INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**IP Security Agreement**”) dated October 1, 2012, is made by **G6 HOSPITALITY IP LLC**, a Delaware limited liability company, having an office at c/o The Blackstone Group, 345 Park Avenue, New York, New York 10154 (“**Pledgor**”), in favor of **JPMORGAN CHASE BANK, NATIONAL ASSOCIATION**, a banking association chartered under the laws of the United States of America, having an address at 383 Madison Avenue, New York, New York 10179, **GERMAN AMERICAN CAPITAL CORPORATION**, a Maryland corporation, having an address at 60 Wall Street, New York, New York 10005, and **CITIGROUP GLOBAL MARKETS REALTY CORP.**, a New York corporation, having an address at 388 Greenwich Street, 19th Floor, New York, New York 10013 (together with their respective successors and assigns, each, a “**Co-Lender**” and, collectively, “**Lender**”),

WHEREAS, the Lender has entered into the Loan Documents dated as of October 1, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Loan Documents**”), pursuant to which the Lender has agreed to make loans to certain Borrowers thereto, secured by the liens and security interests of certain security agreements.

WHEREAS, in connection with the Loan Documents, the Pledgor and the Lender have entered into the Intellectual Property Security Agreement dated October 1, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Intellectual Property Security Agreement**”) in order to induce the Lender to make loan specified in the Loan Documents.

WHEREAS, under the terms of the Intellectual Property Security Agreement, the Pledgor has granted to the Lender, a security interest in, among other property, certain intellectual property of the Pledgor, and have agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. The Pledgor hereby grants to the Lender a security interest in all of such Pledgor’s right, title and interest in and to the following (the “**Collateral**”):

- (a) the United States Patents (as defined in the Intellectual Property Security Agreement) set forth in Schedule A hereto;
- (b) the United States registered Trademarks (as defined in the Intellectual Property Security Agreement) and Trademarks for which United States applications are pending, which are set forth in Schedule B hereto; and
- (c) the United States registrations of Copyrights (as defined in the Intellectual Property Security Agreement) set forth in Schedule C hereto.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Pledgor under this IP Security Agreement secures the payment of all Obligations of

such Pledgor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this IP Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by such Pledgor to any Secured Party under the Loan Documents but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This IP Security Agreement has been executed and delivered by the Pledgor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and the United States Copyright Office. The Pledgor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Intellectual Property Security Agreement. The Pledgor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of the Lender with respect to the Collateral are more fully set forth in the Intellectual Property Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Intellectual Property Security Agreement, the terms of the Intellectual Property Security Agreement shall govern.

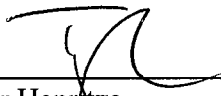

SECTION 6. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Severability. In case any one or more of the provisions contained in this IP Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Intellectual Property Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
