WHEREAS, pursuant to such Credit Agreement, Grantors have granted to Agent, for its own benefit and for the ratable benefit of Lenders and each other holder of any Obligations, security interests and Liens in substantially all of each Grantor's assets, including without limitation all of each Grantor's Intellectual Property and specifically including all of each Grantor's registered United States patents, trademarks and copyrights and all of each Grantor's filed United States patent applications, trademark applications and copyright applications, all whether now owned or hereafter created, arising and/or acquired (collectively, the "**US Registered Intellectual Property**").

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements provided for herein and in the Credit Agreement, and for other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged by each party hereto, and intending to be legally bound, the parties hereto agree as follows:

Section 1. Grant of Security Interest in Intellectual Property Collateral. Without limiting any other grant of Lien by any Grantor in any Collateral under the Credit Agreement or any Other Document, to secure the prompt payment and performance of all Obligations to Agent, Lenders and each other holder of any of the Obligations, each Grantor hereby assigns, pledges and grants to Agent, for its benefit and for the ratable benefit of Lenders and each other holder of the Obligations, a continuing

(e) all applications, registrations, claims, awards, judgments, amendments, improvements and insurance claims related thereto now or hereafter owned or licensed by any Grantor, or any claims for damages by way of any past, present, or future infringement of any of the foregoing, together with all accessions and additions thereto and proceeds thereof (including, without limitation, any proceeds resulting under insurance policies); provided, further, that the Intellectual Property Collateral shall include, without limitation, all cash, royalty fees, other proceeds, Receivables, accounts and general intangibles that consist of rights of payment to or on behalf of any Grantor or proceeds from the sale, licensing or other disposition of all or any part of, or rights in, the Intellectual Property Collateral by or on behalf of any Grantor; and

(f) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof;

which such continuing security interest in and Lien upon the Intellectual Property Collateral, and this Agreement, shall continue in full force and effect to secure each of the Obligations until such time as the Obligations are indefeasibly paid in full and the obligations of Agent and Lenders to make extensions of credit to any Grantor under the Credit Agreement or any Other Document is terminated.

Section 2. Credit Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with, and in no way limits, the security interests granted to the Agent pursuant to the Credit Agreement, and Grantors hereby acknowledge and agree that the rights and remedies of the Agent with respect to the security interests and Liens in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 3. Registration/Filing. This Agreement is intended by the parties to be filed, and Grantors hereby authorize Agent to file and record a copy of this Agreement, with the United States Patent and Trademark Office and United States Copyright Office, as applicable.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall retain full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Intellectual Property subject to a security interest hereunder.

Section 5. Agreement to Deliver Supplements. Each Grantor hereby covenants and agrees that promptly upon the acquisition by Grantor of any new US Registered Intellectual Property Collateral (including any registration or issuance of any United States patent, trademark or copyright arising out of any filed United States patent application, trademark application or copyright application previously listed on Schedule 1 hereto or the Schedule to any other Supplement delivered to Agent in accordance with this paragraph), Grantors shall deliver to Agent a duly executed Supplement to this Agreement in the form of Exhibit A hereto, listing all such newly acquired US Registered Intellectual Property on Schedule I thereto, pursuant to which Grantors shall reconfirm the grant of a security interest in such newly acquired US Registered Intellectual Property Collateral to Agent, for its benefit and for the ratable benefit of each Lender and each other holder of the Obligations, to secure the Obligations. Each such Supplement is intended by the parties to be filed, and Grantors hereby authorize Agent to file and record a copy of each such Supplement, with the United States Patent and Trademark Office and/or United States Copyright Office, as applicable. Regardless of whether any Supplement is delivered by Grantors, and without limiting the generality of the provisions of Section 1 hereof above, Grantors hereby confirm and agree that any and all such after-acquired US Registered Intellectual Property Collateral, and all Intellectual Property Collateral relating thereto, shall immediately and automatically upon any Grantor's acquisition of any right, title and interest therein become part of the Intellectual Property Collateral hereunder. In the event that any Grantor acquires any such new US Registered Intellectual Property but Grantors fail for whatever reason to promptly deliver a Supplement pursuant to this Section 5, Grantors hereby authorize Agent, acting under its Power of Attorney granted pursuant to Section 8 below, to at any time thereafter execute in the name of each Grantor an applicable Supplement with respect to such newly acquired US Registered Intellectual Property, arising and/or acquired and to file the same with the United States Patent and Trademark Office and/or United States Copyright Office, as applicable.

Section 6. Representation and Warranties. Grantors hereby represent and warrant to Agent and to the Lenders that Schedule 1 sets forth a full, complete and correct list of all Registered Intellectual Property Collateral owned by Grantors as of the date hereof.

Section 7. Events of Default and Remedies. The occurrence of any Event of Default under the Credit Agreement the Agreement shall constitute an "**Event of Default**" under this Agreement. Upon the occurrence of and during the continuance of any such Event of Default, Agent, in addition to all other rights, options, and remedies granted to Agent under the Credit Agreement or any Other Document, or otherwise available to Agent at law or in equity, may exercise, either directly or through one or more assignees or designees, with respect to the Intellectual Property Collateral all rights and remedies granted to it as a secured creditor under the Uniform Commercial Code.

