TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of April 16, 2013, by AMERICAN BUILDERS & CONTRACTORS SUPPLY CO., INC., AMCRAFT BUILDING PRODUCTS CO., INC. and MULEHIDE PRODUCTS CO., INC. (individually, a “Grantor”, and, collectively, the “Grantors”), in favor of BANK OF AMERICA, N.A., in its capacity as agent (in such capacity, the “Agent”) pursuant to the Amended and Restated Loan and Guaranty Agreement, dated as of April 16, 2013 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among ABC Supply Holding Corp., a Delaware corporation, (“Holdings”), American Builders & Contractors Supply Co., Inc., a Delaware corporation, (the “Borrower”), the Guarantors from time to time party thereto, the financial institutions party to the Credit Agreement from time to time as lenders (the “Lenders”) and the Agent as agent for the Lenders and Issuing Bank.

WITNESSETH:

WHEREAS, the Grantors are party to the ABL Security Agreement dated as of April 16, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), in favor of the Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor:

(a) registered Trademarks of such Grantor listed on Schedule I attached hereto.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.13 thereof, the Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. ABL Intercreditor Agreement. Notwithstanding any provision to the contrary contained herein, the terms of this Trademark Security Agreement, the Liens created hereby and the rights and remedies of the Agent hereunder are subject to the terms of the ABL Intercreditor Agreement. In the

event of any conflict or inconsistency between the terms of this Trademark Security Agreement and the ABL Intercreditor Agreement, the terms of the ABL Intercreditor Agreement shall govern.
