This Grant of Security Interest is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Credit Agreement) of the Grantor and shall be effective as of the date of the Credit Agreement.

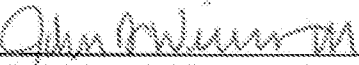

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Credit Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference.
