TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of December 27, 2012 (the "Effective Date"), is made by The Coryn Group II LLC, a Delaware limited liability company (the "Grantor"), in favor of MF Holdco 3, LP, a Delaware limited partnership, as collateral agent on behalf of the Lenders as defined in the Term Loan Agreement referred to below (the "Secured Party").

WITNESSETH:

WHEREAS, ALG USA Holdings, LLC, a Delaware limited liability company, ALG B.V., a *besloten vennootschap* organized under the laws of the Netherlands and registered with the trade register of the Dutch Chamber of Commerce under the number 56660847, and ALG Intermediate Holdings B.V., a *besloten vennootschap* organized under the laws of the Netherlands and registered with the trade register of the Dutch Chamber of Commerce under the number 56660707 have entered into a Term Loan Agreement dated as of December 27, 2012 (such agreement, as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the "Term Loan Agreement"), with the Lenders (as that term is defined in the Term Loan Agreement) and the Secured Party;

WHEREAS, Grantor and certain of its affiliates have entered into a Security Agreement, dated as of December 27, 2012, with the Secured Party (such agreement, as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Secured Party, for the benefit of the Lenders, this Trademark Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Definitions. Unless otherwise defined herein, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Term Loan Agreement and the Security Agreement.

SECTION 2. Grant of Security Interest. To secure payment of all of the Obligations, the Grantor hereby grants to the Secured Party a continuing security interest in all right, title and interest, whether now or hereafter existing and whether now owned or hereafter acquired, in and to the following Collateral (the "Trademark Collateral"):

- (a) all United States trademark registrations and trademark applications (collectively, "Trademarks"), including those referred to in Attachment 1 hereto;
- (b) all Trademark Licenses to the extent the grant of a security interest in such Trademark License would not constitute or result in a breach, termination or default thereunder or otherwise be prohibited by applicable law;

(c) all reissues, reexaminations, extensions or renewals of any of the items described in clause (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in clause (a) and (b); and

(e) all products and proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present, or future infringement or dilution of any Trademark or Trademark License, or for any injury to the goodwill associated with the use of any Trademark or Trademark License or for enforcement of any Trademark or Trademark License.

Notwithstanding the foregoing, no grant of any security interest shall be deemed granted hereunder on or in any "intent to use" Trademark application until such time as a statement of use has been filed and accepted by the United States Patent and Trademark Office with respect to such application.

SECTION 3. Security Agreement. The parties hereto have entered into this Agreement for the purpose of registering the security interest of the Lenders in the Trademark Collateral with the United States Patent and Trademark Office.

SECTION 4. Further Assurances. Grantor agrees to deliver updated copies of Attachment 1 hereto within thirty (30) days after the end of each fiscal quarter if Grantor acquires any material U.S. trademark, service mark, trade name or service name not listed on Attachment 1 hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Grantor, such further instruments or documents (in form and substance reasonably satisfactory to the Secured Party), and promptly perform, or cause to be promptly performed, upon the reasonable request of the Administrative Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Secured Party, to provide, perfect and preserve the security interest of the Secured Party granted pursuant to the Security Agreement or this Trademark Security Agreement in the Trademark Collateral or any portion thereof.

SECTION 5. Release of Security Interest. Upon the payment in full of all Obligations, the security interests created by this Agreement shall automatically terminate, all without delivery of any instrument or performance of any act by any Person. The Secured Party shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents, and take all other actions reasonably requested by the Grantor, as may be necessary or proper to release the security interest in the Trademark Collateral which has been granted hereunder and to record such release in the United States Patent and Trademark Office.

SECTION 6. Acknowledgment. The Grantor hereby acknowledges and affirms that the rights and remedies of the Lenders and the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Term Loan Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of a

conflict between the provisions of this Agreement and the Security Agreement, the Security Agreement shall control.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the Effective Date.
