WHEREAS, pursuant to the terms of the A&R Loan Agreement, Pledgor is obligated to secure the prompt payment and performance of the Obligations; and

WHEREAS, pursuant to the terms of the A&R Loan Agreement, Pledgor has granted to the Lender a security interest in substantially all the assets of Pledgor, including all right, title and interest of Pledgor in, to and under all now owned and hereafter acquired Trademarks (as defined below), Trademark registrations, Trademark applications and Trademark Licenses (as defined below), together with the goodwill of the business symbolized by Pledgor's Trademarks, and all proceeds thereof, to secure, inter alia, the payment of the Obligations. The Trademarks, Trademark registrations, Trademark Licenses and Trademark applications are listed on Schedule 1 annexed hereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Pledgor does hereby grant to the Lender a continuing security interest in all of its respective right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral") whether presently existing or hereafter created or acquired:

(1) each Trademark, Trademark registration and Trademark application, together with any reissues, continuations or extensions thereof, including, without limitation, the Trademark, Trademark registrations and Trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application; provided, however, that the grant of security interest shall not include any

intent-to-use application for a trademark that may be deemed invalidated, cancelled or abandoned due to the grant and/or enforcement of such security interest unless and until such time that the grant and/or enforcement of such security interest will not affect the status or validity of such intent-to-use trademark application;

(2) each Trademark License and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark License; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Pledgor against third parties for past, present or future (a) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in Schedule 1 annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred in Schedule 1 and the Trademarks licensed under any Trademark License, or (b) injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark License.

This security interest is granted in conjunction with the security interests granted the Lender pursuant to the A&R Loan Agreement. Pledgor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the A&R Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

As used herein, the following terms have the following meanings:

A. "Trademark License" means any written agreement now or hereafter in existence granting to Pledgor any right to use any Trademark (excluding any such agreement if and to the extent that any attempt to grant a security interest hereunder in any such agreement without the consent of a third party would constitute a breach thereof and such consent has not been obtained by Pledgor).

B. "Trademarks" means collectively all of the following now owned or hereafter created or acquired by Pledgor: (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof (b) all reissues, extensions or renewals thereof (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing including damages or payments for past or future infringements of any of the foregoing; (d) the right to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing.
