WHEREAS, the Parties entered into an Asset Purchase Agreement dated as of January 21, 2014 (the "APA"); and

WHEREAS, under the terms of the APA, Assignor has agreed to execute and deliver this Global Trademark Assignment Agreement in connection with the applications and registrations listed on the attached Schedule A (collectively the "Marks") and the goodwill developed through the use of the Marks.

NOW THEREFORE, for good and valuable consideration as set forth in the APA, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

1. Assignment. Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title, interest in and to the Marks, including all claims for past infringement, the applications and registrations therefor as identified on Schedule A and the goodwill of the business connected with the Marks, the same to be held and enjoyed by Assignee, its successors, assigns and other legal representatives.

2. Cooperation. Assignor hereby agrees to execute and return any appropriate and necessary documents provided by Assignee that Assignee may reasonably request and require and cooperate with Assignee as reasonably necessary to give full effect to and to perfect the rights of Assignee in the Marks.

3. Counterparts. This Agreement may be executed in one or more counterparts, and by the Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile shall be as effective as delivery of a manually executed counterpart of this Agreement.

4. Conflict. To the extent there is any conflict between this Agreement and the APA, the provisions of the APA will control.
