AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT (this "Agreement") dated as of November 25, 2013, is made by Bally Technologies, Inc., a Nevada corporation ("Borrower") and each of its subsidiaries listed on the signature pages hereto (each a "Subsidiary Grantor", and together with Borrower and each other Person who may become a party hereto pursuant to Section 8 of this Agreement, the "Grantors"), in favor of Bank of America, N.A., as administrative agent (in such capacity and together with its successors and assigns, the "Administrative Agent"), for the benefit of the Secured Parties under the Credit Agreement referred to below, with reference to the following facts:

RECITALS

A. Pursuant to that Certain Credit Agreement, dated as of September 26, 2008, among Borrower, the Lenders referred to therein, and the Administrative Agent (as from time to time amended, restated, extended, renewed, modified or supplemented), the Grantors executed and delivered that certain Trademark Assignment, dated as of September 26, 2008 (as from time to time amended, restated, extended, renewed, modified or supplemented, the "Existing Trademark Assignment").

B. Borrower has entered into that certain Second Amended and Restated Credit Agreement dated as of April 19, 2013 among Borrower, the Lenders referred to therein, and the Administrative Agent (as amended by the Amendment No. 1 to Second Amended and Restated Credit Agreement, dated as of August 27, 2013, and as it may from time to time be further amended, restated, extended, renewed, modified or supplemented, the "Credit Agreement"), and accordingly the parties hereto desire to amend and restate the Existing Trademark Assignment pursuant to this Agreement. This Agreement is one of the Loan Documents referred to in the Credit Agreement.

C. The Subsidiary Grantors have guaranteed the obligations of Borrower pursuant to the Credit Agreement.

D. Pursuant to the Credit Agreement, the Lenders had made, and are making, certain credit facilities available to Borrower. Additionally, as contemplated by the Credit Agreement, from time to time, certain Secured Parties may enter into Secured Cash Management Agreements and/or Secured Hedge Agreements with the Borrower and/or the Grantors.

E. As a condition to the continued availability of such credit facilities, Secured Cash Management Agreements and Secured Hedge Agreements, the Grantors are required to enter into this Agreement to pledge certain Collateral (as hereinafter defined) to the Administrative Agent for the benefit of the Secured Parties as herein provided.

F. The Grantors expect to realize direct and indirect benefits as the result of the availability of (i) the aforementioned credit facilities to the Borrower and (ii) the aforementioned Secured Cash Management Agreements and Secured Cash Hedge Agreements, as the result of financial or business support which will be provided to the Grantors by Borrower and each other Grantor.

## AGREEMENT

NOW, THEREFORE, in order to induce the Lenders to extend and maintain the aforementioned credit facilities to Borrower and the Secured Parties to extend and maintain the financial accommodations under the Secured Cash Management Agreements and Secured Hedge Agreements, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Grantors hereby jointly and severally represent, warrant, covenant and agree as follows:

1. Definitions. Terms defined in the Credit Agreement and not otherwise defined in this Agreement shall have the meanings defined for those terms in the Credit Agreement. As used in this Agreement, the following terms shall have the meanings set forth below:

“Agreement” means this Amended and Restated Trademark Security Agreement, and any extensions, modifications, renewals, restatements, supplements or amendments hereof, including, without limitation, any documents or agreements by which additional Grantors become party hereto.

“Collateral” means and includes all of the following: (a) all of the Grantors’ now-existing, or hereafter acquired, right, title, and interest in and to all of the Grantors’ trademarks, trade names, trade styles, trade dress, logos and service marks; all prints and labels on which said trademarks, trade names, trade styles, and service marks appear, have appeared, or will appear, and all designs and general intangibles of a like nature; all applications, registrations, and recordings relating to the foregoing in the United States Patent and Trademark Office (“USPTO”) or in any similar office or agency of the United States, any State thereof, or any political subdivision thereof, or in any other countries, and all reissues, extensions, and renewals thereof, including those trademark registrations and applications described in Schedule 1 hereto (the “Trademarks”); (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all licenses and sublicenses of Trademarks, to the extent that there exists no prohibition as a matter of law or pursuant to such agreements governing such license or sublicense on the transfer thereof for security as contemplated by this Agreement; (d) any and all proceeds of any of the foregoing, including license fees, royalties, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto; and (e) the right to sue or otherwise recover for past, present and future infringement or other violation of the Trademarks or any licenses with respect thereto. Notwithstanding anything herein to the contrary, in no event shall the Collateral include or the security interest granted under Section 2 hereof attach to any “intent-to-use” application for registration of a trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

“Grantors” means those Persons mentioned in the preamble to this Assignment and those entities that become parties hereto as provided in Section 6.12 of the Credit Agreement or Section 8 hereof, and each of them, and any one or more of them, jointly and severally.

