TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 23rd day of December, 2013, by the Grantor listed on the signature pages hereof (the "Grantor"), and GOLUB CAPITAL LLC, in its capacity as administrative agent for and representative of the Secured Parties (together with its successors, in such capacities, "Administrative Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of December 23, 2013 (as amended, restated, supplemented or otherwise modified from time to time, including all schedules and exhibits thereto, the "Credit Agreement") among Arise Holdings Inc., a Delaware corporation ("Holdings"), Arise Virtual Solutions Inc., a Delaware corporation (the "Borrower"), Arise eLearning Inc., a Delaware corporation ("eLearning"), the lenders from time to time party thereto as "Lenders" (each individual a "Lender" and collectively, the "Lenders"), and Administrative Agent, the Lenders are willing to make certain financial accommodations available to Borrower pursuant to the terms and conditions thereof; and

WHEREAS, the Secured Parties are willing to make the financial accommodations to Borrower and the other Loan Parties as provided for in the Credit Agreement, but only upon the condition, among others, that the Grantor shall have executed and delivered to Administrative Agent, for the benefit of the Secured Parties, that certain Security Agreement dated as of December 23, 2013 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver to Administrative Agent, for the benefit of the Secured Parties, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement, including by reference to the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby grants to Administrative Agent, for the benefit of the Secured Parties, a continuing first priority security interest (subject to Permitted Encumbrances) in all of the Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

all of the registered Trademarks and applications therefor (other than applications filed on an "intent-to-use" basis) owned by the Grantor including those referred to on Schedule I hereto;

all goodwill of the business connected with the use of, and symbolized by, the foregoing Trademarks; and

all products and proceeds of the foregoing, including any claim by the Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark, (ii) injury to the goodwill associated with any such Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Intellectual Property License with respect to any such Trademark.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed the Grantor to Administrative Agent, the other Secured Parties or any of them, whether or not they are unenforceable or not allowable due to the existence of a bankruptcy proceeding involving the Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new Trademark registrations or applications therefor, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantor shall give notice in writing to Administrative Agent with respect to any such additional trademark registration granted after the date hereof in accordance with the Security Agreement. The Grantor hereby authorizes Administrative Agent unilaterally to modify this Agreement in accordance with the Security Agreement by amending Schedule I to include any such new trademark registration or applications therefor owned by the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Administrative Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

6. TERMINATION. The terms of Section 6.13 ("Termination") of the Security Agreement are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

7. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile

transmission or by e-mail transmission shall be deemed an original signature hereto.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein to any Person shall be construed to include such Person’s successors and assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.
