INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “Intellectual Property Security Agreement”) is made this 28th day of February, 2014, between **TARGETSOLUTIONS, INC.**, a California corporation (“Borrower”), **REDVECTOR.COM, LLC**, a Delaware limited liability company (“RedVector”), **CRITICAL INFORMATION NETWORK, LLC**, a Delaware limited liability company (“CIN”, together with Borrower and RedVector, the “Grantors” and each individually a “Grantor”), and **CITIZENS BANK OF PENNSYLVANIA** (“Lender”).

WHEREAS, pursuant to the Loan and Security Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”) among Grantors and Lender, Lender is willing to make certain financial accommodations available to Borrower pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Loan Agreement, Grantors are required to execute and deliver to Lender this Intellectual Property Security Agreement;

NOW, THEREFORE, in consideration of the promises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.

2. GRANT OF SECURITY INTEREST IN THE INTELLECTUAL PROPERTY COLLATERAL. Each Grantor hereby unconditionally grants, assigns and pledges to Lender a security interest in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising and wherever located (collectively, the “Intellectual Property Collateral”):

- (a) all of its Trademarks including those referred to on Schedule I hereto;
- (b) all of its patents including those referred to on Schedule II hereto (collectively, the “Patents”);
- (c) all of its copyrights, copyright applications, registrations and licenses, rights and interests in copyrights and works protectable by copyright including those referred to on Schedule III hereto (collectively, the “Copyrights”); and
- (d) all proceeds of the foregoing.

For purposes hereof, “Trademarks” means trademarks, trade names, trademark applications, service marks, service mark applications, and also includes (i) the registered or applied for trade names, trademarks, trademark applications, service marks, and service mark applications listed on Schedule I hereto, (ii) all renewals thereof, (iii) all income, royalties, damage awards and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future (A) infringements and dilutions thereof and (B) injury to the goodwill associated therewith, (iv) the right to sue for past, present and future (A) infringements

and dilutions thereof and (B) injury to the goodwill associated therewith, (v) the goodwill of Grantor's business symbolized by the foregoing or connected therewith, and (vi) all of Grantor's rights corresponding thereto throughout the world.

3. SECURITY FOR OBLIGATIONS. This Intellectual Property Security Agreement and the security interest created hereby secures the payment and performance of the Obligations, whether now existing or arising hereafter.

4. LOAN AGREEMENT. The security interest granted pursuant to this Intellectual Property Security Agreement is granted in conjunction with the security interest granted to Lender pursuant to the Loan Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Intellectual Property Security Agreement and the Loan Agreement, the Loan Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Trademarks, Patents or Copyrights, the provisions of this Intellectual Property Security Agreement shall automatically apply thereto. Each Grantor shall give prompt notice in writing to Lender with respect to any such new Trademarks, Patents and/or Copyright or with respect to such Grantor's election not to renew or extend any material Trademark, Patent and/or Copyright registration. Without limiting each Grantor's obligations under this Section 5, each Grantor hereby authorizes Lender in Lender's reasonable discretion to modify this Intellectual Property Security Agreement by amending Schedule I, Schedule II and/or Schedule III, as applicable, to include any such new Trademark, Patent and/or Copyright rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Intellectual Property Security Agreement or amend Schedule I, Schedule II and/or Schedule III shall in any way affect, invalidate or detract from Lender's continuing security interest in all Intellectual Property Collateral, whether or not listed on Schedule I, Schedule II or Schedule III.

6. POWER OF ATTORNEY. Upon the occurrence and during the continuance of an Event of Default under the Loan Agreement, each Grantor hereby covenants and agrees that Lender may take such action permitted under the Loan Agreement, the Loan Documents and/or permitted by law, in its reasonable discretion, to foreclose upon the Trademarks, Patents and/or Copyrights covered hereby. Each Grantor hereby authorizes and empowers Lender, its successors and assigns, and any officer or agent of Lender as Lender may select, in its reasonable discretion, as such Grantor's true and lawful attorney-in-fact, with the power to endorse such Grantor's name on all applications, assignments, documents, papers and instruments necessary for Lender, to use the Trademarks, Patents and/or Copyrights or to grant or issue any exclusive or non-exclusive license under the Trademarks, Patents and/or Copyrights to anyone else, or necessary for Lender to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks, Patents and/or Copyrights to any Person including, without limitation, the power to execute a trademark/patent/copyright assignment in the form attached hereto as Exhibit 1, as it may then be completed by Lender in order to effectuate a transfer of the Trademarks, Patents and/or Copyrights and carry out the intent of the parties hereto; provided that Lender shall not assign or otherwise dispose of any Trademark owned by any Grantor without assigning the assets

and goodwill of the business associated therewith; and any assignment not in compliance with the foregoing shall be null and void. Each Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and in accordance with the terms hereof. This power of attorney shall be irrevocable until all Borrower's Obligations are indefeasibly paid and satisfied in full and the Loan Agreement is terminated, at which time this power of attorney shall immediately and automatically, without further action of Lender or Grantors, terminate.

7. COUNTERPARTS. This Intellectual Property Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Any signatures delivered by a party by facsimile transmission or by electronic transmission shall be deemed an original signature hereto.

8. GOVERNING LAW. THIS AGREEMENT, AND ALL MATTERS ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA APPLIED TO CONTRACTS TO BE PERFORMED WHOLLY WITHIN THE COMMONWEALTH OF PENNSYLVANIA.

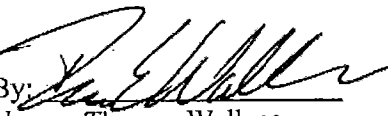

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Grantor, intending to be legally bound, has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
