2. GRANT OF SECURITY INTEREST.

2.1. Security Interest. As collateral security for the payment and performance in full of all of the Obligations, in addition to (but without duplication of) the Collateral granted to the Security Agent, for the benefit of the Security Agent and the other Secured Parties pursuant to the Security Agreement or the Debenture by and among the Guarantors and the Security Agent, each Grantor hereby unconditionally grants to the Security Agent, for the benefit of the Security Agent and the other Secured Parties, a continuing security interest in and first priority lien (subject to Permitted Security) on all of the Grantors' right, title and interest in the Pledged Trademarks, and pledges and mortgages (but does not transfer title to) the Pledged Trademarks to the Security Agent for the benefit of the Security Agent and the other Secured Parties. In addition, each Grantor has executed in blank and delivered to the Security Agent an assignment of federally registered trademarks in substantially the form of Exhibit 1 hereto (the "Assignment of Marks"). Each Grantor hereby authorizes the Security Agent to complete as assignee and record with the PTO the Assignment of Marks upon the occurrence and during the continuance of an Event of Default and the proper exercise of the Security Agent's remedies under this Trademark Agreement and the Security Agreement and the Debenture, as applicable.

2.2. Attachment. Each Grantor acknowledges that (a) value has been given, (b) such Grantor has rights in the Pledged Trademarks (other than after-acquired Pledged Trademarks), and (c) the parties have not agreed to postpone the time of attachment of the security interest created by this Trademark Agreement.

2.3. Conditional Assignment. In addition to, and not by way of limitation of, the grant, pledge and mortgage of the Pledged Trademarks provided in §2.1, each Grantor grants,

assigns, transfers, conveys and sets over to the Security Agent, for the benefit of the Security Agent and the other Secured Parties, such Grantor's entire right, title and interest in and to the Pledged Trademarks; provided that such grant, assignment, transfer and conveyance shall be and become of force and effect only (i) upon or after the occurrence and during the continuance of an Event of Default and (ii) either (A) upon the written demand of the Security Agent at any time during such continuance or (B) immediately and automatically (without notice or action of any kind by the Security Agent) upon an Event of Default for which acceleration of the Notes is automatic under the Note Agreements or upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Security Agreement, the Debenture and applicable law (including the transfer or other disposition of the Collateral by either Grantor to the Security Agent or its nominee in lieu of foreclosure).

2.4. Supplemental to Security Agreement and Debenture. Pursuant to the Security Agreement and the Debenture, as applicable, each Grantor has granted to the Security Agent, for the benefit of the Security Agent and the other Secured Parties, a continuing security interest in and lien on the Collateral (including the Pledged Trademarks). Each of the Security Agreement and the Debenture, and all rights and interests of the Security Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Trademark Agreement, the grant, assignment, transfer and conveyance of the Pledged Trademarks hereunder, or the recordation of this Trademark Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the Debenture, the security interest of the Security Agent in the Collateral (including the Pledged Trademarks) pursuant to the Security Agreement, the Debenture and this Trademark Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code (including the security interest in the Pledged Marks), or any present or future rights and interests of the Security Agent in and to the Collateral under or in connection with the Security Agreement, the Debenture, this Trademark Agreement or the Uniform Commercial Code. Any and all rights and interests of the Security Agent in and to the Pledged Trademarks (and any and all obligations of either Grantor with respect to the Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Security Agent (and the obligations of either Grantor) in, to or with respect to the Collateral (including the Pledged Trademarks) provided in or arising under or in connection with the Security Agreement and the Debenture and shall not be in derogation thereof.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Each Grantor represents, warrants and covenants that: (a) Schedule A sets forth a true and complete list of all Trademarks and Trademark Registrations now owned, licensed, controlled or used by such Grantor, including, without limitation, any common law Trademarks that are material to the operation of such Grantor's business; (b) the Trademarks and Trademark Registrations on Schedule A are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Trademarks or Trademark Registrations; (c) to the best of such Grantor's knowledge, each of the Trademarks and Trademark Registrations on Schedule A is valid and enforceable; (d) to the best of such Grantor's knowledge, there is no infringement by others of

