TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of December 14, 2012, is made by **Dr. Fresh, LLC**, a Delaware limited liability company (the "Company"), in favor of **Fifth Third Bank**, an Ohio banking corporation, in its capacity as agent (in such capacity, the "Agent") for the lenders from time to time party to the Credit Agreement referred to below (the "Lenders").

RECITALS

WHEREAS, the Company, the other Obligors party thereto, the Lenders and the Agent are parties to a Credit Agreement dated as of May 15, 2012 (as amended by the Amendment (as defined below) and as otherwise amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"; terms defined in the Credit Agreement which are used herein shall have the same meanings as are set forth in the Credit Agreement for such terms unless otherwise defined herein), pursuant to which the Lenders have agreed to make certain loans to the Company;

WHEREAS, the Company, the other Obligors party thereto, and the Agent are parties to (a) a Security Agreement dated as of May 15, 2012 (as amended by the Amendment and as otherwise amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), and (b) a Patent, Copyright, License and Trademark Security Agreement dated as of May 15, 2012 (as amended by the Amendment and as otherwise amended, restated, supplemented or otherwise modified from time to time, the "IP Security Agreement");

WHEREAS, the Company, the other Obligors party thereto, the Lenders and the Agent are parties to an Amendment No. 1 to Credit Agreement dated as of December 14, 2012 (the "Amendment") which, among other things, amends the Credit Agreement, the Security Agreement and the IP Security Agreement; and

WHEREAS, pursuant to the terms of the Security Agreement and the IP Security Agreement, the Company has granted to the Agent, for the benefit of itself and the Lenders, a security interest in substantially all the assets of the Company, including all right, title and interest of the Company in, to and under all now existing and hereafter arising service marks, trademarks, trademark or service mark registrations, trademark or service mark applications and trade names, all renewals thereof, all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto arising in favor of the Company, and the goodwill of the Company's business connected with and symbolized thereby, to secure the payment and performance in full of all amounts owing by the Company under the Credit Agreement and the other Financing Agreements (as defined in the Credit Agreement);

NOW, THEREFORE, in consideration of the mutual agreements set forth herein and in the Credit Agreement, the Company hereby grants to the Agent, for the benefit of itself and the Lenders a security interest in all of the Company's right, title and interest in and to the following, whether now existing and hereafter arising:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, and all renewals thereof, together with the goodwill of the Company's business connected with and symbolized thereby;
- (2) all license agreements with any other Person or Persons with respect to any service marks, trademarks, trademark or service mark registrations, trademark or service mark applications and trade names, whether the Company is a licensor or licensee under any such license agreements, and, subject to the terms of such licenses, the right to prepare for sale, sell and advertise for sale, all inventory now or hereafter owned by the Company and now or hereafter covered by such licenses; and
- (3) all products and proceeds of the foregoing, including, without limitation, all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto arising in favor of the Company (items 1 through 3 being herein collectively referred to as the "Trademark Collateral").

This security interest is granted in conjunction with the security interests granted to the Agent, for the benefit of itself and the Lenders, pursuant to the Security Agreement and the IP Security Agreement and is subject to limitations set forth therein. In the event of any conflict between any provision of this Agreement and any provision of the Security Agreement or the IP Security Agreement, the Security Agreement or the IP Security Agreement, respectively, will govern. Each of the Company and the Agent hereby acknowledges and affirms that the rights and remedies of the Agent and each Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the Security Agreement and the IP Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW, BUT EXCLUDING ALL OTHER CHOICE OF LAW AND CONFLICTS OF LAW RULES).
