THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is entered into as of January 27, 2012, by and among LLFlex, LLC, an Illinois limited liability company (the "Pledgor"), and Fifth Third Bank, an Ohio banking corporation, as agent (in such capacity, "Revolving Agent") and LBC Credit Partners II, L.P, a Delaware limited partnership, as agent (in such capacity, "Term Loan Agent," with Revolving Agent, sometimes referred to individually as "Agent" and collectively as "Agents"), for the benefit of the Lenders (as defined in the Loan Agreement, defined below).

WITNESSETH:

WHEREAS, pursuant to that certain Loan and Security Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement") by and among Pledgor, the other Credit Parties from time to time a party thereto, the Agents, and the Lenders (as defined therein), the Lenders have agreed to make certain Loans (as defined therein) and other extensions of credit to the Pledgor from time to time pursuant to the terms and conditions thereof; and

2. Incorporation of Premises. The premises set forth above are incorporated into this Agreement by this reference thereto and are made a part hereof.

3. Incorporation of the Loan Agreement. The Loan Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto.

4. Grant of Security Interest in Trademarks, Patents, Copyrights, Domain Names and Licenses. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, Pledgor hereby grants to the Agents, for the benefit of the Lenders, a security interest in, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, all of Pledgor's now owned or existing and hereafter acquired or arising:

(a) (i) trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including, without limitation, the trade names, registered trademarks, trademark applications, registered service marks and service mark applications listed on Schedule 1 attached hereto and made a part hereof, and (A) all renewals thereof, (B) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (C) the right to sue for past, present and future infringements and dilutions thereof, (D) the goodwill of Pledgor's business symbolized by the foregoing and connected therewith, and (E) all of Pledgor's rights corresponding thereto throughout the world (all of the foregoing trademarks, trade names, registered trademarks and trademark applications, service marks, registered service marks and service mark applications, together with the items described in clauses (A)-(E) in this Paragraph 4(a)(i), are sometimes hereinafter individually and/or collectively referred to as the "Trademarks"); and (ii) all proceeds of any and all of the foregoing, including, without limitation, license royalties and proceeds of infringement suits.

(b) (i) patents and patent applications, including, without limitation, the patents and patent applications listed on Schedule 2 attached hereto and made a part hereof, and (A) all renewals thereof, (B) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (C) the right to sue for past, present and future infringements and dilutions thereof, and (D) all of Pledgor's rights corresponding thereto throughout the world (all of the foregoing patents and patent applications, together with the items described in clauses (A)-(D) in this Paragraph 4(b)(i), are sometimes hereinafter individually and/or collectively referred to as the "Patents"); and (ii) all proceeds of any and all of the foregoing, including, without limitation, license royalties and proceeds of infringement suits.

(c) (i) copyrights and copyright registrations, including, without limitation, the copyright registrations listed on Schedule 3 attached hereto and made a part hereof, and (A) all renewals thereof, (B) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (C) the right to sue for past, present and future infringements and dilutions thereof, (D) the goodwill of Pledgor's business symbolized by the foregoing and connected therewith, and (E) all of Pledgor's rights corresponding thereto throughout the world (all of the foregoing copyrights and copyright registrations, together with the items described in clauses (A)-(E) in this Paragraph 4(c)(i), are sometimes hereinafter individually and/or collectively referred to as the "Copyrights"); and (ii) all proceeds of any and all of the foregoing, including, without limitation, licensed royalties and proceeds of infringement suits.

Notwithstanding the foregoing provisions of this Paragraph 4(d), the Licenses shall not include any license agreement in effect as of the date hereof which by its terms prohibits the grant of the security contemplated by this Agreement; provided, however, that upon the termination of such prohibitions for any reason whatsoever, the provisions of this Paragraph 4 shall be deemed to apply thereto automatically.

(e) rights under or interests in any internet domain names and internet domain registration agreement including, without limitation, those listed on Schedule 5 attached hereto and made a part hereof, and the right to use the foregoing in connection with the enforcement of the Agents' rights under the Loan Agreement (all of the foregoing are hereafter referred to collectively as the "Domain Names"), and all proceeds of the foregoing.

5. Restrictions on Future Agreements. No Pledgor shall, without the Agents' prior written consent, enter into any agreement, including, without limitation, any intellectual property security agreement, which is inconsistent with this Agreement, and Pledgor further agrees that it will not take any action, and will use its commercially reasonable efforts not to permit any action to be taken by others subject to its control, including, without limitation, licensees, or fail to take any action, which would in any material respect adversely affect the validity or enforcement of the rights transferred to the Agents under this Agreement or the rights associated with the Trademarks, Patents, Copyrights or Licenses.