“Secured Obligations” means (a) in the case of Borrower, any and all present and future Obligations of any type or nature of Borrower arising under or relating to the Credit Agreement, the Secured Cash Management Agreements, the Secured Hedge Agreements and the Loan Documents or any one or more of them and (b) in the case of the Subsidiary Grantors, all present and future Obligations of any type or nature of the Subsidiary Grantors, or any one or more of them, arising under or relating to the Guaranty or any other Loan Documents, or with respect to any Secured Cash Management Agreement or any Secured Hedge Agreement or any one or more of them; provided, that in the case of each Grantor (other than the Borrower), the Secured Obligations of such Grantor shall exclude any Excluded Swap Obligations of such Grantor.

2. Grant of Security Interest. For valuable consideration, the Grantors and each of them hereby jointly and severally pledge and grant to the Administrative Agent (for and on behalf of the Secured Parties) a security interest, to secure the prompt and indefeasible payment and performance in full when due (whether at stated maturity, by required prepayment, declaration, acceleration or otherwise) of the Secured Obligations, and each of them, in and to all of the presently existing and hereafter acquired Collateral. This Agreement is a continuing and irrevocable agreement and all the rights, powers, privileges and remedies hereunder shall apply to any and all Secured Obligations, including those arising under successive transactions which shall either continue the Secured Obligations, increase or decrease them and notwithstanding the bankruptcy of any Grantor or any other event or proceeding affecting any Grantor.

3. Representations, Warranties and Covenants. The Grantors, and each of them, represent, warrant and agree that:

(a) All of the existing Collateral is valid and subsisting in full force and effect, and the Grantors have good and marketable title thereto, and the right and power to grant the security interests granted hereunder. The Grantors will, at their expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral as valid and subsisting, including, without limitation, the filing of any maintenance fees or affidavits. The Collateral is not subject to any Liens or licenses of any nature whatsoever, whether recorded or unrecorded, except as permitted by the Credit Agreement.

(b) As of the date hereof, none of the Grantors owns any Trademarks registered, or subject to pending applications, in the USPTO, other than those against which the Administrative Agent has already perfected a security interest pursuant to the Existing Trademark Assignment, or those described in Schedule 1.

(c) Upon the delivery of any report supplementing Schedule 5.17 to the Credit Agreement made pursuant to Section 6.02(j) of the Credit Agreement, the applicable Grantor shall execute and deliver to the Administrative Agent a supplement to this Agreement substantially in the form of Exhibit A hereto granting the Administrative Agent a security interest in any Trademarks reflected on such report supplementing

Schedule 5.17 to the Credit Agreement. Each Grantor authorizes the Administrative Agent to modify this Agreement by amending Schedule 1 to include any new Trademark, and any Trademark renewal of any Grantor applied for and or otherwise obtained hereafter.

(d) No Grantor has abandoned any of the Trademarks, and no Grantor will do any act, or omit to do any act, whereby the Trademarks may become abandoned, canceled, invalidated, or unenforceable, where such abandonment, cancellation, invalidation, or unenforceability, may constitute a Material Adverse Effect. Each Grantor shall notify the Administrative Agent promptly if it knows, or has reason to know, of any reason why any application, registration, or recording may become abandoned, canceled, invalidated, or unenforceable, and if as a result thereof, a Material Adverse Effect may result.

(e) The Grantors will render any assistance, as the Administrative Agent may reasonably determine is necessary, to the Administrative Agent in any proceeding before the USPTO, any federal or state court, or any similar office or agency in the United States, or any State therein, or any other country, to protect the Administrative Agent's security interest in the Trademarks.

(f) The Grantors assume all responsibility and liability arising from the use of the Trademarks, and each Grantor hereby indemnifies and holds the Administrative Agent and each of the Secured Parties harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted, or sold by any Grantor (or any Affiliate or Subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale, or advertisement of any such product by any Grantor or any Affiliate or Subsidiary thereof.

