**SECOND LIEN TRADEMARK SECURITY AGREEMENT**

**February 3, 2012**

WHEREAS, Hoffmaster Group, Inc., a Delaware corporation (herein referred to as the “**Grantor**”) owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below);

WHEREAS, Hoffmaster Group, Inc. (the “**Borrower**”), Hoffmaster Holdings, Inc. (survivor by merger to KHOF Holdings, Inc.), the Lenders party thereto and General Electric Capital Corporation, as Administrative Agent and Collateral Agent, are parties to a Second Lien Credit Agreement dated as of December 23, 2011 (as amended from time to time, the “**Second Lien Credit Agreement**”);

WHEREAS, pursuant to (i) a Second Lien Guarantee and Collateral Agreement dated as of December 23, 2011 (as amended and/or supplemented from time to time, the “**Second Lien Guarantee and Collateral Agreement**”) among the Borrower, the Guarantors party thereto and General Electric Capital Corporation, as Collateral Agent for the Secured Parties referred to therein (in such capacity, together with its successors in such capacity, the “**Grantee**”), and (ii) certain other Security Documents (including this Second Lien Trademark Security Agreement), the Grantor has secured certain of its obligations (the “**Obligations**”) by granting to the Grantee for the benefit of such Secured Parties a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Trademark Collateral (as defined below); and

WHEREAS, terms defined in the Second Lien Guarantee and Collateral Agreement (or whose definitions are incorporated by reference in Section 1 of the Second Lien Guarantee and Collateral Agreement) and not otherwise defined herein have, as used herein, the respective meanings provided for therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Grantee, to secure the Obligations, a continuing security interest in all of the Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “**Trademark Collateral**”), whether now owned or existing or hereafter acquired or arising:

- (i) each Trademark (as defined in the Second Lien Guarantee and Collateral Agreement) owned by the Grantor, including, without limitation, each Trademark registration and application referred to in

Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark; *provided* that no security interest shall be granted in any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law;

(ii) each Trademark License (as defined in the Second Lien Guarantee and Collateral Agreement) to which the Grantor is a party, including, without limitation, each Trademark License identified in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto; and

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark owned by the Grantor (including, without limitation, any Trademark identified in Schedule 1 hereto), and all rights and benefits of the Grantor under any Trademark License (including, without limitation, any Trademark License identified in Schedule 1 hereto), or for injury to the goodwill associated with any of the foregoing.

The Grantor irrevocably constitutes and appoints the Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of the Grantor or in the Grantee's name, from time to time, in the Grantee's discretion, so long as any Event of Default shall have occurred and be continuing, to take with respect to the Trademark Collateral any and all appropriate action which the Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Second Lien Trademark Security Agreement and to accomplish the purposes hereof.

Except to the extent expressly permitted in the Second Lien Guarantee and Collateral Agreement or the Second Lien Credit Agreement, the Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Grantee pursuant to the Second Lien Guarantee and Collateral Agreement. The Grantor acknowledges and affirms that

the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Second Lien Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Notwithstanding anything herein to the contrary, the obligations of the Grantor under this Second Lien Trademark Security Agreement, (i) the lien and security interest granted to the Collateral Agent pursuant to this Second Lien Trademark Security Agreement, (ii) the release of Collateral from the Lien granted and created hereby and (iii) the exercise of any right or remedy by the Collateral Agent hereunder are, in each case, subject to the provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Second Lien Trademark Security Agreement, the provisions of the Intercreditor Agreement shall control.