6. New Intellectual Property Rights. Pledgor represents and warrants that, from and after the date hereof, (a) the Trademarks listed on Schedule 1 include all of the trade names, registered trademarks, trademark applications, registered service marks and service mark applications now owned or held by any Pledgor, (b) the Patents listed on Schedule 2 include all of the patents and patent applications now owned or held by any Pledgor, (c) the Copyrights listed on Schedule 3 include all of the copyright applications and registrations now owned or held by any Pledgor, (d) the Licenses listed on Schedule 4 include all of the patent, trademark or copyright license agreements under which any Pledgor is the licensee or licensor, (e) the Domain Names listed on Schedule 5 list all of the domain names and internet registrations owned by the Pledgor, and (f) no Liens, claims or security interests in such Trademarks, Patents, Copyrights, Domain Names or Licenses have been granted by any Pledgor to any Person other than the Agents for the benefit of the Lenders and except as disclosed in the Loan Agreement. If, prior to the termination of this Agreement, any Pledgor shall (i) obtain rights to or become entitled to the benefit of any new trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) obtain rights to or become entitled to the benefit of any patent or patent application or any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, (iii) obtain rights to or become entitled to the benefit of any new copyrights or copyright registrations, (iv) obtain rights to or become entitled to the benefit of any new trademark, patent or copyright license agreements, as licensor, or license renewals, (v) enter into

any new license agreement, the provisions of Paragraph 4 above shall automatically apply thereto (to the extent permitted by licensors under agreements in connection with the granting of such licenses), or (vi) obtain rights or become entitled to the benefits of any additional Domain Names. The Pledgor shall give to the Agents reasonably prompt written notice of events described in clauses (i) and (vi) of the preceding sentence. Pledgor hereby agrees to modify this Agreement (i) by amending Schedule 1 to include any future trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications that are Trademarks under Paragraph 4 above or under this Paragraph 6, (ii) by amending Schedule 2 to include any future patents and patent applications, which are Patents under Paragraph 4 above or under this Paragraph 6, (iii) by amending Schedule 3 to include any future copyrights and copyright registrations, which are Copyrights under Paragraph 4 above or under this Paragraph 6, (iv) by amending Schedule 4 to include any future trademark, patent or copyright license agreements that are Licenses under Paragraph 4 above or under this Paragraph 6, and (v) by amending Schedule 5 to include any future Domain Names. Pledgor hereby authorizes the Agents to file, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule 1 thereto, as the case may be, such future trademarks, tradenames, registered trademarks, trademark applications, service marks, registered service marks and service mark applications and containing on Schedule 2 thereto, as the case may be, such future patents and patent applications, and containing on Schedule 3, as the case may be, such future copyrights and copyright registrations, and containing on Schedule 4 thereto, as the case may be, such future license agreements.

7. Royalties. Pledgor hereby agrees that the use by the Agents of the Trademarks, Patents, Copyrights, Domain Names and Licenses as authorized hereunder in connection with the exercise of its rights and remedies under Paragraph 16 or pursuant to the Loan Agreement shall be coextensive with Pledgor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Agents or the Lenders to Pledgor.

8. Further Assignments and Security Interest. Pledgor agrees (a) not to sell or assign any of its interests in the Trademarks, Copyrights, Patents or Domain Names without the prior written consent of the Agents and (b) not to sell or assign its respective interests in the Licenses without the prior and express written consent of the Agents.

9. Nature and Continuation of the Agents' Security Interest; Termination of the Agents' Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks, Patents, Copyrights, Domain Names and Licenses and shall terminate only when the Obligations have been paid in full in cash and the Loan Agreement has been terminated. When this Agreement has terminated, the Agents shall promptly execute and deliver to the Pledgor, at Pledgor's expense, all termination statements and other instruments as may be necessary or proper to terminate the Agents' security interest in the Trademarks, Patents, Copyrights, Domain Names and Licenses, subject to any disposition thereof which may have been made by the Agents or the Lenders, or any of them, pursuant to this Agreement.

10. Duties of Pledgor. Pledgor shall have the duty, to the extent desirable in the normal conduct of Pledgor's business, (a) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter

until the termination of this Agreement, (b) to prosecute diligently any patent application that is part of the Patents pending as of the date hereof or hereafter until the termination of this Agreement, and (c) to take all reasonable and necessary action to preserve and maintain all of the Pledgor's rights in the Trademarks, Patents, Copyrights, Domain Names and Licenses. Pledgor further agrees (i) not to abandon any Trademark, Patent, Copyright, Domain Names or License that is necessary or economically desirable in the operation of Pledgor's business without the prior written consent of the Agents, and (ii) to use its commercially reasonable efforts to maintain in full force and effect the Trademarks, Patents, Copyrights, Domain Names and Licenses that are or shall be necessary or economically desirable in the operation of Pledgor's business. Any expenses incurred in connection with the foregoing shall be borne by the Pledgor. Agents and Lenders shall have no duty with respect to the Trademarks, Patents, Copyrights, Domain Names or Licenses.

