**SHORT FORM
TRADEMARK SECURITY AGREEMENT**

THIS SHORT FORM TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") dated as of March 23, 2012, is by FONA TECHNOLOGIES, INC., an Illinois corporation ("Grantor"), in favor of BMO HARRIS BANK N.A., a national banking association, its successors and assigns ("Grantee").

WITNESSETH:

WHEREAS, Averill Road LLC, an Illinois limited liability company (the "Borrower"), has entered into that certain Credit Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time and in effect, the "Credit Agreement") with the Grantee, pursuant to which Grantee has agreed to make a term loan to the Borrower;

WHEREAS, in connection with the Credit Agreement, (i) Grantor has executed and delivered to Grantee that certain Guaranty dated as of even date herewith in favor of Grantee, and (ii) Grantor and Grantee have entered into that certain General Security Agreement dated as of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Grantee to enter into the Credit Agreement and to induce the Grantee to make extensions of credit to the Borrower pursuant to the Credit Agreement, the Grantor hereby agrees with the Grantee as follows:

Section 1. Defined Terms. Unless otherwise defined herein, terms used herein have the meaning given to them in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the indebtedness secured by the Security Agreement, hereby mortgages and pledges to the Grantee and grants to the Grantee a lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the "Trademark Collateral"):

2.1 all of its trademarks, including, without limitation, those referred to on Schedule 1 hereto;

2.2 all goodwill of the business connected with the use of, and symbolized by, each trademark; and

2.3 all rights to sue at law or in equity for any infringement or other impairment of the foregoing, including the right to receive all proceeds and damages thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Grantee as set forth and pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Interpretive Provisions. The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms. Whenever the context so requires, the neuter gender includes the masculine and feminine, the single number includes the plural, and vice versa, and in particular the word "Grantor" shall be so construed.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

[Remainder of page intentionally left blank; signature pages follow]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
