**INTELLECTUAL PROPERTY SECURITY AGREEMENT**

**THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this "Intellectual Property Security Agreement"), dated as of December 21, 2012, is made by the Persons named on Schedule V hereto and signatory hereto (each a "Grantor" and, collectively, the "Grantors"), with offices at the locations set forth on Schedule IV hereto, in favor of **GENERAL ELECTRIC CAPITAL CORPORATION**, a Delaware corporation, acting in its capacity as Administrative Agent for the Lending Parties under the Amended and Restated Credit Agreement described below, with offices at 500 West Monroe Street, Chicago, Illinois 60661 (the "Administrative Agent").

**WITNESSETH:**

**WHEREAS**, pursuant to that certain Amended and Restated Credit Agreement dated as of October 22, 2010 by and among CorePharma, L.L.C. and Amedra Pharmaceuticals LLC (the "Borrowers"), the other Credit Parties signatory thereto, the Lending Parties signatory thereto and General Electric Capital Corporation (collectively, the "Lending Parties") (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented, extended replaced or otherwise modified, the "Credit Agreement"), the Lending Parties have agreed, subject to the terms and conditions provided therein, to make certain loans and other financial accommodations for the benefit of the Borrower and the other Grantors;

**WHEREAS**, Administrative Agent and the Lending Parties are willing to make the financial accommodations as provided for in the Credit Agreement, but only upon the condition, among others, that Borrower and each Guarantor (including the Grantors) shall have executed and delivered to the Administrative Agent, for itself and the ratable benefit of Lending Parties, that certain Amended and Restated Holdings Security Agreement or that certain Amended and Restated Parent Security Agreement, as applicable, each dated as of October 22, 2010, and that certain Subsidiary Security Agreement or that certain Second Amended and Restated Borrower Security Agreement, each dated as of October 2, 2012 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, collectively, the "Security Agreements");

**WHEREAS**, each Grantor has previously executed (i) that certain Amended and Restated Intellectual Property Security Agreement dated as of October 22, 2010 (the "First IP Security Agreement"), and (ii) that certain Intellectual Property Security Agreement dated as of April 9, 2012 (the "Second IP Security Agreement"; collectively with the First IP Security Agreement, the "Prior IP Security Agreements"), and pursuant to the Credit Agreement and the Security Agreements, each Grantor is required to execute and deliver to Administrative Agent, for itself and the ratable benefit of the Lending Parties, this Intellectual Property Security Agreement.

**NOW, THEREFORE**, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **Definitions.** All capitalized terms used but not otherwise defined herein have the meanings given to them in **Section 1.1** of the Credit Agreement.

2. **Grant of Security Interest.** To secure the prompt and complete payment and performance of all of the Obligations, each Grantor hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to Administrative Agent, for itself and the benefit of the Lending Parties, a Lien upon all of its right, title and interest of such Grantor in, to and under the following, whether presently existing or hereafter created or acquired (collectively, with respect to each Grantor, the "Intellectual Property Collateral"):

(a) all of its Patents including those referred to on Schedule I hereto and Patent Licenses to which it is a party;

(b) all of its Trademarks including those referred to on Schedule II hereto and Trademark Licenses to which it is a party;

(c) all of its Copyrights including those referred to on Schedule III hereto and Copyright Licenses to which it is a party;

(d) all reissues, continuations or extensions of the foregoing;

(e) all goodwill of the business connected with the use of, and symbolized by, each Patent, each Patent License, each Trademark, each Trademark License, each Copyright and each Copyright License; and

(f) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Patent or Patent licensed under any Patent License, (ii) injury to the goodwill associated with any Patent or any Patent licensed under any Patent License, (iii) infringement or dilution of any Trademark or Trademark licensed under any Trademark License, (iv) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License, (v) infringement or dilution of any Copyright or Copyright licensed under any Copyright License, and (vi) injury to the goodwill associated with any Copyright or any Copyright licensed under any Copyright License.

Notwithstanding anything in this Section to the contrary, the following shall not constitute "Intellectual Property Collateral" hereunder: any intent-to-use trademark application to the extent and for so long as creation by the Grantor of a security interest therein would result in the abandonment, invalidation or unenforceability thereof.