(g) The Grantors shall promptly notify the Administrative Agent in writing of any adverse determination in any proceeding in the USPTO or any other foreign or domestic Governmental Agency, court or body, regarding any Grantor's ownership of any of the Trademarks. In the event of any material infringement of any of the Trademarks by a third party, the Grantors shall promptly notify the Administrative Agent of such infringement and sue for and diligently pursue damages for such infringement unless it is in the best interest of the Grantors not to pursue such proceeding. In the event that the Grantors elect not to pursue any rights that might apply to the applicable Grantor in connection with the infringement, the Grantors will notify the Administrative Agent of such election.

(h) Each Grantor shall, at its sole expense, do, make, execute and deliver all such additional and further acts, things, assurances, and instruments, in each case in form and substance satisfactory to the Administrative Agent, relating to the creation, validity, or perfection of the security interests provided for in this Agreement under 35 U.S.C. Section 261, 15 U.S.C. Section 1051 et seq., the Uniform Commercial Code or other Law of the United States, the State of New York, or of any countries or other States as the Administrative Agent may from time to time reasonably request, and shall take all such

other action as the Administrative Agent may reasonably require to more completely vest in and assure to the Administrative Agent its security interest in any of the Collateral, and each Grantor hereby irrevocably authorizes the Administrative Agent or its designee, at such Grantor's expense, to execute such documents, and file such financing statements with respect thereto with or without such Grantor's signature, as the Administrative Agent may reasonably deem appropriate. In the event that any recording or refile (or the filing of any statement of continuation or assignment of any financing statement) or any other action, is required at any time to protect and preserve such security interest, the Grantors shall, at their sole cost and expense, cause the same to be done or taken at such time and in such manner as may be necessary and as may be reasonably requested by the Administrative Agent. Each Grantor further authorizes the Administrative Agent to have this or any other similar security agreement recorded or filed with the USPTO or other appropriate federal, state or government office.

(i) Following the Administrative Agent's request thereof and the applicable Grantor's failure to perform, the Administrative Agent is hereby irrevocably appointed by each Grantor as its lawful attorney and agent, with full power of substitution to execute and deliver on behalf of and in the name of any or all Grantors, such financing statements and other documents and agreements, and to take such other action as the Administrative Agent may deem necessary for the purpose of perfecting, protecting or effecting the security interests granted herein and effected hereby, and any mortgages or Liens necessary or desirable to implement or effectuate the same, under any applicable Law, and the Administrative Agent is hereby authorized to file on behalf of and in the name of any or all Grantors, at the Grantors' sole expense, such financing statements, documents and agreements in any appropriate governmental office.

(j) The Administrative Agent may, in its sole discretion, pay any amount, or do any act which the Grantors fail to pay or do as required hereunder to preserve, defend, protect, maintain, record, amend, or enforce the Secured Obligations, the Collateral, or the security interest granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, and reasonable attorneys' fees. The Grantors will be liable to the Administrative Agent for any such payment, which payment shall be deemed an advance by the Lenders to the Grantors, shall be payable on demand, together with interest at the per annum rate then applicable to Base Rate Advances under the Credit Agreement, or the Default Rate, if applicable, and shall be part of the Secured Obligations.

4. Events of Default. Any "Event of Default" as defined in the Credit Agreement shall constitute an Event of Default hereunder.

5. Rights and Remedies. Upon the occurrence and during the continuance of any such Event of Default, in addition to all other rights and remedies of the Administrative Agent, whether provided under Law, the Credit Agreement or otherwise, the Administrative Agent may enforce its security interest hereunder which may be exercised without notice to, or consent by, any Grantor, except as such notice or consent is expressly provided for hereunder. Upon such enforcement:

(a) the Administrative Agent may use any of the Trademarks for the sale of goods, completion of work in process, or rendering of services in connection with enforcing any security interest granted to the Administrative Agent by Grantors.

(b) the Administrative Agent may grant such license or licenses relating to the Collateral for such term or terms, on such conditions and in such manner, as the Administrative Agent shall, in its sole discretion, deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or nonexclusive basis throughout all or part of the United States of America, its territories and possessions, and all foreign countries.

