TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of August 3, 2010 (this "Agreement"), between KROLL INC., KROLL ASSOCIATES, INC., KROLL FACTUAL DATA, INC., KROLL ONTRACK INC., and TRIALGRAPHIX, INC. (each a "Grantor", collectively the "Grantors") and LEHMAN COMMERCIAL PAPER INC., as Collateral Agent (the "Collateral Agent") for the Secured Parties.

Reference is made to the Guarantee and Collateral Agreement, dated as of August 21, 2007 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among USIS Merger Corp., a Delaware corporation, to be merged with and into US Investigations Services Inc., a Delaware corporation, USIS Acquisition Corp., a Delaware corporation, the subsidiaries of the Borrower party thereto and the Collateral Agent. The Lenders have extended credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement, dated as of August 21, 2007 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"). Consistent with the requirements of the Credit Agreement and pursuant to and in accordance with Section 3.01(c) and Section 3.02(b) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor and wherever located or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, and all extensions or renewals thereof, including those listed on Schedule I (the "Trademarks");
- (b) all goodwill associated with or symbolized by the Trademarks;
- (c) all assets, rights and interests that uniquely reflect or embody the Trademarks;
- (d) the right to sue third parties for past, present and future infringements of any Trademark; and
- (e) all proceeds of and rights associated with the foregoing;

provided that no security interest was granted pursuant to the Security Agreement in applications filed in the United States Patent and Trademark Office to register trademarks or service marks on the basis of each Grantor's "intent to use" such trademarks or service marks unless and until the filing of a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted, whereupon such applications shall

be automatically subject to the Lien granted pursuant to the Security Agreement and deemed included in the Collateral.

SECTION 3. *Security Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Purpose.* This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Security Agreement.

SECTION 5. *Counterpart.* This Agreement may be executed in counterparts and delivered by facsimile or otherwise electronically, each of which will be deemed an original, but all of which together constitute one and the same original.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of
the day and year first above written.
