**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE**

In re: GOLDMAN INDUSTRIAL GROUP, INC., et al., Debtors.))))))	Chapter 11 Case Nos. 02-10467 (MFW) (Jointly Administered)
--	----------------------------	--

**ORDER AUTHORIZING SALE OF SUBSTANTIALLY ALL OF THE
ASSETS OF THE BRYANT DEBTORS FREE AND CLEAR OF ALL
LIENS, CLAIMS, INTERESTS AND ENCUMBRANCES PURSUANT TO
SECTIONS 363(b), (f) AND (m) OF THE BANKRUPTCY CODE**

Upon the amended motion (the "Amended Sale Motion")¹ of Bryant Grinder Corporation ("Bryant"), J&L Metrology Company ("J&L", together with Bryant, the "Bryant Debtors"), Fellows Corporation ("Fellows"), and Jones & Lamson Vermont Corp. ("Jones & Lamson"), Bridgeport Machines, Inc., ("Bridgeport"), Hill-Loma, Inc., ("Hill-Loma") and Goldman Industrial Group, Inc., ("Goldman Industrial"), debtors and debtors in possession in the above-captioned Chapter 11 cases (the "Debtors"), for entry of an order (i) authorizing the sale of substantially all of the Bryant Debtor's assets free and clear of all liens, claims, interests and encumbrances pursuant to sections 363(b), (f) and (m) of the Bankruptcy Code, to BF Acquisition, LLC (the "Buyer"), if any; (ii) approving the Bid Procedures; (iii) approving the Break-Up Fee and (iv) approving the notice of the hearing on such Sale Motion. Upon review of the Sale Motion, the relief requested therein, the objections to the Sale Motion (if any), the representations adduced at the Sale Hearing and for good cause shown, the Court makes the following findings of fact and conclusions of law and enters the following orders:

¹ All capitalized terms used herein but not otherwise defined shall have those meanings set forth in the Sale Motion or the Asset Purchase Agreement, which is attached hereto as Exhibit A.

- A. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, and this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
- B. The Debtors filed petitions for relief under Chapter 11 of the Bankruptcy Code on February 14, 2002 (the "Petition Date").
- C. On April 25, 2002, the Debtors filed the Original Sale Motion and on May 8, 2002, the Debtors filed the Amended Sale Motion.
- D. A notice of hearing on the Amended Sale Motion in a proper and sufficient form was timely served on the Notice Parties. Certificates of service establishing the same have been filed with the Court.
- E. Other parties interested in bidding on the Assets were provided sufficient information by the Debtors to make an informed judgment as to whether to bid on the Assets.
- F. The following bid procedures have been established by the Debtors for the auction of the Assets:

- (a) Only qualified bidders (the "Qualified Bidders") may submit an offer (for all or a portion of the Bryant Debtors' Assets and any executory contracts that such bidder designates) with respect to the Assets or otherwise participate in an auction with respect to Sale (the "Auction"). Persons or entities who propose to become Qualified Bidders ("Proposed Qualified Bidders"), on or before 5:00 p.m. eastern time on the 3rd business day prior to the date first set for the Auction (the "Bid Deadline"), must comply with each of the following requirements (a "Qualified Bid"):

- (i) provide the Debtors with evidence that in the reasonable discretion of the Debtors' and Fleet Capital Corporation, as agent for the Debtors' pre- and post-petition lenders (the "Agent") establishes that the Proposed Qualified Bidder has sufficient financial ability to close and consummate a Sale (and provide adequate assurance of future performance with respect to any executory contracts designated by the Proposed Qualified Bidder to take by assignment from the Bryant Debtors) pursuant to an asset purchase agreement (substantially in form of the Asset Purchase Agreement with such modifications as are indicated thereon by the Proposed Qualified Bidder). To the extent any

Proposed Qualified Bidder is rejected by the Debtors and the Agent, information concerning the grounds for rejection of such Proposed Qualified Bidder shall be provided to counsel to the Committee subject to reasonable agreements as to the confidentiality of such information. Any bidder shall provide the Debtors and Debtors' counsel (and, subject to reasonable agreements as to the confidentiality of such information, Debtors' counsel shall provide such information to counsel to the Agent and counsel to the Committee), within twenty-four (24) hours after the Debtors' request, financial statements and other documents relating to its business activities and its ability to perform in the event that its bid is accepted (including evidence of the structure and financing of the proposed transaction (cash, notes, etc.) and including the amount of equity to be committed and sources of financing);