Section 8. Power of Attorney. Without limiting the generality of any power of attorney granted to Agent under the Credit Agreement or any Other Document, each Grantor hereby authorizes Agent, its successors and assigns, and any officer, employee, attorney or agent thereof, as such Grantor's true and lawful attorney-in-fact, with the power (i) to execute and endorse on behalf of and in the name of such Grantor any Supplement to this Agreement or other security agreement or similar document or instrument which Agent may deem necessary or desirable in order to create, protect, perfect or enforce the

security interest in the Intellectual Property Collateral provided for herein and in each case to file or record any such Supplement or other security agreement or similar document or instrument with the United States Patent and Trademark Office and/or the United States Copyright Officer, as applicable, in the name of and on behalf of such Grantor and (ii) after the occurrence and during the continuance of an Event of Default as defined in Section 7 of this Agreement above, to execute and endorse on behalf of and in the name of such Grantor any assignment, bill of sale or similar document or instrument which Agent may deem necessary or desirable in order for Agent to assign, pledge, convey or otherwise sell, transfer title in or dispose of the Intellectual Property Collateral, and in each case to file or record with the United States Patent and Trademark Office and/or the United States Copyright Officer, as applicable, in the name of and on behalf of such Grantor any such assignment or bill of sale or other document executed by Agent, its successors and assigns, and any officer, employee, attorney or Agent thereof under this power of attorney. Each Grantor hereby unconditionally ratifies all that any person authorized under this power of attorney shall lawfully do or cause to be done by virtue hereof and in accordance with the terms of hereof and of the Credit Agreement and the Other Documents. This power of attorney is coupled with an interest and is and shall be irrevocable

Section 9. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Any signature delivered by a party by facsimile or electronic transmission (including email transmission of a PDF copy) shall be deemed to be an original signature hereto.

Section 10. Governing Law. This Agreement, and all matters relating hereto or thereto or arising herefrom (whether arising under contract law, tort law or otherwise) shall be governed by and construed in accordance with the laws of the State of New York applied to contracts to be performed wholly within the State of New York.. Without limiting the generality of the general incorporation of the Credit Agreement herein provided for above, the provisions of Section 16.1 of the Credit Agreement regarding consents to and waivers regarding jurisdiction and venue, Section 16.5 of the Credit Agreement regarding indemnities by Grantors, Section 16.6 of the Credit Agreement regarding notices, Section 16.7 of the Credit Agreement regarding survival of certain provisions, Section 16.9 of the Credit Agreement regarding expenses, Section 16.10 of the Credit Agreement regarding injunctive relief and Article XII of the Credit Agreement regarding certain waivers including waivers of the rights of jury trial are hereby specifically incorporated by reference. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws or regulations, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible. This Agreement shall be binding upon and inure to the benefit of Grantors and Agent, and their respective successors and assigns, except that no Grantor may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Agent and each Lender.

Section 11. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the priority of the Liens referred to in this Agreement and the exercise, upon the occurrence and during the continuance of an Event of Default, of any right or remedy by Agent or any Lender with respect to certain of the Intellectual Property Collateral hereunder are subject to the provisions of the Revolving Credit Intercreditor Agreement. In the event of any direct and irreconcilable conflict between the terms of the Revolving Credit Intercreditor Agreement and this Agreement with respect to (a) the priority of Liens granted to Agent in the Intellectual Property Collateral pursuant to this Agreement or (b) the rights of Agent or any Lender under this Agreement with respect to certain Intellectual Property Collateral upon the occurrence and during the continuance of an Event of Default, the terms of the Revolving Credit Intercreditor Agreement shall govern and control. Any reference in this Agreement or any Other Document to

“first priority lien” or words of similar effect in describing the Liens created hereunder or under any Other Document shall be understood to refer to such priority as set forth in the Revolving Credit Intercreditor Agreement. Nothing in this Section 11 shall be construed to provide that any Credit Party is a third party beneficiary of the provisions of the Revolving Credit Intercreditor Agreement and the Grantors (x) agrees that, except as expressly otherwise provided in the Revolving Credit Intercreditor Agreement, nothing in the Revolving Credit Intercreditor Agreement is intended or shall impair the obligation of any Credit Party to pay the obligations under this Agreement or any Other Document as and when the same become due and payable in accordance with their respective terms, or to affect the relative rights of the creditors of any Credit Party, other than Agent and the Lenders as between themselves and (y) if Agent shall enforce its rights or remedies in violation of the terms of the Revolving Credit Intercreditor Agreement, agrees that it shall not use such violation as a defense to any enforcement of remedies otherwise made in accordance with the terms of this Agreement and the Other Documents by Agent or any Lender or assert such violation as a counterclaim or basis for set-off or recoupment against Agent or any Lender and agrees to abide by the terms of this Agreement and to keep, observe and perform the several matters and things herein intended to be kept, observed and performed by it.

Section 12. Release. Upon the occurrence of the Release Effective Date, this Agreement and any security interests and Liens created by hereunder and any other loan document in respect of the Grantor shall be terminated, and the Agent shall promptly take such action and execute any such documents as many be reasonably requested by the Borrowing Agent or the Grantor in connection with the release of any security interests created hereunder or by any other loan documents in connection with the Grantor.