the Trademarks, Trademark Registrations or Trademark Rights on Schedule A; (e) no claim has been made that the use of any of the Trademarks on Schedule A does or may violate the rights of any third person, and to the best of such Grantor's knowledge, there is no infringement by such Grantor of the trademark rights of others; (f) such Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks on Schedule A (other than ownership and other rights reserved by third party owners with respect to Trademarks that such Grantor is licensed to use), free and clear of any liens, charges, encumbrances and adverse claims, including pledges, assignments, licenses, registered user agreements and covenants by such Grantor not to sue third persons, other than the security interest and assignment created by the Security Agreement, the Debenture, this Trademark Agreement and any Permitted Security; (g) such Grantor has the unqualified right to enter into this Trademark Agreement and to perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents, consultants, licensors and licensees which will enable it to comply with the covenants herein contained except to the extent the failure to do so will not result in a Material Adverse Effect; (h) such Grantor has used, and will continue to use, proper statutory and other appropriate proprietary notices in connection with its use of the Trademarks material to the operation of such Grantor's business; (i) such Grantor has used, and will continue to use for the duration of this Trademark Agreement, consistent standards of quality in its manufacture and provision of products and services sold or provided under the Trademarks material to the operation of such Grantor's business; (j) this Trademark Agreement, together with the Security Agreement and the Debenture, will create in favor of the Security Agent a valid and perfected first priority security interest in the Pledged Trademarks (subject to Permitted Security) upon making the filings referred to in clause (l) of this §3; and (l) except for the filing of financing statements with the Secretary of State of the State of New York and the Office of the Recorder of Deeds in the District of Columbia under the Uniform Commercial Code and the recording of this Trademark Agreement with the PTO, no authorization, approval or other action by, and no notice to or filing with, any U.S. governmental or regulatory authority, agency or office is required either (i) for the grant by such Grantor or the effectiveness of the security interest and assignment granted hereby or for the execution, delivery and performance of this Trademark Agreement by such Grantor, or (ii) for the perfection of or the exercise by the Security Agent of any of its rights and remedies hereunder.

4. NO TRANSFER OR INCONSISTENT AGREEMENTS.

Without the Security Agent's and the Instructing Group's prior written consent, neither Grantor will (a) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Pledged Trademarks material to the operation of such Grantor's business, or (b) enter into any agreement (for example, a license agreement) that is inconsistent with such Grantor's obligations under this Trademark Agreement or the Security Agreement or the Debenture.

5. AFTER-ACQUIRED TRADEMARKS, ETC.

5.1. After-acquired Trademarks. If, before the Obligations shall have been finally paid and satisfied in full, either Grantor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights, the provisions of this

Trademark Agreement shall automatically apply thereto and such Grantor shall promptly provide to the Security Agent notice thereof in writing and execute and deliver to the Security Agent such documents or instruments as the Security Agent may reasonably request further to implement, preserve or evidence the Security Agent's interest therein.

5.2. Amendment to Schedule. Each Grantor authorizes the Security Agent to modify this Trademark Agreement and the Assignment of Marks, without the necessity of such Grantor's further approval or signature, by amending Schedule A hereto and the Annex to the Assignment of Marks to include any future or other Trademarks, Trademark Registrations or Trademark Rights under §2 or this §5.

6. TRADEMARK PROSECUTION.

6.1. Grantor Responsible. Each Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Pledged Trademarks, and shall hold each of the Security Agent and the other Secured Parties harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Security Agent or any other Secured Party in connection with the Security Agent's interest in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby.

6.2. Grantor's Duties, etc. With respect to the Trademarks for which it is the Grantor, each Grantor shall have the right and the duty to prosecute diligently any trademark registration applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter, to preserve and maintain all rights in the Trademarks and Trademark Registrations, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademark Registrations and the payment when due of all registration renewal fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademarks or Trademark Registrations except in each case where the failure to do so would not have a Material Adverse Effect. Any expenses incurred in connection with such applications and actions shall be borne by such Grantor. Neither Grantor shall abandon any filed Trademark registration application, or any Trademark Registration or Trademark, without the consent of the Security Agent, which consent shall not be unreasonably withheld, except in each case where the failure to do so would not have a Material Adverse Effect.