(ii) unless previously delivered to the Debtors, execute a confidentiality agreement in form and substance reasonably satisfactory to the Debtors prior to conducting any due diligence or obtaining information reasonably considered confidential by the Debtors;

(iii) submit an executed form of the Asset Purchase Agreement, marked to show all changes thereto on terms and conditions substantially identical to those set forth in such Asset Purchase Agreement and include with such submission (as applicable) a list of all Assets that Proposed Qualified Bidder wishes to include in its bid and a list of liabilities of the Debtors, if any, the Proposed Qualified Bidder is assuming, including but not limited to, and all executory contracts and unexpired leases that the Proposed Qualified Bidder wishes to have assumed and assigned to it;

(iv) provide for a Closing Date which is not later than the earlier of (x) May 31, 2002 (provided that the Court has waived the requirements of Bankruptcy Rule 6004 (g)) or (y) the first business day after any stay of the Sale Order expires; provided, that all conditions to Closing contained in the applicable asset purchase agreement have been satisfied or waived on such date;

(v) tender a good faith deposit in the form of a bank or certified check in the amount of 10% of the purchase price set forth in their asset purchase agreement (the "Deposit"), made payable to the Bryant Debtors, to be tendered to counsel to the Debtors (or some other agent selected by the Bankruptcy Court) as a condition to bidding. If the Proposed Qualified Bidder is the Successful Bidder(s) with respect to a Sale, the Deposit will be applied

towards the amount of the successful bid. If the Proposed Qualified Bidder is not the Successful Bidder(s); the Deposit will be held pending closing with the Successful Bidder(s); provided that in accordance with Paragraph (i) below, in the event that the Proposed Qualified Bidder becomes the Successful Bidder(s) as a result of a prior Successful Bidder(s)'s failure to consummate a Sale, the Deposit will be applied towards the amount of the successful bid. Any such Deposit tendered by any bidder that becomes a Successful Bidder(s) shall be (i) remitted to the Debtors in the event that any such Successful Bidder(s) fails to close and consummate a Sale as a result of its breach of the terms and conditions of its asset purchase agreement; or (ii) returned to any bidder in the event that (A) its bid is not a successful bid or (B) Closing is not consummated as a result of the Debtors' breach of the terms and conditions of the applicable asset purchase agreement including the failure to obtain Court authorization for a Sale; and

(vi) provide a written statement by the Proposed Qualified Bidder that (i) such bidder agrees to comply with such other terms and procedures as may be imposed by the Court or the Debtors on all potential bidders including Buyer at or prior to the Auction; (ii) the bid (as the same may be enhanced at the Auction) shall be irrevocable through Closing Date except as provided in the applicable asset purchase agreement; (iii) the bidder believes in good faith that its bid constitutes a Qualified Bid; (iv) the Deposit shall be treated in accordance with the provisions of the Amended Sale Motion; (v) the bid (as the same may be enhanced at the Auction) is not subject to any due diligence or financing conditions, and (vi) identifies which liabilities of the Debtors, if any, the Proposed Qualified Bidder is assuming under the bid including, without limitation, whether such bidder proposes to assume all or any part of the Debtors' employee benefits plan.

- (b) Except as otherwise decided in the Debtors' discretion, any competing bids must be on substantially the same terms as the Asset Purchase Agreement and shall not be on terms and conditions which are more burdensome or conditional in any material respect than the terms of the Asset Purchase Agreement. Such competing bids must disclose the identity of the competing buyer.
- (c) Any competing bids shall be in writing and filed with the Bankruptcy Court at least three (3) business days in advance of date first set for the Auction, with copies of such bids to be served on and received at least two (2) business days prior to date first set for the Auction:

- (i) the Debtors' counsel-Nancy A. Mitchell and Christopher Cahill, Greenberg Traurig, 77 W. Wacker Drive, Suite 2500, Chicago, Illinois 60601, Facsimile No. (312) 456-8435;

