TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment"), effective as of February 17, 2014, is entered into by and between Cirrus Logic, Inc. ("Assignor"), a Delaware corporation, located at 800 West Sixth Street, Austin, Texas 78701, and Technical Consumer Products, Inc. ("Assignee"), a Delaware corporation, located at 325 Campus Drive, Aurora, Ohio 44202;

WHEREAS, to Assignor's knowledge Assignor owns all right, title and interest in the trademark listed on the attached Schedule A for integrated circuits, integrated circuit modules, circuit boards, electronic circuit boards, and integrated circuits used for energy management, power management, and lighting controllers, including but not limited to power factor correction controllers and light emitting diode (LED) controllers, together with U.S. Trademark Reg. No. 4191021 for that mark for those goods (the "Assigned Trademark");

WHEREAS, Assignee is desirous of acquiring the Assigned Trademark, and the goodwill associated therewith;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, the parties, intending to be legally bound, hereto agree as follows:

Assignor does hereby assign and transfer unto Assignee Assignor's entire and undivided right, title and interest in and to the Assigned Trademark, together with all the associated goodwill of its business symbolized by the Assigned Trademark, and all applications and registrations of the Assigned Trademark, as well as all rights to injunctive relief, damages and profits, due or accrued, arising out of all causes of action, past, present and future, including infringement of the Assigned Trademark, or other violations, or injury to the said goodwill, and the right to sue for and recover the same in Assignee's own name and the names of Assignee's successors, assigns or other legal representatives.
