INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this "Agreement"), dated as of May 7, 2015, is made by **CIS GLOBAL LLC**, a limited liability company organized under the laws of the State of Arizona ("Grantor"), in favor of **LBC CREDIT PARTNERS III, L.P.** ("LBC").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Term Loan and Security Agreement, dated as of even date herewith (the "Credit Agreement"), among Grantor, each Person joined thereto as a borrower from time to time (collectively with Grantor, the "Borrowers" and each a "Borrower"), GCP CIS Holdings, LLC ("Holdings", together with each other Person joined thereto as a guarantor from time to time, collectively, the "Guarantors" and each a "Guarantor" and together with the Borrowers, collectively, the "Loan Parties" and each a "Loan Party"), the Persons party thereto as lenders (collectively, the "Lenders" and each a "Lender") and LBC, as agent for the Lenders (in such capacity, the "Agent"), Agent and Lenders have made and/or will in the future make certain extensions of credit to the Grantor and the other Loan Parties upon the terms and subject to the conditions set forth therein. Capitalized terms used herein and not otherwise defined herein shall have the meanings given to such terms in the Credit Agreement.

WHEREAS, pursuant to such Credit Agreement, Grantor has granted to Agent, for its own benefit and for the ratable benefit of Agent, Lenders and each other Secured Party, security interests in and to and Liens on substantially all of Grantor's assets, including without limitation all of Grantor's Intellectual Property and specifically including all of Grantor's registered patents, trademarks and copyrights and all of Grantor's filed patent applications, trademark applications and copyright applications, all whether now owned or hereafter created, arising and/or acquired (collectively, the "Registered Intellectual Property"); and

WHEREAS, Grantor has agreed to execute and deliver this Agreement and to have a copy of this Agreement filed with the United States Patent and Trademark Office and/or the United States Copyright Office (as applicable) in order to perfect and/or protect all of Agent's Liens in the Registered Intellectual Property.

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements provided for herein and in the Credit Agreement, and for other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged by each party hereto, and intending to be legally bound, the parties hereto agree as follows:

Section 1. Grant of Security Interest in Intellectual Property Collateral. Without limiting any other grant of Lien by Grantor in any Collateral under the Credit Agreement or any Other Document, to secure the prompt payment and performance of all Obligations to Agent, Lenders and each other Secured Party, Grantor hereby assigns, pledges and grants to Agent, for its benefit and for the ratable benefit of Lenders and each other Secured Party, a continuing security interest in and to and Lien on all of Grantor's right, title and interest in, to and under the following Collateral of Grantor, all whether now owned and/or existing or hereafter created, arising and/or acquired (the "Intellectual Property Collateral"):

(a) all of its registered copyrights and filed copyright applications, including, without limitation, those referred to on Schedule 1 hereto or on any Schedule to any Supplement (as defined below) delivered hereafter, together with all renewals, reversions and extensions of the foregoing;

(b) all of its registered trademarks and filed trademark applications, including, without limitation, those referred to on Schedule 1 hereto or on any Schedule to any Supplement delivered hereafter, together with all renewals, reversions and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such trademark and trademark application covered by (b) above;

(d) all of its registered/issued patents and filed patent applications, without limitation, those referred to on Schedule 1 hereto or on any Schedule to any Supplement delivered hereafter, together with all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing;

(e) all applications, registrations, claims, awards, judgments, amendments, improvements and insurance claims related thereto now or hereafter owned or licensed by Grantor, or any claims for damages by way of any past, present, or future infringement of any of the foregoing, together with all accessions and additions thereto and proceeds thereof (including, without limitation, any proceeds resulting under insurance policies); provided, further, that the Intellectual Property Collateral shall include, without limitation, all cash, royalty fees, other proceeds, Receivables, accounts and general intangibles that consist of rights of payment to or on behalf of Grantor or proceeds from the sale, licensing or other disposition of all or any part of, or rights in, the Intellectual Property Collateral by or on behalf of Grantor; and

(f) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof which such continuing security interest in and Lien upon the Intellectual Property Collateral, and this Agreement, shall continue in full force and effect to secure each of the Obligations until such time as the Obligations are indefeasibly paid in full and the obligations of Agents and Lenders to make extensions of credit to Grantor under the Credit Agreement or any Other Document is terminated.

Notwithstanding the foregoing, Intellectual Property Collateral shall not include Excluded Property.

Section 2. Credit Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with, and in no way limits, the security interests granted to the Agent pursuant to the Credit Agreement, and Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interests and Liens in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 3. Registration/Filing. This Agreement is intended by the parties to be filed, and Grantor hereby authorizes Agent to file and record a copy of this Agreement, with the United States Patent and Trademark Office and United States Copyright Office, as applicable.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall retain full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Intellectual Property subject to a security interest hereunder.