- (vii) SSG - Matt Karlson, SSG Capital Advisors, Inc., Five Tower Bridge, 300 Barr Harbor Drive, Suite 420, West Conshohocken, PA 19428;
- (viii) Counsel to Regency Bank - Daniel K. Astin and Douglas M. Hershman, The Bayard Firm, 222 Delaware Avenue, Suite 900, Wilmington, DE 19801; and
- (ix) Regency Savings Bank - Edward W. Wilkowski, Assistant Vice President, Regency Savings Bank, 11 Madison Street, Oak Park, Illinois 60302.
- (d) The initial competing bid shall be, at a minimum, in an amount equal to the Purchase Price, plus \$100,000.
- (e) The auction shall be absolute with bid increments of not less than \$50,000.
- (f) Only those bids submitted by Proposed Qualified Bidders and constituting Qualified Bids will be entitled to bid at the Auction, unless the Debtors determine otherwise.
- (g) If a Qualified Bid is received, the Debtors will conduct the Auction at the offices of Debtors' counsel, Greenberg Traurig, The Brandywine

Building, 1000 West Street, Suite 1540, Wilmington, Delaware 19801, one (1) business day prior to the Sale Hearing at 1:00 p.m. Eastern Time. Bidding at the Auction will commence with the highest Qualified Bid(s) from Qualified Bidder(s) on individual Assets and will continue in the established increments until all parties have made their final offers on individual Assets. Bidding at the Auction will continue with the highest Qualified Bid(s) from Qualified Bidder(s) on discrete groups of Assets, designated by either the Debtors or any Qualified Bidder(s) prior to or at the Auction, and will continue in the established increments, until all parties have made their final offers on discrete groups of Assets. Next the Debtors will accept bidding at the Auction for a Sale, starting with the highest Qualified Bid and continuing in the established increments, until all parties have made their final offers on a Sale.

- (h) At the conclusion of the Auction, the Debtors and the Agent, after consultation with the Debtors' secured lenders and the Committee, will announce their determination as to the highest and best bid for the Assets (the "Successful Bid") by the Qualified Bidder(s) who will become the Successful Bidder(s). The Debtors reserve the right to determine which bid or combination of bids, if any, is the highest or otherwise best offer at the Auction or to withdraw this Sale Motion at any time prior to the Sale Hearing. The determination of the highest and best bid for the Assets will be made by the Debtors based on their business judgment and taking into account the value of the total consideration provided for in the offer (whether such consideration is cash or through assumption of liabilities) to the Bryant Debtors' estates; provided, that the Debtors may, in their sole discretion, give preference to cash offers even if such cash offers provide less total consideration than offers which include non-cash consideration. Formal acceptance of a winning bid, however, will not occur unless and until the Court enters an order approving the winning bid and authorizing the Debtors to consummate the Sale following the conclusion of the Sale Hearing.
- (i) Upon failure to consummate a Sale because of a breach or failure on the part of the successful bidder(s), the Debtors may select in their business judgment the next highest or otherwise best Qualified Bid(s) to be the successful bid(s) without further order of the Court.

The above Bid Procedures were reasonable and appropriate.

G. An Auction was held on May 22, 2002 at 1:00 pm for the Assets which continued on May 23, 2002 by order of this Court. At the conclusion of such Auction, Buyer was the

Successful Bidder. Buyer agreed to pay a purchase price of \$2,500,000 for the Purchased Assets (the "Purchase Price").

H. Buyer was also the Successful Bidder in the Fellows Auction.

I. There has been an adequate opportunity for all parties in interest to appear and be heard on the Amended Sale Motion. Due and adequate notice and an opportunity to be heard in accordance with all applicable law were given to all necessary parties in the Debtors' cases, including, without limitation, all federal and state environmental and taxing authorities.

J. Buyer and Regency Savings Bank have agreed upon the terms and conditions of Buyer's use and occupancy of the Fellows Real Property in accordance with the DIP Stipulation, as modified by this Order.

K. Based upon the representations tendered, for which there was no objection, the Debtors have articulated reasonable business judgment and have demonstrated good faith for seeking a prompt Sale of substantially all of the Assets. The Court finds that a prompt Sale of the Purchased Assets is required if the Bryant Debtors and their estates are to obtain any value from the Purchased Assets. Consummation of the Sale shall result in the maximization of the value of the Bryant Debtors' estates. The Court further finds that approval of the Sale is in the best interests of the Bryant Debtors' estates and their creditors and, after consideration of all salient factors, there are good and sufficient business justifications for the sale contemplated by the Amended Sale Motion, outside of the context of a plan of liquidation, and that the required standard of a "sound business purpose" has been established.

L. Based upon the representations tendered, Buyer is a good faith purchaser for value within the meaning of section 363(m) of the Bankruptcy Code and is entitled to all protections thereof. The Court finds that the sale and the negotiation of the Asset Purchase Agreement and all exhibits and schedules thereto were at arms' length and in good faith. Further, there is no evidence of the existence of an agreement among potential bidders to control the bidding process or the Purchase Price. The terms of the proposed Sale are fair, and the Purchase Price is adequate and constitutes reasonably equivalent and fair value for the Purchased Assets.

