NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby collaterally assigns, grants, mortgages and pledges to the Administrative Agent and, in each case, hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "IP Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of such Obligations):

(a) (i) all U.S., State and foreign trademarks, trade names, corporate names, company names, business names, domain names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, designs and general tangibles of a like nature of any Grantor, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the

foregoing referred to on Schedule 1, and all rights corresponding thereto throughout the world, (ii) all of the goodwill of the business connected with the use of and symbolized by the foregoing; (iii) all extensions and renewals of the foregoing, (iv) the right to sue for past, present and future infringements or dilution of any of the foregoing or for any injury to goodwill, and (v) all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "Trademarks");

(b) all written or oral agreements naming any Grantor as licensor or licensee (including, without limitation, those listed on Schedule 1) granting any right in or to any Trademark;

(c) (i) all United States and foreign patents and applications for letters patent of any Grantor throughout the world, including, but not limited to, any of the foregoing referred to on Schedule 1, and all rights corresponding thereto throughout the world, (ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations of any of the foregoing; (iii) the right to sue for past, present and future infringements of any of the foregoing, and (iv) all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "Patents");

(d) all written or oral agreements naming any Grantor as licensor or licensee (including, without limitation, those listed on Schedule 1) granting any right under any of the Patents, including, without limitation, the right to manufacture, use or sell any invention covered in whole or in part by a Patent;

(e) (i) all copyrights of any Grantor arising under the laws of the United States, any other country or any political subdivision thereof, whether registered or unregistered and whether published or unpublished (including, without limitation, those listed on Schedule 1), all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, all registrations, recordings and applications in the United States Copyright Office, (ii) the right to obtain all renewals thereof, and (iii) all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "Copyrights");

(f) (i) all mask works fixed in semi-conductor chip products (as defined under 17 U.S.C. 901 of the U.S. Copyright Act), (ii) the right to obtain all renewals thereof, and (iii) all rights to sue at law or in equity for any infringement or other impairment thereof, including the right to receive all proceeds and damages therefrom and all payments and royalties arising out of the sale, lease, license, assignment or other disposition thereof; and

(g) all written or oral agreements naming any Grantor as licensor or licensee (including, without limitation, those listed on Schedule 1), granting any right under any Copyright or mask work, including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright or mask work in the foregoing paragraphs (e) and (f);

provided, that notwithstanding any of the other provisions set forth in this Section 1, this Agreement shall not constitute a grant of a security interest in (A) (1) any property to the extent that such grant of a security interest in such property is prohibited by any Requirement of Law of a Governmental Authority (including restrictions in respect of margin stock and financial assistance, thin capitalization or similar laws or regulations), requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law, or is prohibited by, or constitutes a breach or default under or results in a termination in favor of any other party thereto (other than Holdings, the Borrowers or a Restricted Subsidiary) or requires the consent of any Person (other than Holdings, the Borrowers or a Restricted Subsidiary) that has not been obtained under, any contract, license, instrument or other document or

agreement evidencing, governing or giving rise to such property, (2) any lease, license or other agreement or any property subject to a purchase money security interest or similar arrangement, in each case, to the extent permitted under the Loan Documents, to the extent that such grant of a security interest in such property is prohibited by the agreement pursuant to which such Lien is granted, or constitutes a breach or default under or results in a termination in favor of any other party thereto (other than Holdings, the Borrowers or a Restricted Subsidiary) or requires the consent of any Person (other than Holdings, the Borrowers or a Restricted Subsidiary) that has not been obtained and (3) any property or rights arising under or evidenced by any governmental licenses or state or local franchises, charters and authorizations or (ii) to the extent that any Requirement of Law or the term in such contract, license, agreement, instrument, state or local franchise, charter, authorization, Organizational Document, joint venture agreement, shareholders' agreement or other document, as applicable, providing for such prohibition, breach, default or termination or requiring such consent is ineffective under the applicable provisions of the Uniform Commercial Code of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity, and other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the Uniform Commercial Code or other applicable law notwithstanding such prohibition (provided that notwithstanding the foregoing, such security interest shall attach immediately at such time as such Requirement of Law is not effective or applicable, or such prohibition, breach, default or termination is no longer applicable or is waived or such consent is obtained, and to the extent severable, shall attach immediately to any portion of the Collateral that does not result in such consequences); (B) any particular assets if, in the reasonable judgment of the Company, evidenced in writing and determined in consultation with the Administrative Agent, obtaining a security interest in such assets or perfection thereof would result in a material adverse tax, accounting or regulatory consequence to the Company or any of its Subsidiaries; and (C) those assets as to which the Administrative Agent and the Company agree, on or prior to the Closing Date and from time to time thereafter, that the costs of obtaining such a security interest or perfection thereof are excessive in relation to the value of the Lenders of the security afforded thereby; provided, further, that no United States intent-to-use trademark or service mark application shall be included in the Collateral solely to the extent that, if any, and solely during the period in which, if any, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark or service mark application under Federal law; after such period, each Grantor acknowledges that such interest in such trademark or service mark application shall automatically be subject to a security interest in favor of the Administrative Agent and shall be included in the Collateral.

