**CONFIRMATORY GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS**

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Confirmatory Grant") is made effective as of January 7, 2013 by and from PILOT CHEMICAL HOLDINGS, INC., a Delaware corporation ("Grantor"), to and in favor of U.S. BANK NATIONAL ASSOCIATION, for itself and as Administrative Agent for the Holders of Secured Obligations (as defined in the Security Agreement referenced below) (in such capacities, "Grantee").

WHEREAS, Grantor, Pilot Chemical Corp., a Delaware corporation, Pilot Chemical of California, a California corporation, Pilot Chemical Company of Ohio, an Ohio corporation, Pilot Laboratories, Inc., a New Jersey corporation and Pilot Industries of Texas, Inc., a Texas corporation (collectively with Grantor, the "Borrowers" and each individually, a "Borrower"), the Lenders and Grantee have entered into a Credit Agreement dated as of the date hereof (as may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, Grantor, the Borrowers and certain other Subsidiaries of the Borrowers have guaranteed the repayment of the Secured Obligations pursuant to a Guaranty dated as of the date hereof (as may be amended, restated, supplemented or otherwise modified from time to time).

WHEREAS, Grantor, the Borrowers and certain other Subsidiaries of the Borrowers have entered into a Security Agreement dated as of the date hereof (as may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

WHEREAS, Grantor owns the trademarks listed on Exhibit A attached hereto (the "Trademarks"), which Trademarks are pending or registered with the United States Patent and Trademark Office.

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted under the Security Agreement to Grantee for the benefit of the Holders of Secured Obligations. The rights and remedies of Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the prompt and complete payment and performance of all the Secured Obligations. Upon termination of the Security Agreement, Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under the Security Agreement and this Confirmatory Grant.

(b) Grantor hereby grants to Grantee a security interest in (1) all of Grantor's right, title and interest in and to the Trademarks now owned or from time to time after the date hereof owned or acquired by Grantor, together with (2) all proceeds of such Trademarks, (3) the goodwill associated with such Trademarks and (4) all causes of action arising prior to or after the date hereof for infringement of such Trademarks or unfair competition regarding the same.

3) Counterparts. This Confirmatory Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

\*\*\*\*\*

IN WITNESS WHEREOF, Grantor has executed this Confirmatory Grant effective as of the date first written above.
