RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST

This RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST ("**Release**") is made and effective as of September 11, 2015 and granted by Gold Hill Capital 2008, LP (the "**Secured Party**"), in favor of AudienceScience, Inc., a Delaware corporation (the "**Grantor**"), and its successors, assigns and legal representatives.

WHEREAS, pursuant to a Loan and Security Agreement between Grantor and Secured Party, Grantor executed and delivered to Secured Party that certain Intellectual Property Security Agreement by and between Grantor and Secured Party dated as of October 11, 2011 (the "**IP Security Agreement**" and, together with the above-referenced Loan and Security Agreement, the "**Security Agreements**");

WHEREAS, pursuant to the Security Agreements, Grantor pledged and granted to Secured Party a security interest in and to all of the right, title and interest of Grantor in, to and under the IP Collateral (as defined below);

WHEREAS, the IP Security Agreement was recorded with the United States Patent and Trademark Office at Reel 27047, Frame 780 on October 12, 2011 and Reel 4640, Frame 0103 on October 12, 2011; and

WHEREAS, Grantor has requested that Secured Party enter into this Release in order to effectuate, evidence and record the release and reassignment to Grantor of any and all right, title and interest Secured Party may have in the IP Collateral pursuant to the Security Agreements.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Secured Party hereby states as follows:

1. Release of Security Interest. Secured Party, on behalf of itself and its successors, legal representatives and assigns, hereby terminates the IP Security Agreement and terminates, releases and discharges any and all security interests that it has pursuant to the Security Agreements in any and all right, title and interest of Grantor, and reassigns to Grantor any and all right, title and interest that it may have, in, to and under the following (collectively, the "**IP Collateral**"):

(a) any and all patents, patent applications and other patent rights and any other governmental authority-issued indicia of invention ownership, including the patents

and patent applications listed in Schedule 1 hereto, and all reissues, divisions, continuations, continuations-in-part, renewals, extensions and reexaminations thereof and amendments thereto (the "**Patents**");

(b) any and all trademarks, service marks, trade names, brand names, logos, trade dress, design rights and other similar designations of source, whether registered or unregistered, including the trademark registrations and applications set forth in Schedule 2 hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof ("**Trademarks**");

(c) any and all copyrights, copyright applications and registrations, and like protections in each work of authorship, whether registered or unregistered and whether published or unpublished, including the copyright registrations and applications set forth in Schedule 3 hereto, and all extensions and renewals thereof ("**Copyrights**");

(d) all rights of any kind whatsoever of Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(e) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(f) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Further Assurances. Secured Party agrees, at Grantor's expense, to take all further actions, and provide to Grantor and its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as Grantor and its successors, assigns and legal representatives may reasonably request in order to confirm, effectuate or record this Release.

3. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Washington, without giving effect to any choice or conflict of law provision or rule (whether of the State of Washington or any other jurisdiction).

IN WITNESS WHEREOF, Secured Party has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
