INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement ("Agreement") is made between JDS Uniphase Corporation, a Delaware corporation (the "Company"), and JDSU Acquisition XIII, Inc., a Delaware corporation ("Assignor").

WHEREAS, Assignor will be merged with and into Company, with Company assuming all assets, rights, obligations, and liabilities of Assignor (the "Merger").

WHEREAS, as part of the Merger, Assignor desires to assign to Company, among other assets, all intellectual property owned by Assignor.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Company and Assignor agree as follows.

1. Assignment. Assignor hereby assigns to Company exclusively throughout the world all right, title and interest (choate or inchoate) in (i) all Assignor technology, including all precursors, portions and work in progress with respect thereto and all inventions, works of authorship, mask works, processes, information, know-how, materials and tools relating thereto or to the development, support or maintenance thereof and (ii) all copyrights, patent rights (including applications and registrations therefor, all divisions, continuations, continuations-in-part, reexaminations, substitutions, reissues, extensions, and renewals of such applications and registrations, and the right to apply for any of the foregoing), trade secret rights, trademark rights, mask works rights and all other intellectual and industrial property rights of any sort, and all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing), including without limitation those patents identified on Exhibit A hereto (collectively "Intellectual Property").

2. Further Assurances, Power of Attorney. Assignor agrees to assist the Company in every legal way to evidence, record and perfect the Section 1 assignment and to apply for and obtain recordation of and from time to time enforce, maintain, and defend the assigned rights. If the Company is unable for any reason whatsoever to secure the Assignor's signature to any document it is entitled to under this Section 2, Assignor hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as its agents and attorneys-in-fact with full power of substitution to act for and on his behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.

3. Other. This Agreement shall be effective upon the effective date of the Merger. This Agreement shall be construed pursuant to the laws of the State of Delaware and the United States. Any waivers or amendments shall be effective only if made in a writing signed by the parties. This Agreement is the entire and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements relating to the subject matter of this Agreement.
