TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (the "Agreement") is entered into as of October 1, 2009 by and between Aircraft Parts Corporation ("Assignor"), and Skurka Aerospace Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of the Trademark (defined in Section 1.a herein);

NOW THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby grants, transfers and assigns unto Assignee and its transferees, successors and assigns:

a. All of Assignor's right, title and interest in and to the Trademark, the same to be held and enjoyed by Assignee as fully and entirely as they would have been held by Assignor had the assignment not been made. "Trademark" shall mean the trademark registration set forth on Schedule I to this Agreement, in the United States, its territorial possessions and in all foreign countries, whether or not the same have been registered prior to, on or after the date of this Agreement, and any and all renewals and extensions thereof (or any legal equivalent thereof in a foreign country) for the full term or terms for which the same may be granted, together with the goodwill of the business carried on in connection with such trademark.

b. All claims, demands and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any infringement of the Trademark prior to, on or after the date of this Agreement, together with the right to prosecute such claims, demands and rights of action in Assignee's own name; and

c. Any income, fees, royalties, damages and payments now or hereafter due and/or payable under and with respect to the Trademark, including without limitation, the right to recover for past, present or future infringements of the Trademark or unauthorized use.

2. Assignor agrees that Assignor shall do, execute, acknowledge and deliver, at Assignee's expense, all acts, agreements, further assignments, instruments, notices and assurances as may be necessary or reasonably requested by Assignee to further effect and evidence the transactions contemplated hereby.

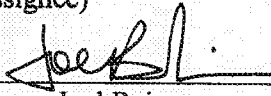

3. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective transferees, successors and assigns. This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same agreement.

IN WITNESS WHEREOF, each of Assignor and Assignee have caused this Agreement to be executed as of the date first written above.
