TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of May 15, 2013 ("Effective Date") by and between **International Truck Intellectual Property Company, LLC**, an Illinois limited liability company ("Assignor"), and **Navistar RV, LLC**, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the trademark registrations and applications set forth on Schedule A attached hereto and the unregistered trademarks set forth on Schedule B, and all common law, state and foreign rights for trademarks and service marks that are identical matching counterparts for the the entries in the first column of Schedule A, and in each case, together with the goodwill of the business associated with any of the foregoing (collectively, the "Marks"); and

WHEREAS, Assignee operates and conducts, or is the successor to, the business to which the Marks pertain, and that business is ongoing and existing.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. The recitals to this Assignment are hereby incorporated by reference herein and form an integral part of this Assignment.
2. Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Marks, for the United States, Canada and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States, Canada or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, free and clear of any and all security interests, debts, liens and encumbrances suffered or incurred by Assignor, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement, dilution, misappropriation, violation, misuse, unauthorized use, breach or default, with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.
3. Assignor shall duly execute and deliver or cause to be executed and delivered all instruments of sale, conveyance, transfer and assignment, and notices, releases, acquittances and other documents and perform such further acts, as may be necessary to convey, transfer, assign and deliver to, and consolidate, vest and record in Assignee, full ownership of the Marks and other rights conveyed herewith.

4. Assignor hereby requests the U.S. Commissioner of Patents and Trademarks, the Canadian Intellectual Property Office and the corresponding entities or agencies in any applicable U.S. states and foreign countries, to record Assignee as the assignee and owner of the Marks.

5. This Assignment shall be governed, including as to validity, interpretation and effect, by, and construed in accordance with, the internal laws of the State of Delaware applicable to agreements made and performed within the State of Delaware without regard to conflicts of laws principles thereof.

6. If any provision of this Assignment (or any portion thereof) or the application of any such provision (or any portion thereof) to any person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof (or the remaining portion thereof) or the application of such provision to any other persons or circumstances. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other assigned Marks.

7. This Assignment may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which together will constitute one (1) and the same agreement. Any counterpart may be executed by facsimile or electronic portable document format (.pdf) signature and such facsimile or .pdf signature shall be deemed an original.