3. **Representations and Warranties.** Each Grantor represents and warrants to the Administrative Agent and the Lending Parties that such Grantor does not have any interest in, or title to, any Patent, registered Trademark or registered Copyright except as set forth in Schedule I, Schedule II and Schedule III, respectively, hereto, and as set forth in Schedule I, Schedule II and Schedule III, respectively, to the Prior IP Security Agreements. This Intellectual Property Security Agreement is effective to create a valid and continuing Lien on and, upon the recording hereof by the United States Copyright Office and the United States Patent and Trademark Office, perfected Liens in favor of Administrative Agent (for the benefit of itself and the Lending

Parties) on each Grantor's Patents, Trademarks and Copyrights set forth in Schedule I, Schedule II and Schedule III, respectively, hereto, and such perfected Liens are enforceable as such as against any and all creditors of and purchasers from any Grantor to the extent that recording in the United States Copyright Office and the United States Patent and Trademark Office is effective to do so and subject to the proviso in the next sentence. Upon recording of this Intellectual Property Security Agreement by the United States Copyright Office and the United States Patent and Trademark Office and the filing of appropriate financing statements in the jurisdictions listed on Schedule I to the Security Agreements, all action necessary or desirable to protect and perfect Administrative Agent's Lien on each Grantor's Patents, Trademarks or Copyrights shall have been duly taken; provided, however, that the subsequent recordation of this Intellectual Property Security Agreement in the U.S. Patent and Trademark Office and U.S. Copyright Office, as applicable, may be necessary to perfect the security interest of the Administrative Agent in issued registrations and applications for other U.S. Intellectual Property that are acquired by any Grantor after the date hereof, the registration of unregistered Copyrights in the U.S. Copyright Office may be required in order to perfect the Administrative Agent's Lien therein, and the taking of actions outside the United States may be required in order to perfect the Administrative Agent's Lien in Intellectual Property included in the Collateral which is protected under non-U.S. law.

4. **Covenants.** Each Grantor covenants and agrees with the Administrative Agent that from and after the date of this Intellectual Property Security Agreement and until the Commitment Termination Date:

(a) Grantors shall notify Administrative Agent immediately if they know or have reason to know that any material application or registration relating to any Patent, Trademark or Copyright (now or hereafter existing) may become abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding any Grantor's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(b) Grantors shall provide Administrative Agent with written notice of any application filed by any Grantor, either by itself or through any agent, employee, licensee or designee, to register any Patent, Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in the United States within ninety (90) days of such filing, and, upon request of Administrative Agent, such Grantor shall execute and deliver a supplement hereto as Administrative Agent may request to evidence Administrative Agent's Lien on such Patent, Trademark or Copyright, and the General Intangibles of such Grantor relating thereto or represented thereby.

(c) Grantors shall take all commercially reasonable actions necessary or requested by Administrative Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each of the Patents, Trademarks and Copyrights (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference

and cancellation proceedings, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(d) In the event that any of the Intellectual Property Collateral is infringed upon, or misappropriated or diluted by a third party, such Grantor shall (1) comply with Section 5(a)(ix) of the Security Agreements and (2) unless such Grantor shall reasonably determine that such Intellectual Property Collateral is not material to the conduct of its business or operations, promptly take all commercially reasonable actions, including to sue to enjoin any such conduct and/or to recover any and all damages for such infringement, misappropriation or dilution.

5. **Security Agreement.** The security interests granted by each Grantor pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interest granted by each Grantor to Administrative Agent, on behalf of itself and the Lending Parties, pursuant to the Security Agreements. Each Grantor and Administrative Agent expressly agree that the security interests granted under this Intellectual Property Security Agreement and the Security Agreements in the Intellectual Property Collateral are intended to be treated as a single security interest for purposes of Article 9 of the Code and other applicable law. The exercise by the Administrative Agent or the Lending Parties of any rights or remedies with respect to any of the Intellectual Property Collateral shall be deemed to be an exercise of such rights or remedies in connection with both this Intellectual Property Security Agreement and the Security Agreements. In the event of any inconsistency between the terms and conditions of this Intellectual Property Security Agreement and the Security Agreements, then the terms and conditions of the Security Agreements shall prevail.

6. **Reinstatement.** This Intellectual Property Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

7. **Notices.** Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Intellectual Property Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

8. **Termination; Authorized Sales of Collateral.** Subject to Section 6 hereof, this Intellectual Property Security Agreement shall terminate upon the Commitment Termination Date. In the event any Grantor proposes to sell any of the Intellectual Property Collateral and such sale is permitted pursuant to the terms and conditions set forth in Section 7.8 of the Credit Agreement, the Administrative Agent agrees, at the expense of such Grantor, to execute and deliver to such Grantor, prior to or contemporaneously with Grantor's receipt of the proceeds from such sale, such UCC-3 termination statements and other collateral property releases necessary to release the applicable Intellectual Property Collateral from the lien and security interest of the Administrative Agent.

9. **Governing Law.** THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF ILLINOIS. GRANTORS HEREBY SUBMIT TO THE NONEXCLUSIVE JURISDICTION OF THE FEDERAL AND/OR STATE COURTS SITTING IN COOK COUNTY, CITY OF CHICAGO, ILLINOIS FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. GRANTORS IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH ANY OF THEM MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE PARTIES HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN **SECTION 11.3** OF THE CREDIT AGREEMENT. NOTHING IN THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, each Grantor has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer or other representative as of the date first set forth above.
