AMENDED AND RESTATED GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

THIS AMENDED AND RESTATED GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Agreement"), dated as of July 15, 2011 is made by Redbox Automated Retail, LLC, a Delaware limited liability company (the "Obligor"), in favor of Bank of America, N.A., as Administrative Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Credit Agreement, dated as of November 20, 2007, as amended and/or restated, including as of April 29, 2009 and as of July 15, 2011 (as so amended and/or restated and as hereafter amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Coinstar, Inc., a Delaware corporation and the parent company of the Obligor (the "Borrower"), the Lenders, the Agent and certain additional Persons party thereto.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Borrower and certain of its subsidiaries have executed and delivered the Guarantee and Collateral Agreement, dated as of November 20, 2007, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Existing Guarantee and Collateral Agreement");

WHEREAS, the Obligor has executed and delivered the Assumption Agreement, dated as of March 9, 2009, in favor of the Agent, pursuant to which the Obligor has become a party to the Existing Guarantee and Collateral Agreement (the "Assumption Agreement"; the Existing Guarantee and Collateral Agreement, as supplemented by the Assumption Agreement, the "Guarantee and Collateral Agreement");

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Obligor pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing security interest in all Intellectual Property, including the Trademarks, pursuant to the Grant of Security Interest in Trademark Rights, dated as of March 9, 2009, recorded on March 16, 2009 under Reel 003952, Frame 0006 in the United States Patent and Trademark Office (the "Existing Trademark Security Agreement");

WHEREAS, the Obligor and the Agent have agreed to amend the Existing Trademark Security Agreement in certain respects and, in order to do so, have agreed to amend and restate the Existing Trademark Security Agreement in its entirety;

WHEREAS, the Obligor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Obligor and the Agent agree, for the benefit of the Agent and the Lenders, that the Existing Trademark Security Agreement is amended and restated to read in its entirety as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Obligor hereby pledges and grants a continuing security interest in, and a right of setoff against, and effective upon demand made upon the occurrence and during the continuance of an Event of Default assigns, transfers and conveys, the Trademarks (including, without limitation, those items listed on Schedule A hereto), to the Agent for the benefit of the Agent and the Lenders to secure payment, performance and observance of the Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Obligor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms. The security interest granted by the Existing Trademark Security Agreement shall remain in full force and effect, without discharge or interruption, and is hereby ratified and confirmed.

SECTION 4. Acknowledgment. The Obligor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