Section 5. Agreement to Deliver Supplements. Grantor hereby covenants and agrees that promptly upon the acquisition by Grantor of any new Registered Intellectual Property Collateral (including any registration or issuance of any patent, trademark or copyright arising out of any filed patent application, trademark application or copyright application previously listed on Schedule 1 hereto or the Schedule to any other Supplement delivered to Agent in accordance with this paragraph), Grantor shall, concurrently with the next scheduled delivery of a Compliance Certificate under Section 9.7 or 9.8 of the Credit Agreement following acquisition of such new Registered Intellectual Property, deliver to Agent a duly executed Supplement to this Agreement in the form of Exhibit A hereto, listing all such newly acquired Registered Intellectual Property on Schedule I thereto, pursuant to which Grantor shall reconfirm the grant of a security interest in such newly acquired Registered Intellectual Property Collateral to Agent, for its benefit and for the ratable benefit of Agent, Lenders and each other Secured Party, to secure the Obligations. Each such Supplement is intended by the parties to be filed, and Grantor hereby authorizes Agent to file and record a copy of each such Supplement, with the United States Patent and Trademark Office and/or United States Copyright Office, as applicable. Regardless of whether any Supplement is delivered by Grantor, and without limiting the generality of the provisions of Section 1 hereof above, Grantor hereby confirms and agrees that any and all such after-acquired Registered Intellectual Property Collateral, and all Intellectual Property Collateral relating thereto, shall immediately and automatically upon Grantor's acquisition of any right, title and interest therein become part of the Intellectual Property Collateral hereunder. In the event that Grantor acquires any such new Registered Intellectual Property but Grantor fails for whatever reason to promptly deliver a Supplement pursuant to this Section 5, Grantor hereby authorizes Agent, acting under its Power of Attorney granted pursuant to Section 8 below, to at any time thereafter execute in the name of Grantor an applicable Supplement with respect to such newly acquired Registered Intellectual Property, arising and/or acquired and to file the same with the United States Patent and Trademark Office and/or United States Copyright Office, as applicable.

Section 6. Representation and Warranties. Grantor hereby represents and warrants to Agent and to the Lenders that Schedule 1 sets forth a full, complete and correct list of all Registered Intellectual Property Collateral owned by Grantor as of the date hereof.

Section 7. Events of Default and Remedies. The occurrence of any Event of Default under the Credit Agreement shall constitute an "Event of Default" under this Agreement. Upon the occurrence of and during the continuance of any such Event of Default, Agent, in addition to all other rights, options, and remedies granted to Agent under the Credit Agreement or any Other Document, or otherwise available to Agent at law or in equity, may exercise, either directly or

through one or more assignees or designees, with respect to the Intellectual Property Collateral all rights and remedies granted to it as a secured creditor under the Uniform Commercial Code.

Section 8. Power of Attorney. Without limiting the generality of any power of attorney granted to Agent under the Credit Agreement or any Other Document, Grantor hereby authorizes Agent, its successors and assigns, and any officer, employee, attorney or agent thereof, as Grantor's true and lawful attorney-in-fact, with the power (i) to execute and endorse on behalf of and in the name of Grantor any Supplement to this Agreement or other security agreement or similar document or instrument which Agent may deem necessary or desirable in order to create, protect, perfect or enforce the security interest in the Intellectual Property Collateral provided for herein and in each case to file or record any such Supplement or other security agreement or similar document or instrument with the United States Patent and Trademark Office and/or the United States Copyright Office, as applicable, in the name of and on behalf of Grantor and (ii) after the occurrence and during the continuance of an Event of Default as defined in Section 7 of this Agreement above, to execute and endorse on behalf of and in the name of Grantor any assignment, bill of sale or similar document or instrument which Agent may deem necessary or desirable in order for Agent to assign, pledge, convey or otherwise sell, transfer title in or dispose of the Intellectual Property Collateral, and in each case to file or record with the United States Patent and Trademark Office and/or the United States Copyright Office, as applicable, in the name of and on behalf of Grantor any such assignment or bill of sale or other document executed by Agent, its successors and assigns, and any officer, employee, attorney or Agent thereof under this power of attorney. Grantor hereby unconditionally ratifies all that any person authorized under this power of attorney shall lawfully do or cause to be done by virtue hereof and in accordance with the terms hereof and of the Credit Agreement and the Other Documents. This power of attorney is coupled with an interest and is and shall be irrevocable

Section 10. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Any signature delivered by a party by facsimile or electronic transmission (including email transmission of a PDF copy) shall be deemed to be an original signature hereto.

Section 11. Governing Law. This Agreement, and all matters relating hereto or arising herefrom (whether arising under contract law, tort law or otherwise) shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania other than conflicts of law rules that would permit or require the application of the laws of another jurisdiction. Without limiting the generality of the general incorporation of the Credit Agreement herein provided for above, the provisions of Section 16.1 of the Credit Agreement (agreements regarding, consents to and waivers regarding jurisdiction and venue), Section 16.5 of the Credit Agreement (indemnities by Grantor), Section 16.6 of the Credit Agreement (notices), Section 16.7 of the Credit Agreement (survival of certain provisions), Section 16.9 of the Credit Agreement (expenses), Section 16.10 of the Credit Agreement (injunctive relief) and Article XII of the Credit Agreement (certain waivers including waivers of the rights of jury trial) are hereby specifically incorporated by reference. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws or regulations, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible.

This Agreement shall be binding upon and inure to the benefit of Grantor and Agent, and their respective successors and assigns, except that Grantor may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Agent and each Lender.
