TRADEMARK SECURITY AGREEMENT  
(Roofline, Inc.)

THIS TRADEMARK SECURITY AGREEMENT ("Agreement") is dated as of April 24, 2012, by and between ROOFLINE, INC., an Oregon corporation ("Pledgor"), and BANK OF AMERICA, N.A., a national banking association, in its capacity as agent ("Agent"), and is executed and delivered pursuant to that certain Security Agreement, dated as of August 28, 2009 (as amended, restated, supplemented or modified from time to time, the "Security Agreement"), among Pledgor and Agent (all capitalized terms used herein which are not defined herein shall have the meanings therefor specified in the Security Agreement).

RECITALS:

Pursuant to the terms of the Security Agreement, Pledgor has granted to Agent a lien upon and security interest in all Intellectual Property of Pledgor, including, without limitation, all of Pledgor's right, title and interest in, to and under all now owned and hereafter acquired Trademarks (as defined below), together with the goodwill of the business symbolized by Pledgor's Trademarks and Trademark Licenses (as defined below) and all products and proceeds thereof, to secure the payment of the Obligations.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Pledgor hereby grants to Agent a Lien upon and continuing security interest in all of Pledgor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired, as security for the payment and performance of the Obligations:

(1) (a) any written agreement now or hereafter in existence granting to Pledgor any right to use any Trademark ("Trademark License"); (b) all (i) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing appear, all registrations and recordings thereof and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof; (ii) reissues, extensions and renewals thereof; (iii) income, royalties, damages and payments now or hereafter relating to or payable under any of the foregoing, including, without limitation, damages or payments for past or future infringements of any of the foregoing; (iv) rights to sue for past, present and future infringements of any of the foregoing; (v) rights corresponding to any of the foregoing throughout the world; and (vi) goodwill associated with and symbolized by any of the foregoing, in each case, whether now owned or hereafter acquired by Pledgor (all of such items in this clause (b) being referred to herein collectively as the "Trademarks"), including, without limitation, each Trademark described on Schedule 1 attached hereto; (c) each trademark registration ("Trademark Registration"), including, without limitation, each Trademark Registration described on Schedule 1 attached hereto; and (d) each trademark application ("Trademark Application"), including, without limitation, each Trademark Application described on Schedule 1 attached hereto; in each case together with the goodwill of the business symbolized thereby;

(2) each Trademark License, to the extent allowable under the applicable license agreement, including, without limitation, each Trademark License described on Schedule 1 attached hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Pledgor against third parties for past, present or future (a) infringement, dilution or breach of any Trademark, Trademark Registration, Trademark Application or Trademark License, including, without limitation, any Trademark, Trademark Registration or Trademark License described on Schedule 1 attached hereto and any Trademark Registration issued pursuant to a Trademark Application described on Schedule 1 attached hereto, or (b) injury to the goodwill associated with any Trademark, Trademark Registration or Trademark Application.

The lien and security interest created by this Agreement is granted in conjunction with the liens and security interests granted to Agent pursuant to the Security Agreement, which lien and security interest shall be governed by the terms and provisions of the Security Agreement.

Pledgor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Liens and security interests in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