11. Indemnification by Pledgor. Pledgor hereby agrees to indemnify and hold harmless Agents and the Lenders for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including, without limitation, reasonable attorneys' fees) of any kind whatsoever which may be imposed on, incurred by or asserted against Agents and/or the Lenders in connection with or in any way rising out of any third party suits, proceedings or other actions, relating to any or all of the Trademarks, Patents, Copyrights, Domain Names or Licenses (including, without limitation, suits, proceedings or other actions in which an allegation of liability, strict or otherwise, is or may be made by any Person who alleges or may allege having suffered damages as a consequence of alleged improper, imprudent, reckless, negligent, willful, faulty, defective or substandard design, testing, specification, manufacturing supervision, manufacturing defect, manufacturing deficiency, publicity or advertisement or improper use, howsoever arising or by whomsoever caused, of any inventions disclosed and claimed in the Patents or any of them); unless with respect to any of the above, Agents and/or the Lenders are judicially determined to have acted or failed to act with gross negligence or willful misconduct. The indemnification in this paragraph shall survive the termination of this Agreement.

12. The Agents' Right to Sue. From and after the occurrence and during the continuance of an Event of Default, the Agents shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks, Patents, Copyrights, Domain Names and Licenses and, if the Agents shall commence any such suit, Pledgor shall, at the request of the Agents, do any and all lawful acts and execute any and all proper documents reasonably required by the Agents in aid of such enforcement. The Pledgor shall, upon demand, promptly reimburse the Agents for all costs and expenses incurred by the Agents in the exercise of its rights under this Paragraph 12 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for the Agents).

13. Waivers. The Agents' failure, at any time or times hereafter, to require strict performance by Pledgor of any provision of this Agreement shall not waive, affect or diminish any right of the Agents thereafter to demand strict compliance and performance therewith nor shall any course of dealing between any Pledgor and the Agents have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of any Pledgor contained in this Agreement shall be deemed to have been

suspended or waived by the Agents unless such suspension or waiver is in writing signed by an officer of the Agents, and directed to Pledgor and specifying such suspension or waiver.

14. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. Neither this Agreement nor any provision hereof may be altered, amended or modified in any way, except as specifically provided in Paragraph 6 hereof or in a written instrument signed by the parties hereto.

16. Power of Attorney; Cumulative Remedies.

(a) Pledgor hereby irrevocably designates, constitutes and appoints the Agents (and all officers and agents of the Agents designated by the Agents in their sole and absolute discretion) as Pledgor's true and lawful attorney-in-fact, and authorizes the Agents and any of the Agents' designees, in Pledgor's or the Agents' name, upon the occurrence and during the continuation of an Event of Default to take any action and execute any instrument necessary or reasonably advisable to accomplish the purposes of this Agreement, including, without limitation, to (i) endorse Pledgor's name on all applications, documents, papers and instruments necessary or desirable for the Agents in the use of the Trademarks, Patents, Copyrights, Domain Names or Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks, Patents, Copyrights, Domain Names or Licenses to anyone, to recover the payment of the Obligations, and (iii) grant or issue any exclusive or nonexclusive license under the Trademarks, Patents, Copyrights, Domain Names or Licenses to anyone, to recover the payment of the Obligations. Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated. Pledgor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Agents or any other member of the Lenders under the Loan Agreement or any other Loan Document, but rather is intended to facilitate the exercise of such rights and remedies.

(b) The Agents shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks, Patents, Copyrights or Licenses may be located or deemed located. Upon the occurrence and continuance of an Event of Default and the election by the Agents to exercise any of its remedies under the Uniform Commercial Code, as in effect in any jurisdiction, with respect to the Trademarks, Patents, Copyrights or Licenses, Pledgor agrees to assign, convey and otherwise transfer title in and to the Trademarks, Patents, Copyrights, Domain Names and Licenses, to the Agents or any transferee of the Agents and to execute and deliver to the Agents or any such transferee all such agreements, documents and instruments as may be necessary, in the Agents' sole discretion, to effect such assignment, conveyance and

All of the Agents' rights and remedies with respect to the Trademarks, Patents, Copyrights, Domain Names and Licenses, whether established hereby, by the Loan Agreement or by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and continuance of an Event of Default, the Agents may exercise any of the rights and remedies provided in this Agreement, the Loan Agreement or any of the other Loan Documents. To the extent permitted by applicable law, Pledgor agrees that any notification of intended disposition of any of the Trademarks, Patents, Copyrights or Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) days before such disposition; provided, however, that the Agents may give any shorter notice that is commercially reasonable under the circumstances.

17. Successors and Assigns. This Agreement shall be binding upon Pledgor and its successors and assigns, and shall inure to the benefit of the Agents, the other members of the Lenders and their nominees, successors and assigns. Pledgor's successors and assigns shall include, without limitation, a receiver or a trustee of any Pledgor; provided, however, that no Pledgor shall voluntarily assign or transfer its rights or obligations hereunder without the Agents' prior written consent.

If any provision of this Agreement shall be held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or remaining provisions of this Agreement.
