INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of November 2, 2004, is entered into by and between **FIBER OPTIC NETWORK SOLUTIONS CORP.**, a Massachusetts corporation (hereinafter, together with its successors in title and assigns, called the "**Grantor**"), and **COMERICA BANK**, a bank organized under the laws of the State of Michigan (hereinafter, together with its successors in title and assigns, called the "**Lender**").

Statement of Facts

A. Pursuant to the Loan and Security Agreement, dated as of the date hereof, by and between the Grantor and the Lender (as amended, modified, supplemented or restated and in effect from time to time, the "**Loan Agreement**"), the Lender has agreed to make advances to the Grantor (collectively, the "**Advances**").

B. In order to induce the Lender to enter into the Loan Agreement and other Loan Documents and to make Advances and other Credit Extensions to the Grantor upon the terms and subject to the conditions contained in the Loan Agreement, the Grantor has agreed, upon the terms contained in the Loan Agreement, to grant to the Lender continuing security interests in and Liens upon all Intellectual Property Collateral (as hereinafter defined) of the Grantor in order to secure all of the Loan Obligations (as defined below).

C. The Grantor has granted to the Lender continuing security interests in and Liens upon all of the Intellectual Property Collateral of the Grantor pursuant to and upon the terms and conditions contained in the Loan Agreement and the Security Agreement, dated as of the date hereof, by and among the Grantor, its Subsidiaries party thereto, and the Lender (as amended, modified, supplemented or restated and in effect from time to time, the "**Security Agreement**").

D. Upon the terms contained in the Loan Agreement and the Security Agreement, the Grantor has agreed to execute and deliver to the Lender this Intellectual Property Security Agreement, which is supplemental to the Security Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby absolutely, unconditionally and irrevocably agrees with the Lender as follows:

1. **Definitions.** All capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement or, if not defined therein, then in the Loan Agreement, and the following terms shall have (unless otherwise provided elsewhere in this Intellectual Property Security Agreement) the following respective meanings (such meanings being equally applicable to both the singular and plural forms of the terms defined):

(a) **"Intellectual Property Collateral"** shall mean all of the right, title and interest of the Grantor in, to and under all of the following, whether presently existing or at any time or from time to time hereafter created, arising or acquired:

(i) all of its Trademarks and all Trademark licenses to which it is a party, including, without limitation, all of those referred to in Schedule I hereto;

(ii) all of its Patents and all Patent licenses to which it is a party, including, without limitation, all of those referred to in Schedule II hereto;

(iii) all of its Copyrights and all Copyright licenses to which it is a party, including, without limitation, all of those referred to in Schedule III hereto;

(iv) all divisions, reissues, continuations, extensions or renewals of each of the foregoing;

(v) all goodwill of the businesses of the Grantor and of its Subsidiaries connected with the use of, or otherwise symbolized by, each Trademark, Trademark license, Patent, Patent license, Copyright and Copyright License; and

(vi) all income, products and proceeds of each of the foregoing, including, without limitation, all claims by the Grantor against third parties for past, present or future (A) infringement or dilution of any Trademark or Trademark licensed under any Trademark license, (B) injury to any goodwill associated with any Trademark or any Trademark licensed under any Trademark license, (C) infringement of any Patent or any Patent licensed under any Patent license, (D) injury to any goodwill associated with any Patent or any Patent licensed under any Patent license, (E) infringement of any Copyright or any Copyright licensed under any Copyright license, or (F) injury to any goodwill associated with any Copyright or any Copyright licensed under any Copyright license.

(b) **"Loan Agreement"** and **"Security Agreement"** shall have the meanings given to such terms in the Statement of Facts above.

(c) **"Loan Obligations"** shall mean any and all of the Obligations (as that term is defined in the Loan Agreement).

All other terms contained in this Intellectual Property Security Agreement shall, unless the context shall indicate otherwise, have the meanings provided for by the U.C.C. to the extent that such other terms are used or defined therein. References to the Loan Agreement or Security Agreement include any amendment, modification, supplement, restatement, replacement or refinancing (in whole or in part) thereof, whether by way of increase or reduction to any of the Commitments or the principal amount of any of the

Advances, addition or elimination of any credit facilities thereunder, extension of any term, addition or deletion of any party thereto, or otherwise.

2. **Grant of Security Interests.** To secure the prompt and complete payment and performance of all and each of the Loan Obligations, as and when the same shall become due and payable, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due and payable but for the operation of the automatic stay under the Bankruptcy Code), the Grantor hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to the Lender a continuing security interest in and Lien upon all of the right, title and interest of the Grantor to, in and under the Intellectual Property Collateral.

3. **Representations and Warranties.** The Grantor represents and warrants to the Lender that, as of the Closing Date, the Grantor does not have any ownership interest in, or title to, any registered Trademark, Trademark application, registered Patent, Patent application, registered Copyright or Copyright application, **except** as set forth in Schedule I, Schedule II and Schedule III hereto. This Intellectual Property Security Agreement is effective to create valid and continuing security interests in and Liens upon, and, upon the recording hereof with the United States Patent and Trademark Office and the United States Copyright Office, and the filing of appropriate financing statements in the Commonwealth of Massachusetts, perfected Liens in favor of the Lender on, the Grantor's Patents, Trademarks and Copyrights, to the extent such perfection can be achieved by making such filings; and such perfected security interests and Liens shall be enforceable as such as against any and all creditors of or purchasers from the Grantor.

