WHEREAS, pursuant to the Security Agreements and IP Security Agreements, Assignee granted to Assignor a security interest in all of Assignee’s right, title and interest in and to certain intellectual property;

WHEREAS, Assignee has fully satisfied all the obligations under the Security Agreements, sufficiency of which is confirmed and acknowledged by Assignor; and

WHEREAS, pursuant to the Payoff Letter dated August 20, 2012, Assignor has agreed to release, relinquish and discharge all of its right, title and interest in and to Assignee’s intellectual property, including the Copyright Collateral, the Patent Collateral, and the Trademark Collateral, including those Copyrights, Patents, and Trademark set forth on Schedule A attached hereto (collectively, “Intellectual Property Collateral”), and this Release is intended to confirm the foregoing release and termination of all pledges, grants, assignments, liens and security interests, and all other rights and interests granted under the Security Agreements in and to the Intellectual Property Collateral.
