TRADEMARK SECURITY AGREEMENT

June 1, 2012

WHEREAS, EDGEWOOD PARTNERS INSURANCE CENTER (herein called "Grantor") owns certain Trademarks (as defined below) and is a party to certain Trademark Licenses (as defined below); and

WHEREAS, Edgewood Partners Holdings LLC, a Delaware limited liability company, Edgewood Partners Insurance Center, a California corporation (the "Borrower"), U.S. Bank National Association, as administrative agent (in such capacity, the "Administrative Agent" or "Grantee"), and the Lenders party thereto have entered into a Credit Agreement dated as of June 1, 2012 (as from time to time amended, supplemented, restated, increased, extended or otherwise modified, the "Credit Agreement"); and

WHEREAS, pursuant to the terms of the Security Agreement dated as of June 1, 2012 made by Grantor and certain affiliates of Grantor (as from time to time amended, supplemented, restated or otherwise modified, the "Security Agreement"), Grantor has granted to Grantee for the benefit of the Secured Parties (as defined in the Credit Agreement) a continuing security interest in various assets of Grantor, including a continuing security interest in all right, title and interest of Grantor in and to the Trademark Collateral (as defined herein), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations (as such term is defined in the Credit Agreement).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Grantee a continuing security interest, for the benefit of the Secured Parties, in and to all of Grantor's right, title and interest in and to all of the following property (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations, whether now existing or hereafter incurred or arising:

(a) each Trademark in which Grantor has any interest, and all of the goodwill of the business connected with the use of, or symbolized by, each such Trademark;

(b) each Trademark License, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto; and

(c) all proceeds of and revenues from the foregoing, including without limitation all proceeds of and revenues from any claim by Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark, and all rights and benefits of Grantor under any Trademark License, or for injury to the goodwill associated with any of the foregoing.

As used herein:

“Trademark License” means any license or agreement, whether now or hereafter in existence, under which is granted or authorized any right to use any Trademark, including without limitation the agreements identified on Schedule 1 hereto.

“Trademarks” means all of the following: (a) all domestic and foreign trademarks, service marks, trade names, business names, logos, designs, slogans, trade dress and other indicia of service or sponsorship of goods or services, all registrations and applications for registration therefor, including those described in Schedule 1, (b) the goodwill of the business symbolized thereby or associated with each of them, (c) all renewals thereof, (d) all claims for, and rights to sue for, past or future infringements of any of the foregoing, and (e) all income, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing, including damages and payments for past or future infringements thereof.

Grantor hereby irrevocably constitutes and appoints Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of Grantor or in its name, from time to time, in Grantee’s discretion, so long as any Event of Default (as such term is defined in the Credit Agreement) has occurred and is continuing, to take with respect to the Trademark Collateral any and all appropriate action which Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Trademark Security Agreement and to accomplish the purposes hereof.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement. Grantor does hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict or inconsistency between this Patent Security Agreement and the Security Agreement (or any portion hereof or thereof), the terms of the Security Agreement shall prevail.

(Remainder of Page Intentionally Left Blank; Signature Pages Follow)