ACCORDINGLY, IT IS HEREBY ORDERED THAT:

1. The Amended Sale Motion is hereby approved in all respects. Any objections filed to the Amended Sale Motion are hereby resolved by this Sale Order.
2. The Asset Purchase Agreement is approved in its entirety. To the extent that this Sale Order conflicts with the Asset Purchase Agreement, this Sale Order shall control. For purposes of clarification, a conflict between the Asset Purchase Agreement and this Sale Order shall not exist merely due to the fact that the Asset Purchase Agreement addresses (a) any particular matter in more detail than as addressed in this Sale Order, and (b) any matter not addressed in this Sale Order.
3. The Bryant Debtors are authorized to and shall sell, assign, transfer and deliver to Buyer and Buyer shall purchase, acquire and take assignment and delivery of the Purchased Assets and to execute all documents and instruments necessary to effect the Sale.
4. Except for the Assumed Liabilities, all of Sellers' liabilities and obligations shall be retained by and remain the obligations and liabilities of Sellers and Buyer shall not assume, or be responsible or liable with respect to, any and all of the liabilities and obligations of Sellers,

whether or not relating to the Businesses, whether fixed, contingent or otherwise, and whether known or unknown, including without limitation, the following:

- (i) Any liability, claim or obligation of Sellers for any federal, state or local Taxes due and/or payable prior to or after the Closing, including (a) all income and franchise taxes of Sellers, (b) any real property taxes other than real property taxes that are part of the Regency Savings Bank Obligations (as defined in the Asset Purchase Agreement) as provided in Section 2.03(iii) of the Asset Purchase Agreement, and (c) any personal property Taxes with respect to the Purchased Assets for the period prior to Closing.
- (ii) Any liability, claim or obligation relating to, based in whole or in part on events or conditions occurring or existing in connection with, or arising out of, the Businesses as operated by Sellers prior to the Closing, including any liability or obligation in connection with any defaults or failure of performance by Sellers which have accrued or occurred prior to the Closing under or in respect of any purchase orders or sales orders or the ownership, possession, use or sale of the Purchased Assets prior to the Closing.
- (iii) Any liability, claim or obligation with respect to any litigation or legal proceeding pending on the date of the Asset Purchase Agreement, or instituted hereafter, in connection with, or arising out of, the Businesses as operated by Sellers prior to the Closing.

- (iv) Any liability, claim or obligation in connection with, or arising out of any claim or dispute for services rendered or products, systems or goods manufactured, designed, configured, engineered, assembled, compiled, distributed or sold by Sellers prior to the Closing, including, without limitation, product liability claims.
- (v) Any liability, claim or obligation in connection with, or arising out of, any claims based on harm to the environment or the disposal of hazardous materials allegedly committed by Sellers prior to the Closing, whether or not in connection with the Businesses, including the obligation to pay any and all fines, penalties, liabilities, consequential damages, whether foreseeable or unforeseeable, any other damages, costs and losses, including remedial, removal, response, abatement, clean-up, investigative and monitoring costs, and any other related costs, expenses, losses, damages and reasonable attorneys' fees arising from or in connection with
- (a) any violation of requirements of any laws (including rules and regulations thereunder) of federal, state and local governments (and all agencies thereof) concerning the environment, public health and safety and employee health and safety, (b) environmental claims under any Environmental Law (including without limitation, Compensation and Liability Act of 1980) based on acts, omissions or occurrences prior to the Closing, and (c) any release into the environment of any hazardous materials generated by Sellers from their respective facilities.

- (vi) Any liability, claim or obligation in connection with, or arising out of, the Excluded Assets.
- (vii) Any trade accounts and other payables of Sellers due to suppliers and vendors and others of or other accounts payable.
- (viii) Any liability, claim or obligation arising from or in connection with (a) wages, benefits, bonuses or commissions due to any employee or independent contractor of Sellers, (b) contributions by Sellers under any Employee Plans (as defined below), (c) any other benefits due to or for the benefit of any employee or independent contractor of Sellers, (d) workers' compensation or other occupational health or injury claims of Sellers on or prior to the date of the Asset Purchase Agreement, (e) notices regarding plant closings, including without limitation, notices under the federal "WARN" laws, and (f) notices regarding continuation of health care coverage and rights of conversion for insured benefits.
- (ix) Any sponsorship or responsibility for the maintenance of or termination of any Employee Plan (as hereinafter defined) maintained by Sellers. For purposes of this Agreement, the term "Employee Plan" shall mean any employee benefit plans, as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and any "multi-employer plan" as defined in Section 3(37) of ERISA, or any other severance, bonus, stock option, stock appreciation, stock purchase, retirement, insurance, health, welfare, vacation, severance pay, retired employee benefits, pension, profit-sharing or deferred compensation plans.