(c) the Administrative Agent may assign, sell, or otherwise dispose of the Collateral, or any part thereof, either with or without special conditions or stipulations, except that the Administrative Agent agrees to provide the Grantors with five (5) days' prior written notice of any proposed disposition of the Collateral. The requirement of sending notice conclusively shall be met if such notice is mailed, first class mail, postage prepaid, to Borrower, on behalf of all Grantors. Each Grantor hereby irrevocably appoints Borrower as its agent for the purpose of receiving notice of sale hereunder, and agrees that such Grantor conclusively shall be deemed to have received notice of sale when notice of sale has been given to Borrower. Each Grantor expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided in this Section 5(c). The Administrative Agent shall have the power to buy the Collateral, or any part thereof, and the Administrative Agent shall also have the power to execute assurances and perform all other acts which the Administrative Agent may, in the Administrative Agent's sole discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, the Grantors shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale or other disposition of any of the Collateral pursuant to Section 5(c) hereof, the Administrative Agent may, at any time, execute and deliver, on behalf of the Grantors, and each of them, pursuant to the authority granted in powers of attorney, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. The Grantors agree to pay the Administrative Agent, on demand, all costs incurred in any such transfer of the Collateral, including, but not limited to any taxes, fees, and reasonable attorneys' fees.

(e) The Administrative Agent may first apply the proceeds actually received from any such use, license, assignment, sale, or other disposition of Collateral first to the reasonable costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel, and other expenses which may be incurred by the Administrative Agent. Thereafter, the Administrative Agent may apply any remaining proceeds to such of the Secured Obligations as provided in the Credit Agreement. The Grantors shall remain liable to the Administrative Agent for any expenses or Secured Obligations remaining unpaid after the application of such proceeds, and the Grantors

will pay the Administrative Agent, on demand, any such unpaid amount, together with interest at the rate(s) set forth in the Credit Agreement.

(f) Upon request of the Administrative Agent, the Grantors shall supply to the Administrative Agent, or the Administrative Agent's designee, the Grantors' knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and the Grantors' customer lists and other records relating to the Trademarks and the distribution thereof.

Nothing contained herein shall be construed as requiring the Administrative Agent to take any such action at any time. All of the Administrative Agent's rights and remedies, whether provided under Law, the Credit Agreement, this Agreement, or otherwise, shall be cumulative, and none is exclusive of any right or remedy otherwise provided herein or in any of the other Loan Documents, at law or in equity. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. Waivers.

(a) Each Grantor hereby waives any and all rights that it may have to a judicial hearing, if any, in advance of the enforcement of any of the Administrative Agent's rights hereunder, including, without limitation, its rights following any Event of Default and during the continuance thereof to take immediate possession of the Collateral and exercise its rights with respect thereto.

(b) The Administrative Agent shall not be required to marshal any present or future security for (including, but not limited to, this Agreement and the Collateral subject to a security interest hereunder), or guaranties of, the Secured Obligations or any of them, or to resort to such security or guaranties in any particular order. Each Grantor hereby agrees that it will not invoke any Law relating to the marshaling of collateral which might cause delay in or impede the enforcement of the Administrative Agent's rights under this Agreement or any other instrument evidencing any of the Secured Obligations or by which any of such Secured Obligations is secured or guaranteed, and each Grantor hereby irrevocably waives the benefits of all such Laws.

(c) Except for notices specifically provided for herein, each Grantor hereby expressly waives demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon and all other demands and notices of any description. With respect both to the Secured Obligations and any collateral therefor, each Grantor assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, of any Person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as the Administrative Agent may deem advisable. The Administrative Agent shall have no duty as to the protection of the Collateral or any income thereon, nor as to the preservation of rights against prior parties, nor as to the preservation of any rights pertaining thereto except as otherwise required by Law. The Administrative Agent may exercise its rights with respect to the Collateral without

resorting or regard to other collateral or sources of reimbursement for liability. The Administrative Agent shall not be deemed to have waived any of its rights upon or under the Credit Agreement or the Collateral unless such waiver be in writing and signed by the Administrative Agent. No delay or omission on the part of the Administrative Agent in exercising any right shall operate as a waiver of any right on any future occasion. All rights and remedies of the Administrative Agent under the Credit Agreement or on the Collateral, whether evidenced hereby or by any other instrument or papers, shall be cumulative and may be exercised singularly or concurrently.

