and LaSalle, dated June 27, 2002 (the "2002 IP Security Agreement"), and together with the 1998 IP Security Agreement, the "IP Security Agreements"), Camber granted a first priority mortgage, lien, and security interest on and in all of Camber's right, title and interest in and to all of its then owned or existing and thereafter acquired or arising (whether registered, filed, or recorded) intellectual property (collectively, the "2002 Intellectual Property"), and together with the 1998 Intellectual Property, the "Intellectual Property"), including, without limitation, the Trademarks, to secure, among other things, the full, complete, and timely payment and satisfaction of all of Camber's Liabilities (as defined in the 2002 Loan and Security Agreement) arising under the 2002 Loan and Security Agreement.

7. To the best of my knowledge and belief, and following investigation, Camber has paid all of its outstanding indebtedness to LaSalle, including without limitation, all of its outstanding indebtedness and related obligations under the Loan and Security Agreements.

8. In a letter dated, September 17, 2007, from LaSalle to Wachovia Bank National Association, a copy of which is attached hereto as Exhibit A (the "Pay-Off Letter"), LaSalle acknowledged that the credit facilities evidenced and secured by the 2002 Loan and Security Agreement and the other agreements, notes, instruments and certificates executed and delivered in connection therewith, have matured and have been paid in full. LaSalle further acknowledged in the Pay-Off Letter that on September 17, 2007, all security interests and liens granted to LaSalle in Camber's personal property collateral shall terminate, and expressly authorized Camber to file UCC-3 Termination Statements to terminate both the UCC-1 Financing Statement that recorded LaSalle's security interest created by the 2002 Loan and Security Agreement and the UCC-1

Financing Statement that recorded LaSalle's security interest created by the 1998 Loan and Security Agreement.

9. Camber filed, on behalf of LaSalle, the above-identified UCC-3 Termination Statements to terminate the UCC-1 Financing Statements pertaining to the collateral securing the Loan and Security Agreements. Copies of these UCC statements are attached hereto as Exhibit B.

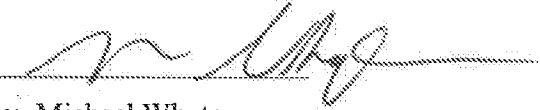

10. I believe in good faith, and after investigation, that Camber has no further obligations to LaSalle or any of its assignees pursuant to the Loan and Security Agreements, the IP Security Agreements or otherwise.

11. In October of 2007, LaSalle Bank was acquired by Bank of America NA (Bank of America completes LaSalle acquisition, COLUMBUS BUSINESS FIRST, October 1, 2007, *located at* <http://www.bizjournals.com/columbus/stories/2007/10/01/daily1.html>), and Camber no longer has an active relationship with anyone from whom it can procure a separate release of the IP Security Agreements.

12. I hereby respectfully request that the Commissioner of Trademarks record this Statement of Release of Security Interest in Trademarks as a release, discharge, relinquishment, termination and dissolution of LaSalle's first priority mortgage, lien, and security interest on and in all of Camber's right, title and interest in and to the Intellectual Property, including without limitation the Trademarks, and reassign and transfer any right, title and interest that LaSalle may have in the Intellectual Property, including without limitation the Trademarks, to Camber.

13. The facts set forth above are true and correct to the best of my knowledge, information and belief.
