Trademark Security Agreement

Trademark Security Agreement, dated as of March 21, 2013, by each of the undersigned (each individually, a "Pledgor", and, collectively, the "Pledgors"), in favor of THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., in its capacity as trustee (in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS, each Pledgor is party to a Security Agreement dated as of December 21, 2011 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") in favor of the Collateral Agent pursuant to which each Pledgor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, each Pledgor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Obligations, each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Geon Debenture Holders a lien on and security interest in all of the right, title and interest of such Pledgor in, to and under the following Collateral, wherever located, whether now existing or hereafter arising or acquired from time to time (collectively, the "Trademark Collateral"):

(a) the registered or applied for Trademarks of each Pledgor listed on Schedule I attached hereto;

(b) all Goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing, including the Proceeds of any claim by each Pledgor against third parties for past, present or future (i) infringement or dilution of any Trademark, (ii) injury to the Goodwill associated with any Trademark, and (iii) right to receive license fees, royalties, and other compensation for such Trademark.

Notwithstanding anything to the contrary contained herein, the security interest created by this Trademark Security Agreement shall not extend to, and the term "Trademark Collateral" shall not include, any Excluded Property.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to be inconsistent with or in conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon payment in full of the Obligations in accordance with the provisions of the Geon Indenture, the Collateral Agent shall execute, acknowledge, and deliver to each Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of any executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.
