PATENT AND TRADEMARK SECURITY AGREEMENT dated as of January 16, 2012, (this "*Agreement*"), among FREESCALE SEMICONDUCTOR, INC., a Delaware corporation with an address at 6501 William Cannon Drive West, Austin, Texas 78735 (the "*Issuer*") and CITIBANK, N.A., with an address at 390 Greenwich Street, New York, NY 10013, as Notes Collateral Agent (in such capacity, the "*Notes Collateral Agent*").

Reference is made to (a) the Intellectual Property Security Agreement, dated as of April 13, 2010, (as amended, supplemented or otherwise modified from time to time, the "*Security Agreement*") among FREESCALE SEMICONDUCTOR, INC., a Delaware corporation (the "*Issuer*"), FREESCALE SEMICONDUCTOR HOLDINGS V, INC., a Delaware corporation ("*Holdings V*"), SIGMATEL, LLC, a Delaware limited liability company ("*SigmaTel*"), the Subsidiaries of FREESCALE SEMICONDUCTOR HOLDINGS III, LTD. ("*Holdings III*") from time to time party thereto and CITIBANK, N.A., as collateral agent for the Secured Parties (as defined therein) (in such capacity, the "*Notes Collateral Agent*") and (b) the Indenture dated as of April 13, 2010 (as amended, supplemented or otherwise modified from time to time, the "*Indenture*"), among the Issuer, Holdings V, SigmaTel, the other Guarantors named therein and The Bank of New York Mellon Trust Company, N.A., as trustee (the "*Trustee*"), pursuant to which the Issuer has issued \$1,380,000,000 aggregate principal amount of 9¼% Senior Secured Notes due 2018 (the "*Notes*") to the holders thereof (the "*Holders*"). The undersigned Issuer is executing this Agreement in accordance with the requirements of the Indenture and the Security Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guarantees (as defined in the Indenture), the Issuer, pursuant to the Security Agreement, did and hereby does grant to the Notes Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Issuer or in which such the Issuer now has or at any time in the future may acquire any right, title or interest (collectively, the "*Collateral*"):

(a) all letters patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office (the "*USPTO*") or any similar offices in any other country, including those listed on Schedule I (the "*Patents*"), and all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof,

and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein; and

(b) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the "*Trademarks*"), and all goodwill connected with the use of and symbolized thereby and all other assets, rights and interests that uniquely reflect or embody such goodwill.

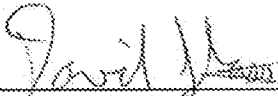

*provided, however*, that notwithstanding any of the other provisions herein (and notwithstanding any recording of the Notes Collateral Agent's Lien made in the USPTO or other IP registry office), this Agreement shall not constitute a grant of a security interest in any property to the extent that such grant of a security interest is prohibited by any rule of law, statute or regulation or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing or giving rise to such property, or would result in the forfeiture of the Issuer's rights in the property.

SECTION 3. Security Agreement. The security interests granted to the Notes Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Notes Collateral Agent pursuant to the Security Agreement. The Issuer hereby acknowledges and affirms that the rights and remedies of the Notes Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

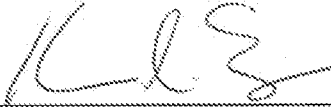

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