- (x) Any liability, claim or obligation (including with respect to sales tax and other taxes) which Buyer may become subject to or as a result of or in connection with the failure of the parties to comply with bulk sales or bulk transfer laws.
- (xi) Any and all liabilities to any union, employees or former employees whether under any collective bargaining agreement or otherwise.

5. The Purchased Assets shall be sold, transferred, conveyed and assigned to Buyer free and clear of any and all liens, claims, interests and encumbrances of whatever type whether arising before or after the Petition Date in accordance with sections 363(b), (f) and (m) of the Bankruptcy Code pursuant to such assignments and instruments of conveyance as Buyer reasonably requests. Any and all liens, claims, interests and encumbrances (including, without limitation, any liens (including any mortgage liens on any of the Purchased Assets which are fixtures) of the Agent, ACS, the PBGC, Regency or First International Bank) shall attach to the proceeds of the sale of the Purchased Assets in the same order of priority as they existed prior to the Petition Date with respect to the Purchased Assets. This provision of the Order shall be self-executing, and notwithstanding the failure of the Debtors or any other party to execute, file or obtain releases, termination statements, consents or other instruments to consummate or implement the provisions hereof or the Asset Purchase Agreement, all liens, claims, interests and encumbrances of any kind or nature in or against the Purchased Assets transferred, sold or assigned shall be deemed released.

6. At Closing, Buyer shall pay to the Agent the Purchase Price (which Agent shall apply in accordance herewith net of the fees owed to SSG which shall be remitted directly to SSG), as set forth in the Asset Purchase Agreement, for application as provided in the DIP Stipulation. The amounts payable to Agent shall be subject to disgorgement to the extent that a party in interest holds a prior or senior lien on some or all of the Purchased Assets to the liens and security interests of the Agent in the Purchased Assets. Any such party alleging a prior lien on the Purchased Assets shall initiate an action (including any actions initiated by any party to determine whether a Purchased Asset is a fixture) in this Court by a date not later than 60 days after the date of this Order or be forever barred from asserting such prior lien. The Court may extend the time to initiate such action for good cause shown. All parties shall cooperate, reasonably at their own expense, in exchanging documents and information, and conducting physical inspections, as is necessary. Notwithstanding anything to the contrary in the DIP Stipulation or otherwise, the fact that the time period contained in the DIP Stipulation to challenge the validity, priority and extent of the Agent's lien has expired will not affect the rights of Regency or First International to assert that any Purchased Asset is a fixture.

7. Upon payment of the Purchase Price to the Agent, all persons or entities holding liens, claims, interests and encumbrances of any kind or nature with respect to the Purchased Assets transferred, sold or assigned are barred from asserting such liens, claims, interests or encumbrances of any kind or nature against Buyer or the Purchased Assets.

8. Buyer is found to be a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code and shall be entitled to the protections afforded a good faith purchaser pursuant to such section. Buyer has acted in "good faith" in connection with the Sale.

9. The Closing of the Sale of Purchased Assets shall occur no later than June 3, 2002. Such Closing may take place even if a party in interest appeals this Sale Order, so long as this Order has not been stayed.

10. As provided in the DIP Stipulation as modified by this Sale Order, any use by the Buyer of the property located at 36 Precision Drive in Springfield and Chester, Vermont (the "Fellows Real Property") is limited to a period expiring no later than December 31, 2002 except in Regency's sole discretion and shall be subject to (a) agreement by the Buyer to use the Fellows Real Property and the Purchased Assets (I) to conduct or house a business related to the assembly, repair and sale of machine tools and related parts and service, or any part thereof, and to conduct any other activities incidental thereto including, without limitation, the liquidation, moving or sale of all or a portion of the Purchased Assets and (II) in a manner consistent with the obligations of Fellows under its mortgages, dated January 29, 1998, held by Regency Savings Bank ("Regency") and First International Bank ("FIB") to keep the premises in a condition and repair consistent with the condition of the Fellows Real Property on the Closing Date and to prohibit the commission of waste and (b) maintaining whatever agreement as to commercially reasonable indemnity or other protections to which the Buyer and Regency have agreed. The Buyer shall have an obligation to remove, before expiration of the Buyer's occupancy, all of the Purchased Assets from and repair the Fellows Real Property at its own expense for damage caused by or resulting from the removal of the Purchased Assets from the Fellows Real Property that occurs after the Closing Date and to maintain the insurance and security agreed to by the Buyer and Regency.

