**Re: Lien Obligation Satisfaction Acknowledgement and Release**

Ladies and Gentlemen:

Reference is made to the Indenture, dated as of January 19, 2011 (as amended, supplemented or otherwise modified through the date hereof, the "Indenture"), among AS America, Inc. (the "Company"), each of the guarantors party thereto (the "Guarantors"), Wells Fargo Bank, National Association, as trustee, and Wells Fargo Bank, National Association, as collateral trustee (the "Collateral Trustee"), relating to the Company's 10.750% Senior Secured Notes due 2016 (the "Notes"). Pursuant to the Indenture, the Company has redeemed the entire outstanding aggregate principal amount of the Notes. The Company has heretofore delivered to the Collateral Trustee an Officers' Certificate certifying that the Notes have been paid in full and discharged under the Indenture and all Obligations that were outstanding, due and payable under the Note Documents have been paid in full and discharged. Unless otherwise specified herein, capitalized terms used in this certificate have the meaning assigned to them in the Indenture.

This letter confirms that the liens and security interests of the Collateral Trustee in any and all of the property of the Company that secure the Obligations under the Indenture are released and terminated and all guarantees under the Indenture and the Note Documents are terminated.

The Collateral Trustee (i) authorizes the Company and/or its designees to terminate or discharge, as applicable any and all UCC financing statements and PPSA financing statements filed in connection with the Notes or the Obligations, (ii) shall promptly deliver to the Company any other termination statements and mortgage releases, as applicable, pertaining to any liens and security interests of the Collateral Trustee in any of the property of the Company and the Guarantors, as the Company may reasonably request, in connection with the Collateral Trustee's above-described release and termination of its security interests and liens, and (iii) shall, upon the Company's request, provide written notice to any financial institution at which the Company or any Guarantor maintains a deposit account subject to a control agreement in favor of the Collateral Trustee that it no longer requires control of such deposit account.

This letter may be signed in multiple counterparts, each of which shall constitute an original and all of which, taken together, shall constitute one and the same instrument. One or more counterparts of this letter may be delivered by facsimile, with the intention that they shall have the same effect as an original counterpart thereof.

Very truly yours,