SECTION 2. Recordation. Each Grantor authorizes and requests that the United States Register of Copyrights or the United States Commissioner of Patents and Trademarks, as applicable, record this Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy or electronic pdf), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

SECTION 4. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(a) SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND ANY OTHER LOAN DOCUMENT TO WHICH IT IS A PARTY, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE EXCLUSIVE GENERAL JURISDICTION OF THE COURTS OF THE

STATE OF NEW YORK, THE COURTS OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND APPELLATE COURTS FROM ANY THEREOF, TO THE EXTENT SUCH COURTS WOULD HAVE SUBJECT MATTER JURISDICTION WITH RESPECT THERETO, AND AGREES THAT NOTWITHSTANDING THE FOREGOING (X) A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW AND (Y) LEGAL ACTIONS OR PROCEEDINGS BROUGHT BY THE SECURED PARTIES IN CONNECTION WITH THE EXERCISE OF RIGHTS AND REMEDIES WITH RESPECT TO COLLATERAL MAY BE BROUGHT IN OTHER JURISDICTIONS WHERE SUCH COLLATERAL IS LOCATED OR SUCH RIGHTS OR REMEDIES MAY BE EXERCISED;

(b) CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT AND WAIVES ANY RIGHT TO CLAIM THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(c) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO THE APPLICABLE PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 11.2 OF THE CREDIT AGREEMENT OR AT SUCH OTHER ADDRESS OF WHICH THE ADMINISTRATIVE AGENT SHALL HAVE BEEN NOTIFIED PURSUANT THERETO;

(d) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW;

(e) WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY LEGAL ACTION OR PROCEEDING REFERRED TO IN THIS SECTION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES; AND

(f) WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5. Conflict Provision; Intercreditor Agreement. This Agreement has been entered into in conjunction with the provisions of the Security Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are in conflict with the Security Agreement or the Credit Agreement, the provisions of the Security Agreement or the Credit Agreement shall govern.

(b) Notwithstanding anything herein to the contrary, (i) the liens and security Interests granted to the Administrative Agent pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the Intercreditor Agreement referred to below), including liens and security interests granted to the First Lien Administrative Agent (as defined below) pursuant to or in connection with the Amended and Restated Credit Agreement (First Lien), dated as of June 7, 2013 (as amended, restated, amended and restated,

supplemented, restructured or otherwise modified, renewed or replaced from time to time), among Holdings, the Borrowers, the subsidiary guarantors party thereto, the lenders from time to time party thereto, Credit Suisse, Cayman Islands Branch, as the First Lien Administrative Agent (in such capacity, the “First Lien Administrative Agent”), and the other parties thereto, and (ii) the exercise of any right or remedy by the Administrative Agent hereunder is subject to the limitations and provisions of the Intercreditor Agreement, dated as of June 7, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among the Administrative Agent, the First Lien Administrative Agent, each other Second Priority Representative and Senior Representative (each, as defined in the Intercreditor Agreement) from time to time party thereto, Holdings and the Borrowers. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.

SECTION 6. Release. (a) Upon termination of the Security Agreement, the IP Collateral shall immediately and automatically be released from the Liens created hereby, and this IP Security Agreement and all obligations of the Administrative Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the IP Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Administrative Agent shall deliver to such Grantor any IP Collateral held by the Administrative Agent hereunder and execute and deliver to such Grantor such documents (in form and substance reasonably satisfactory to such Grantor and the Administrative Agent) as such Grantor may reasonably request to evidence such termination.

(b) If any of the IP Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a sale, transfer or other disposition permitted by Section 7 of the Credit Agreement, other than with respect to a sale, transfer or other disposition to another Grantor, then such IP Collateral shall be automatically and without further action released from the security interests created by this Agreement. If a Grantor is disposed of pursuant to a transaction permitted by the Credit Agreement or is otherwise released from its guarantee of the Obligations pursuant to the Credit Agreement, such Grantor shall be automatically and without further action released from its obligations under this Agreement. In either case, the Administrative Agent, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the termination and release of the Liens created hereby on IP Collateral of such Grantor, or such Grantor as applicable.