11. The Debtors are authorized and directed to execute, deliver and carry out the terms of any and all documents and instruments that may be required by the Asset Purchase

Agreement, to undertake any action required by the Asset Purchase Agreement and to take all such other steps as may be necessary to effectuate the Asset Purchase Agreement (including any steps necessary to change the names of the Bryant Debtors).

12. This Sale Order shall be binding on and inure to the benefit of successors and assigns to the Buyer and the Debtors, including any subsequently appointed trustee.

13. The Court shall retain jurisdiction for the purpose of enforcing the provisions of the Sale Order and resolving disputes. Notwithstanding Bankruptcy Rule 6004(g) which is hereby waived by the Court, this Sale Order shall be take effect and become operative and enforceable immediately upon entry.

14. The Sale is conditioned upon:

- (a) Agreement between Fellows, the Buyer and Regency as to the terms of a lease for the Fellows Real Property, which agreement shall not be unreasonably withheld;
- (b) Agreement between the Buyer and Regency as to the terms of an indemnity agreement and to the terms of an escrow agreement, which agreement shall not be unreasonably withheld; and
- (c) Agreement between Fellows, the Buyer and Regency as to reasonable insurance coverage for the Fellows Real property.

15. The Buyer and the Bryant Debtors have agreed with Regency and First International that the removal of the equipment and machinery constituting Purchased Assets shall be done by parties with experience in the industry and maintaining commercially reasonable insurance or bonds.

16. The Buyer and Regency have agreed that, to the extent that any dispute arises under the indemnity agreement after the entry of this Sale Order, such dispute may be presented to this Court for resolution notwithstanding the finality of the Sale Order.

Notwithstanding the foregoing, Buyer shall not have access to personnel records of Sellers relating to individual performance or evaluation records, medical histories or other information which in Sellers' good faith opinion is sensitive or the disclosure of which could subject Sellers to risk of liability.

5.03. Notices of Certain Events. (a) Sellers shall promptly notify Buyer of:

(b) Sellers shall promptly notify Buyer of, and furnish Buyer any information which Buyer may reasonably request with respect to, the occurrence to Sellers' knowledge of any event or condition or the existence to Sellers' knowledge of any fact that would cause any of the conditions to Buyer's obligations to consummate the purchase and sale of the Purchased Assets not to be fulfilled.

(c) If between the date of this Agreement and the Closing Date any of the matters referenced in Section 5.03(a)(iv) shall have occurred, then Sellers, at their option, shall either repair any damage or casualty at their expense or deliver to Buyer on the Closing Date any insurance proceeds (including without limitation, condemnation insurance proceeds), or rights to receive insurance proceeds, with respect thereto or the Purchase Price shall be reduced by such

The Bid Procedures and Sale Motion (i) requested that the Bankruptcy Court schedule a hearing on an expedited basis to confirm the sale of the Purchased Assets to Buyer no later than May 23, 2002 (the "**Sale Hearing**"), (ii) includes a provision stating that a competing bid must exceed the Purchase Price by at least \$100,000 for the initial offer and thereafter all subsequent offers must be in increments of at least \$50,000 greater than the preceding highest offer, (iii) includes a provision stating that, at the request of the Sellers, all bidders must submit financial information to the Sellers and certain other parties at least three days prior to the hearing date set for the approval of this Agreement, and (iv) includes a provision requesting the Bankruptcy Court approve the Breakup Fee. Notwithstanding anything to the contrary contained in this Agreement, Buyer shall not be entitled to the Breakup Fee if (i) the Bankruptcy Court does not enter the Bid Procedures Order, (ii) Sellers fail to sell, transfer, assign, convey and deliver the Purchased Assets to Buyer (or its successors or permitted assigns) due to a material breach by Buyer (or its successors or permitted assigns) of this Agreement, or (iii) Buyer is in breach of this Agreement.