6.3. Grantor's Enforcement Rights. With respect to the Trademarks for which it is the Grantor, each Grantor shall have the right and the duty to bring suit or other action in such Grantor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights except in each case where the failure to do so would not have a Material Adverse Effect. Each Grantor may require the Security Agent to join in such suit or action at the request of a Grantor as necessary to assure such Grantor's ability to bring and maintain any such suit or action in any proper forum if (but only if) (i) the Security Agent is completely satisfied that such joinder will not subject the Security Agent or any other Secured Party to any risk of liability and (ii) the Security Agent is completely satisfied with any indemnity thereto. Each Grantor shall promptly, upon demand, reimburse and indemnify the Security Agent and the

Secured Parties for all damages, costs and expenses, including legal fees, incurred by the Security Agent and any of the Secured Parties pursuant to this §6.

6.4. Protection of Trademarks, etc. In general, each Grantor shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks. Neither Grantor shall take or fail to take any action, nor permit any action to be taken or not taken by others under its control, that would materially adversely affect the validity, grant or enforcement of the Pledged Trademarks.

6.5. Notification by Grantors. Promptly upon obtaining knowledge thereof, the Grantors will notify the Security Agent in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks or Trademark Registrations material to the operation of such Grantor's business or the Grantors' rights, title or interests in and to the Pledged Trademarks, and of any event that does or reasonably could materially adversely affect the value of any of the Pledged Trademarks material to the operation of such Grantor's business, the ability of either Grantor or the Security Agent to dispose of any of the Pledged Trademarks material to the operation of such Grantor's business or the rights and remedies of the Security Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks).

7. REMEDIES.

Upon the occurrence and during the continuance of an Event of Default, the Security Agent shall have, in addition to all other rights and remedies given it by this Trademark Agreement (including, without limitation, those set forth in the Note Agreements, the Security Agreement, the Debenture and the other Debt Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of New York), and, without limiting the generality of the foregoing, the Security Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to either Grantor, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Pledged Trademarks, or any interest that such Grantor may have therein, and after deducting from the proceeds of sale or other disposition of the Pledged Trademarks all expenses incurred by the Security Agent in attempting to enforce this Trademark Agreement (including all reasonable expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in or by reference in the Intercreditor Agreement. Notice of any sale, license or other disposition of the Pledged Trademarks shall be given to the applicable Grantor at least ten (10) days before the time that any intended public sale or other public disposition of the Pledged Trademarks is to be made or after which any private sale or other private disposition of the Pledged Trademarks may be made, which each Grantor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Security Agent may, to the extent permitted under applicable law, purchase or license the whole or any part of the Pledged Trademarks or interests therein sold, licensed or otherwise disposed of.

8. COLLATERAL PROTECTION.

If either Grantor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of either Grantor shall be breached, the Security Agent, in its own name or that of such Grantor (in the sole discretion of the Security Agent), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and such Grantor agrees promptly to reimburse the Security Agent for any and all costs and expenses, including legal fees, incurred by the Security Agent in so doing.

9. POWER OF ATTORNEY.

If any Event of Default shall have occurred and be continuing, each Grantor does hereby make, constitute and appoint the Security Agent (and any officer or agent of the Security Agent as the Security Agent may select in its exclusive discretion) as such Grantor's true and lawful attorney-in-fact, with full power of substitution and with the power to endorse such Grantor's name on all applications, documents, papers and instruments necessary for the Security Agent to use the Pledged Trademarks, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Trademarks to any third person, or to take any and all actions necessary for the Security Agent to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Trademarks or any interest of such Grantor therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts that such Grantor is obligated to execute and do hereunder. Each Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done in accordance with the terms of this Trademark Agreement by virtue hereof and releases each of the Security Agent and each other Secured Party from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Security Agent under this power of attorney (except for the Security Agent's gross negligence or willful misconduct). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Trademark Agreement.

10. FURTHER ASSURANCES.

The Grantors shall, at any time and from time to time, and at their expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Security Agent or the Instructing Group may request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Security Agent the grant, perfection and priority of the Security Agent's security interest in the Pledged Trademarks.

11. TERMINATION.
