FIRST LIEN TRADEMARK SECURITY AGREEMENT

This **FIRST LIEN TRADEMARK SECURITY AGREEMENT**, dated as of May 20, 2011 (as it may be amended, restated, supplemented, replaced or otherwise modified from time to time, this “**Agreement**”), is made by the entities identified as grantors on the signature pages hereto (individually, a “**Grantor**” and collectively, the “**Grantors**”) in favor of CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as collateral agent (in such capacity and together with its successors, the “**Collateral Agent**”) for the Secured Parties (as defined in the Security Agreement described below).

WHEREAS, the Grantors are party to a First Lien Guarantee and Collateral Agreement dated as of May 6, 2011 (as the same may be amended, restated, supplemented, replaced or otherwise modified from time to time, the “**Security Agreement**”) between each of the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which each Grantor pledged and granted to the Collateral Agent a security interest in certain property, including the Trademark Collateral (as defined below), and is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor hereby agrees with the Collateral Agent, for the ratable benefit of the Secured Parties, as follows:

SECTION 1. Defined Terms

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security. Each Grantor hereby pledges and grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under the following, in each case wherever located and now owned or at any time hereafter acquired, or arising (collectively, the “**Trademark Collateral**”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor’s Obligations:

- (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, designs and other source or business identifiers, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country, union of countries, or any political subdivision of any of the foregoing, or otherwise, and all common-law rights related thereto, including any of the foregoing listed in Schedule A attached hereto;
- (b) the right to, and to obtain, all renewals thereof;
- (c) the goodwill of the business connected with the use of and symbolized by the foregoing;

- (d) the right to sue or otherwise recover for any past, present and future infringement, dilution or other violation of any of the foregoing or for any injury to goodwill;
- (e) all Proceeds of the foregoing, including license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto; and
- (f) all other rights accruing thereunder or pertaining thereto throughout the world.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein, at no time shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any "intent-to-use" application to register a Trademark in the U.S. Patent and Trademark Office pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such "intent-to-use" application under applicable federal law; provided, however, that at such time as a Statement of Use or Amendment to Allege Use is filed therein such Trademark application shall be considered automatically included in the Trademark Collateral.

SECTION 3. Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Security Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Governing Law

THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 5. Counterparts

This Agreement may be executed in counterparts (and by different parties on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

MOOD MEDIA CORPORATION

By:
