TRADEMARK ASSIGNMENT

This Trademark Assignment (the "*Assignment*") is made and entered into as of January 24, 2014 by and between BRF Festivals, LLC, a California limited liability company having offices at 1630 Action Avenue, A, Napa, CA 94558 ("*Assignor*"), and Latitude 38 Entertainment, LLC, a Delaware limited liability company having offices at 3340 Redwood Rd, Napa, CA 94558 ("*Assignee*").

WHEREAS, Assignor and Assignee (as assignee of GSF Entertainment, LLC) consummated the transactions under that certain Asset Purchase Agreement dated January 24, 2014 between Assignor and Assignee (the "*Asset Purchase Agreement*");

WHEREAS, Assignor owns all right, title and interest in and to the trademarks and trademark registrations and trademark applications listed in Exhibit A attached hereto (collectively, the "*Trademarks*"), together with the goodwill of the business connected with and symbolized by the Trademarks;

WHEREAS, the execution and delivery of this Assignment is pursuant to the parties' obligations in connection with the Asset Purchase Agreement; and

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee its entire right, title, interest in and to the Trademarks together with the accompanying goodwill and that portion of the business represented and symbolized by the Trademarks (including, without limitation, the right to apply to renew the associated registrations, the right to apply for trademark registrations based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration for the Trademarks to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written.