7. Costs and Expenses.

(a) Without limiting any reimbursement obligations under the Credit Agreement and the other Loan Documents, and without duplication thereof, the Grantors will pay any and all charges, costs and taxes incurred in implementing or subsequently amending this Agreement, including, without limitation, recording and filing fees, appraisal fees, stamp taxes, and reasonable fees and disbursements of each Secured Party's counsel incurred by each Secured Party, and fees and time charges for attorneys who may be employees of each Secured Party, in connection with this Agreement, and in the enforcement of this Agreement and in the enforcement or foreclosure of any Liens, security interests or other rights of any Secured Party under this Agreement, or under any other documentation heretofore, now, or hereafter given to any Secured Party in furtherance of the transactions contemplated hereby.

(b) The Grantors agree to reimburse each Secured Party for and indemnify it against, any and all losses, expenses and liabilities (including liabilities for penalties) of whatever kind or nature sustained and reasonably incurred in connection with any claim, demand, suit or legal or arbitration proceeding relating to this Agreement, or the exercise of any rights or powers hereunder, including reasonable attorneys' fees and disbursements, and fees and time charges for attorneys who may be employees of such Secured Party, except losses, expenses and liabilities arising out of such Secured Party's own gross negligence or willful misconduct.

8. Joinder. Any other Person may become a Grantor hereunder and become bound by the terms and conditions of this Agreement by executing and delivering to the Administrative Agent an Instrument of Joinder substantially in the form attached hereto as Exhibit B, accompanied by such documentation as the Administrative Agent may require to establish the due organization, valid existence and good standing of such Person, its qualification to engage in business in each material jurisdiction in which it is required to be so qualified, its authority to execute, deliver and perform this Agreement, and the identity, authority and capacity of each Responsible Officer thereof authorized to act on its behalf.

9. Release of Grantors. This Agreement and all of the Secured Obligations of the Grantors hereunder shall be released upon termination of the Aggregate Commitments and payment in full of all of the Secured Obligations (other than (A) contingent indemnification obligations as to which no claim has been made and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank of Hedge Bank shall have been made) and

the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements satisfactory to the Administrative Agent and the L/C Issuer shall have been made).

Additionally, Collateral that is released or is required to be released from the security interest created by this Agreement in order to permit the Grantors to consummate any disposition of stock or assets, merger, consolidation, amalgamation, acquisition, transfer or dividend payment or distribution that the Grantors are permitted to consummate pursuant to the Loan Documents, if any, shall be so released by the Administrative Agent at such times and to the extent necessary or appropriate to permit the Grantors to consummate such permitted transactions promptly following the Administrative Agent's receipt of written request therefor by the Grantors specifying the purpose for which release is requested and such further certificates or other documents as the Administrative Agent shall request in its reasonable discretion to confirm that the Grantors are permitted to consummate such permitted transaction and to confirm its replacement Lien on appropriate collateral (unless replacement collateral is not required pursuant to the Loan Documents). Any request for any permitted release shall be transmitted to the Administrative Agent.

Upon such release of the Grantors' Secured Obligations hereunder, or release of Collateral permitted hereunder, the Administrative Agent shall return any Collateral to the Grantors, or to the Person or Persons legally entitled thereto, and shall endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things, reasonably required for the return of the applicable Collateral to the Grantors, or to the Person or Persons legally entitled thereto, and to evidence or document the release of the Administrative Agent's and the other Secured Party's interests in such Collateral arising under this Agreement, all as reasonably requested by, and at the sole expense of, the Grantors.

10. Continuing Effect. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against the Grantors for liquidation or reorganization, should the Grantors become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Grantors' assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by the Administrative Agent or any other Secured Party, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

11. Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Secured Parties and their successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent, and any attempted assignment without such consent shall be null and void. By accepting the benefits of the Loan Documents, each Hedge Bank and Cash Management Bank agrees to be bound by all of the applicable provisions thereof.

12. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each affected Grantor and the Administrative Agent, subject to any consents required under the Credit Agreement; provided that any provision of this Agreement imposing obligations on any Grantor may be waived by the Administrative Agent in a written instrument executed by the Administrative Agent; provided, further, no such waiver amendment, supplement or modification shall require the consent of any Hedge Bank or Cash Management Bank except as may be expressly provided in the Credit Agreement.

13. Additional Powers and Authorization. The Administrative Agent shall be entitled to the benefits accruing to it as the Administrative Agent under the Credit Agreement and the other Loan Documents. Notwithstanding anything contained herein to the contrary, the Administrative Agent may employ agents, trustees, or attorneys-in-fact and may vest any of them with any Property (including, without limitation, any Collateral assigned hereunder), title, right or power deemed necessary for the purposes of such appointment.

14. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 14.

15. SUBMISSION TO JURISDICTION; WAIVER OF VENUE; SERVICE OF PROCESS.

(a) EACH GRANTOR IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY, BOROUGH OF MANHATTAN, AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY

BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST THE GRANTORS OR THEIR PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(b) EACH GRANTOR IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (A) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02 OF THE CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

16. Miscellaneous.

(a) The Grantors and the Administrative Agent may from time to time agree in writing to the release of certain of the Collateral from the security interest created hereby.

(b) Any notice, request, demand or other communication required or permitted under this Agreement shall be in writing and shall be deemed to be properly given if done in accordance with Section 10.02 of the Credit Agreement.

(c) Except as otherwise set forth in the Credit Agreement, the provisions of this Agreement may not be modified, amended, restated or supplemented, whether or not the modification, amendment, restatement or supplement is supported by new consideration, except by a written instrument duly executed and delivered by the Administrative Agent and the Grantors.

(d) Except as otherwise set forth in the Credit Agreement or this Agreement, any waiver of the terms and conditions of this Agreement, or any Event of Default and its consequences hereunder or thereunder, and any consent or approval required or permitted by this Agreement to be given, may be made or given with, but only with, the written consent of the Administrative Agent on such terms and conditions as specified in the written instrument granting such waiver, consent or approval.

(e) Any failure or delay by the Administrative Agent to require strict performance by the Grantors of any of the provisions, warranties, terms, and conditions contained herein, or in any other agreement, document, or instrument, shall not affect the Administrative Agent's right to demand strict compliance and performance therewith, and any waiver of any default shall not waive or affect any other default, whether prior or subsequent thereto, and whether of the same or of a different type. None of the warranties, conditions, provisions, and terms contained herein, or in any other agreement, document, or instrument, shall be deemed to have been waived by any act or knowledge of the Administrative Agent, its agents, officers, or employees, but only by an instrument in writing, signed by an officer of the Administrative Agent and directed to the Grantors, specifying such waiver.

(f) If any term or provision of this Agreement conflicts with any term or provision of the Credit Agreement, the term or provision of the Credit Agreement shall control.

(g) If any provision hereof shall be deemed to be invalid by any court, such invalidity shall not affect the remainder of this Agreement.

(h) This Agreement supersedes all prior oral and written assignments and agreements between the parties hereto on the subject matter hereof.

(i) This Agreement shall be binding upon, and for the benefit of, the parties hereto and their respective legal representatives, successors, and assigns.

(j) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same agreement.

17. Amendment and Restatement of Existing Trademark Assignment. This Assignment constitutes an amendment and restatement of the Existing Trademark Assignment in its entirety and the Existing Trademark Assignment shall thereafter be and shall be deemed replaced and superseded in all respects by this Agreement. The execution of this Agreement shall not operate as a novation, waiver of any right, power or remedy of the Administrative Agent or Secured Parties, nor constitute a waiver of any provision of the Existing Trademark Assignment. Each Grantor (i) acknowledges and agrees that this Agreement does not constitute a novation or termination of the "Secured Obligations" under the Existing Trademark Assignment or the other Loan Documents as in effect prior to the effective date of the amendment and restatement of the Existing Trademark Assignment (the "Restatement Effective Date") and which remain outstanding as of the Restatement Effective Date, (ii) acknowledges and agrees that the "Secured Obligations" under the Existing Trademark Assignment and the other Loan Documents are in all respects continuing (as amended and restated hereby and which are in all respects hereinafter subject to the terms herein), (iii) ratifies and reaffirms all of its payments and performance obligations, contingent or otherwise, under each Loan Document, (iv) and ratifies and reaffirms each of the liens and security interests granted by it to Bank of America, N.A., as administrative agent for the benefit of the secured parties named in (or referred to in) the Existing Trademark Assignment, in or pursuant to the Existing Patent

Assignment, and confirms and agrees that such liens and security interests are in all respects continuing and in full force and effect and shall continue to secure all of the Secured Obligations, including without limitation, all Obligations under the Credit Agreement and (v) agrees that this Assignment shall in no manner impair or otherwise adversely affect any of such liens and security interests.
