TERMINATION AND RELEASE

This TERMINATION AND RELEASE (as amended, amended and restated or otherwise modified from time to time, the "Termination and Release") is dated May 23, 2012, and made by JP Morgan Chase Bank, N.A., successor in interest to Bank One, N.A., (the "Lender") in favor of Infogix, Inc., (f/k/a Unitech Systems, Inc.) a Delaware corporation ("Assignor");

WITNESSETH

WHEREAS, Assignor and Lender entered into a Credit Agreement (the "Initial Agreement") dated June 30, 2004, a first amendment to the Initial Agreement (the "Credit Amendment") dated June 30, 2006, and a Trademark Security Agreement (the "Trademark Security Agreement") dated as of June 30, 2006 (recorded at the U.S. Patent and Trademark Office at Reel 3445/Frame 0188);

WHEREAS, Assignor's obligations under the Initial Agreement, the Credit Amendment, and the Trademark Security Agreement were secured with a security interest in the Assignor's trademarks, including the trademarks listed on Exhibit A;

WHEREAS, Section 6 of the Trademark Security Agreement provides that the Lender shall take such actions as are necessary to reassign the Trademarks, as defined below, to the Assignor, including the cancellation of the Trademark Security Agreement, upon the Assignor's payment and satisfaction in full of the indebtedness and obligations incurred under the Credit Agreement and related documents, dated June 30, 2004 by and between the Assignor and the Lender; and

WHEREAS, the Assignor has or has caused to be paid and satisfied in full the obligations for which the security interest in the Trademarks was granted as of June 30, 2010.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms set forth in this Termination and Release, Lender hereby terminates and releases the security interests in the Trademarks, including the trademarks listed on the attached Exhibit A, as follows:

1. Incorporation of Prior Agreements. The Initial Agreement, Credit Amendment and Trademark Security Agreement, and their respective terms and provisions thereof, are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Trademark Security Agreement.

2. Release of Security Interests. Lender and Assignor hereby terminate and release their security interests in, assignment of, general lien on and right of set-off of all of the following:

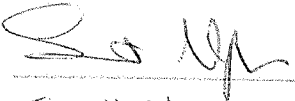

Assignor's right, title and interest existing in and to the Trademarks, including without limitation all renewals thereof, all proceeds of infringement suits to sue for past, present

and future infringements and all rights corresponding thereto in the United States, together with any goodwill of the business in connection with which all such trademarks are used ("Trademarks");

3. Further Assurances. Lender hereby agrees to execute, acknowledge, procure and deliver any further documents and to do such other acts as may be reasonably necessary to effect the release of the security interests and reassignment of any trademark rights contemplated hereby.
