## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement is made as of August 21, 2015, by and between KETTLE CUISINE, LLC, a Delaware limited liability company ("Grantor"), and ARES CAPITAL CORPORATION, in its capacity as Administrative Agent for itself and the other Lender Parties (together with its successors and assigns in such capacity, "Grantee"). All capitalized terms used but not otherwise defined herein have the meanings given to them in the Pledge and Security Agreement (defined below).

WHEREAS, Grantor and Grantee have entered into a Second Lien Pledge and Security Agreement, dated August 21, 2015 (as amended, restated, supplemented, or otherwise modified from time to time, the "Pledge and Security Agreement"), pursuant to which Grantor has granted Grantee a security interest in the Collateral for the benefit of the Lender Parties; and

WHEREAS, Grantor is the owner of the trademark registrations and applications for trademark registration listed on the attached Schedule A (the "Trademarks"); and

WHEREAS, Grantor and Grantee wish to enter this Trademark Security Agreement in conjunction with the security interest in the Collateral granted by Grantor to Grantee for the benefit of the Lender Parties under the Pledge and Security Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee hereby agree that:

1. Grantor hereby pledges and grants to Grantee for the benefit of the Lender Parties a continuing security interest in all of Grantor's right, title and interest in and to the Trademarks solely for the purpose of securing Grantor's payment, performance and observance of the Secured Obligations pursuant to and under the Pledge and Security Agreement. Notwithstanding the foregoing, no grant of any Lien or security interest shall be deemed granted hereunder on or in any "intent to use" application for trademark registration for which a Statement of Use or Amendment to Allege Use, as applicable, has not been filed and accepted.
2. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral (including the Trademarks) are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall control.
3. Upon the Payment in Full of the Obligations, Grantee shall promptly execute, acknowledge and deliver to Grantor an instrument in writing in recordable form and reasonably acceptable to Grantor releasing the security interest in the Trademarks granted under this Trademark Security Agreement.
4. This Trademark Security Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be

deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

**[Remainder of page intentionally left blank]**

IN WITNESS WHEREOF, Grantor and Grantee have caused this Trademark Security Agreement to be duly executed by their respective officers thereunto duly authorized as of the date first set forth above.