4. **Covenants.** The Grantor covenants and agrees with the Lender that, from and after the date of this Intellectual Property Security Agreement and until the Termination Date (as defined in Section 2.8(a) of the Security Agreement):

(a) In the event that the Grantor shall file any application for the registration of any Trademark, Patent or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency of the United States, any State thereof or any other jurisdiction, domestic or foreign, the Grantor shall (i) notify the Lender promptly in writing of the filing of any such application, and (ii) promptly upon request of the Lender, execute and deliver to the Lender a supplement hereto (in form and substance reasonably satisfactory to the Lender) to evidence Lender's security interests in and Liens upon such Trademark, Patent or Copyright, and all of the general intangibles of the Grantor relating thereto or represented thereby.

(b) The Grantor shall take all actions necessary or appropriate to maintain and pursue each such application, to obtain the relevant registration and to maintain the registration of each of the Trademarks, Patents and Copyrights (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation

proceedings, except, in each case, as otherwise permitted or provided by the Security Agreement or otherwise consented to by the Lender.

(c) In the event that the Grantor shall become aware that any of the Intellectual Property Collateral owned by the Grantor is infringed upon, or misappropriated or diluted by any third party, the Grantor shall, unless the Grantor shall reasonably determine that such Intellectual Property Collateral is not material to the conduct of its business or operations, promptly take all appropriate action, which may include suing for infringement, misappropriation or dilution to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other action as the Lender shall deem reasonably appropriate under the circumstances to protect such Intellectual Property Collateral.

5. **Security Agreement.** The security interests and Liens granted by the Grantor to the Lender pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interests and Liens granted by the Grantor to the Lender pursuant to the Loan Agreement and the Security Agreement. The Grantor and the Lender expressly agree that each of the security interests and Liens granted under this Intellectual Property Security Agreement, the Loan Agreement and the Security Agreement in the Intellectual Property Collateral are intended to be treated as a single security interest for purposes of Article 9 of the U.C.C. and other applicable law. The exercise by the Lender of any rights or remedies with respect to any of the Intellectual Property Collateral shall be deemed to be an exercise of such rights or remedies in connection with both this Intellectual Property Security Agreement and also the Loan Agreement and the Security Agreement. In the event of any inconsistency between the terms and conditions of this Intellectual Property Security Agreement and the Loan Agreement and the Security Agreement, then the terms and conditions of the Loan Agreement and the Security Agreement shall prevail.

6. **Reinstatement.** This Intellectual Property Security Agreement shall remain in full force and effect and continue to be effective in the event that any petition shall be filed by or against the Grantor for liquidation or reorganization, should the Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of the Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Loan Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Loan Obligations shall be reinstated and shall be deemed reduced only by such amount paid in cash and **not** so rescinded, reduced, restored or returned.

7. **Notices.** Except as otherwise provided herein, whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties hereto by any other party hereto, or whenever any of the parties hereto desires to give and serve upon

any other party hereto any communication with respect to this Intellectual Property Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the notice provisions of the Loan Agreement.

8. **Termination.** Subject always to Section 6 hereof, this Intellectual Property Security Agreement shall terminate upon the Termination Date. Upon any termination of the Liens created hereunder upon the Termination Date, the Lender shall, at the sole cost and expense of the Grantor, promptly execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence the termination of the Liens created hereby.

9. **Choice Of Law And Venue; Jury Trial Waiver.** THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF CALIFORNIA. EACH OF THE GRANTOR AND THE LENDER HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS LOCATED IN THE COUNTY OF SANTA CLARA, STATE OF CALIFORNIA. EACH OF THE LENDER AND THE GRANTOR ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. EACH OF THEM, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL OF THEIR CHOICE, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT ANY OF THEM MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY RELATED INSTRUMENT OR LOAN DOCUMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR ANY COURSE OF CONDUCT, DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN), OR ACTION OF ANY OF THEM. THESE PROVISIONS SHALL NOT BE DEEMED TO HAVE BEEN MODIFIED IN ANY RESPECT OR RELINQUISHED BY THE LENDER OR THE GRANTOR, EXCEPT BY A WRITTEN INSTRUMENT EXECUTED BY EACH OF THEM.

10. **Expenses.** In the event that the Grantor shall fail to comply with the provisions of this Intellectual Property Security Agreement or any other Collateral Document, such that the value of any Intellectual Property Collateral or the validity, perfection, rank or value of any Liens created hereunder is thereby materially diminished or potentially materially diminished or put at risk, the Lender may, but shall not be required to, effect such compliance on behalf of the Grantor, and the Grantor shall reimburse the Lender for all of the costs and expenses thereof on demand by the Lender.

11. **Delivery by Facsimile.** Delivery of the signature pages to this Intellectual Property Security Agreement by facsimile shall be as effective as delivery of manually executed counterparts of this Agreement.
