- a) the trademark and service mark registrations and applications set forth on Schedule A hereto (provided that no security interest was granted in any trademark, whether registered, unregistered or applied for, to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such trademark under applicable federal law), together with the goodwill symbolized thereby (the “Trademarks”);
- b) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
