EXECUTION VERSION

**TERMINATION AND RELEASE OF SECURITY INTEREST
IN INTELLECTUAL PROPERTY COLLATERAL**

TERMINATION AND RELEASE, dated as of May 1, 2007, from Bear Stearns Corporate Lending Inc., as administrative agent (in such capacity, the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement referred to below), to Clarke American Corp., a Delaware corporation (the "Borrower"), and each of the other listed on Annex A hereto (collectively with the Borrower, the "Grantors"). Capitalized terms used herein without definition are used as defined in the Credit Agreement, dated as of December 15, 2005, by and among the Borrower, CA Acquisition Holdings, Inc., a Delaware corporation, the banks and other financial institutions and entities from time to time party thereto, JPMorgan Chase Bank, N.A., as syndication agent, Amegy Bank N.A. and Natexis Banques Populaires, as co-documentation agents, and the Administrative Agent (as amended, supplemented, replaced or otherwise modified from time to time, the "Credit Agreement").

WITNESSETH:

WHEREAS, it was a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement that the Grantors shall have executed and delivered that certain Guarantee and Collateral Agreement, dated as of December 15, 2005, in favor of the Administrative Agent (as amended, supplemented, replaced or otherwise modified from time to time, the "Guarantee and Collateral Agreement");

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantors granted a security interest (the "Security Interest") to the Administrative Agent, for the ratable benefit of the Secured Parties, in and to certain Intellectual Property Collateral (as defined below);

WHEREAS, in connection with the execution of the Guarantee and Collateral Agreement and the grant of the Security Interest, the Grantors agreed to execute that certain Intellectual Property Security Agreement, dated as of December 15, 2005 (the "IP Security Agreement"), in favor of the Administrative Agent; and

WHEREAS, the Administrative Agent now desires to terminate and release the entirety of its Security Interest in the Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration including the satisfaction of all obligations, indebtedness and liabilities secured by the Intellectual Property Collateral pursuant to the Credit Agreement, the Guarantee and Collateral Agreement and the IP Security Agreement, the receipt and adequacy of which are hereby acknowledged, and upon the terms set forth in this Termination and Release, the Administrative Agent hereby agrees as follows:

SECTION 1. Intellectual Property Collateral. The term "Intellectual Property Collateral," as used herein, shall mean:

(a) (i) all trademarks, trade names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule A, (ii) the right to obtain all renewals thereof, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above;

(b) (i) all letters patent of the United States, any other country or any political subdivision thereof and all reissues and extensions thereof, including, without limitation, any of the foregoing referred to in Schedule B, (ii) all applications for letters patent of the United States or any other country and all divisions, continuations and continuations-in-part thereof, including, without limitation, any of the foregoing referred to in Schedule 2, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof and (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof);

(c) (i) all copyrights arising under the laws of the United States, any other country or any political subdivision thereof, whether registered or unregistered and whether published or unpublished (including, without limitation, those listed in Schedule C), all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, all registrations, recordings and applications in the United States Copyright Office, (ii) the right to obtain all renewals thereof, (iii) the rights to print, publish and distribute any of the foregoing, (iv) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (v) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof) and (vi) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(d) (i) all trade secrets and all confidential and proprietary information, including know-how, manufacturing and production processes and techniques,

inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, including, without limitation, any of the foregoing identified in Schedule D, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(e) (i) all licenses or agreements registered in the United States Patent and Trademark Office providing for the grant by or to any Grantor of: (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Schedule E, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto; and

(f) any and all proceeds of the foregoing.

SECTION 2. Release of Security Interest. The Administrative Agent hereby terminates, releases and discharges its Security Interest in the Intellectual Property Collateral and any right, title or interest of the Administrative Agent in or to such Intellectual Property Collateral shall hereby cease and become void.

SECTION 3. Further Assurances. The Administrative Agent shall execute and deliver to the Grantors all further releases and other documents (including without limitation Uniform Commercial Code termination statements), and take all other actions necessary or reasonably desirable for the release of such Security Interest.

SECTION 4. Recordation. The Administrative Agent authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Termination and Release.

SECTION 5. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Governing Law. This Termination and Release shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, the undersigned has executed this Termination and Release by its duly authorized officer as of the date first above written.
