REEL 1274 FRAME 59

(v) The Assignor has no notice of any suits or actions commenced or threatened with reference to the Intellectual Property, except for those shown on Schedule 4.11 to the Credit Agreement; and

(vi) The Assignor has the right to execute and deliver this Assignment and perform its terms.

4. **Restrictions on Future Agreements.** The Assignor agrees that until the Obligations shall have been satisfied in full and the Credit Agreement shall have been terminated, the Assignor shall not sell or assign its interest in, or grant any license under, any of the Intellectual Property, or enter into any other agreement with respect to any of the Intellectual Property, which is inconsistent with the Assignor's obligations under this Assignment, without the prior written consent of the Assignee, and the Assignor further agrees that it shall not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Assignee under this Assignment.

5. **New Intellectual Property.** The Assignor represents and warrants that the Intellectual Property listed on Schedule 1 constitutes all of the Intellectual Property now owned by the Assignor. If, before the Obligations shall have been satisfied in full or before the Credit Agreement has been terminated, the Assignor shall (i) become aware of any existing Intellectual Property which the Assignor has not previously informed the Assignee, (ii) obtain rights to any new patentable inventions or Intellectual Property or (iii) become entitled to the benefit of any Intellectual Property or any improvement on any Patent, the provisions of this Assignment above shall automatically apply thereto and the Assignor shall give to the Assignee prompt written notice thereof. The Assignor hereby authorizes the Assignee to modify this Assignment by amending Schedule 1 to include any such Intellectual Property.

6. **Royalties; Terms.** The term of the assignment and security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective items of Intellectual Property assigned hereunder, and (ii) the Obligations have been paid in full and the Revolving Credit Commitment has been terminated. Upon the occurrence of an Event of Default, the Assignor agrees that the use by the Assignee of all Intellectual Property shall be worldwide and without any liability for royalties or other related charges from the Assignee to the Assignor.

7. **Transfer of Title to Assignee and Grant of License to the Assignor.** Upon the occurrence of an Event of Default, Assignee shall, upon providing appropriate notice to the U.S. Patent and Trademark Office, become owner of record of the United States Trademark Registrations and Applications shown in Schedule 1 attached hereto. In such event, Assignor agrees to execute such other documents as are necessary to effect or complete the transfer of title of such registrations and applications to Assignee. If such an

Event of Default shall have occurred, the Assignee hereby grants to the Assignor the exclusive non-transferable right and license to use the Intellectual Property in the ordinary course of its businesses, to exercise the Assignee's rights under the Intellectual Property, and to make, have made, use and sell the inventions disclosed and claimed in the Patents for the Assignor's own benefit and account and for none other. The Assignor shall use the Trademarks only on goods of at least as high quality as the goods on which the Assignor or its predecessors used the goods prior to the date hereof. The Assignor agrees not to sell or assign its interests in, or grant any sublicense under, the license granted to the Assignor in this Section 7, without the prior written consent of the Assignee. The grant of the exclusive non-transferable rights and license granted by the Assignee to the Assignor pursuant to the third sentence of this paragraph 7 may be terminated by the Assignee upon ten (10) days prior written notice to Assignor in conjunction with the Assignee's transfer, sale assignment or other disposition of the Intellectual Property in the exercise of its rights as a creditor of the Assignor.

8. **Assignee's Right to Inspect.** In the event of an assignment, the Assignee shall have the right, at any time and from time to time during normal business hours and prior to payment in full of the Obligations and termination of the Revolving Credit Commitment, to inspect the Assignor's premises and to examine the Assignor's books, records and operations, including, without limitation, the Assignor's quality control processes. The Assignor agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with the quality of said products as of the date hereof and (ii) to provide the Assignee, upon the Assignee's request from time to time, with a certificate of an Authorized Officer certifying the Assignor's compliance with the foregoing. Upon the occurrence of and during the continuance of an Event of Default, the Assignor agrees that the Assignee, or a conservator appointed by the Assignee, shall have the right to establish such additional product quality controls as the Assignee, or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by the Assignor under the Trademarks.

9. **Termination of Assignment.** Upon payment in full of the Obligations and termination of the Revolving Credit Commitment, the Assignee shall promptly execute and deliver to Assignor all deeds, assignments and other instruments, and shall take such other actions, as may be necessary or proper to re-vest in Assignor full title to the Intellectual Property, subject to any disposition thereof which may have been made by the Assignee pursuant hereto and pursuant to the Credit Agreement.

10. **Expenses.** All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Assignor. All reasonable fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and expenses, incurred by the Assignee in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, Encumbrances or otherwise in protecting,

maintaining or preserving the Intellectual Property, or in defending or prosecuting any actions or proceedings arising out of or related to the Intellectual Property, shall be part of the Obligations, shall be borne by and paid by Assignor on demand by the Assignee and until so paid shall bear interest at an applicable rate as provided in the Credit Agreement.

11. Duties of Assignor. The Assignor shall have the duty (i) to prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or thereafter, (ii) to make application on unpatented but patentable inventions and on trademarks and service marks, as appropriate, and to the extent commercially reasonable, (iii) to preserve and maintain all rights in the Intellectual Property and (iv) to ensure that the Intellectual Property is and remains enforceable. Any expenses incurred in connection with Assignor's obligations under this Section 11 shall be borne by Assignor. Assignor shall not abandon any right to file a Patent, Trademark or Copyright or service mark application, or abandon any pending patent application, or any other item of Intellectual Property if such abandonment would have a Material Adverse Effect upon the Borrower without the consent of the Assignee.

12. Assignee's Right to Sue. After the occurrence of and during the continuance of an Event of Default, the Assignee shall have the right as appropriate, and to the extent commercially reasonable, but shall in no way be obligated, to bring suit in its own name to enforce the Intellectual Property, and, if the Assignee shall commence any such suit, the Assignor shall, at the request of the Assignee, do any and all lawful acts and execute any and all proper documents required by the Assignee in aid of such enforcement and Assignor shall promptly, upon demand, reimburse and indemnify the Assignee for all reasonable costs and expenses incurred by the Assignee in the exercise of its rights under this Section 12, which amounts shall be part of the Obligations.

13. Power of Attorney; Effect on Financing Agreement. Upon the occurrence of and during the continuance of an Event of Default, the Assignor hereby authorizes the Assignee to make, constitute and appoint any officer or agent of the Assignee as the Assignee may select, in its sole discretion, as Assignor's true and lawful attorney-in-fact, with power to (i) endorse Assignor's name on all applications, documents, papers and instruments necessary or desirable for the Assignee in the use of the Intellectual Property, or (ii) take any other actions with respect to the Patents, Trademarks and Licenses as the Assignee deems to be in the best interest of the Assignee, or (iii) grant or issue any exclusive or non-exclusive license under the Intellectual Property to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Intellectual Property to anyone. The Assignee hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and the Revolving Credit Commitment has been terminated. The Assignor acknowledges and agrees that this Assignment is not intended to limit or restrict in any way the rights and remedies of the Assignee under the Credit Agreement but rather is intended to facilitate the exercise of such rights and remedies. The Assignee shall have, in addition to all other rights

and remedies given it by the terms of this Assignment and the Credit Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks or Licenses may be located.

14. Further Assurances. Assignor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as the Assignee shall reasonably request from time to time in order to carry out the purpose of this Assignment and the agreements set forth herein.

15. Assignee's Ability to Deal With Security. The Assignee may have or in the future may hold other security and/or guaranties to secure all or any part of the Obligations, but it is specifically understood and agreed by the Assignor that neither the execution and delivery of this Assignment nor the holding of any other security and/or guaranty shall at any time or in any respect, during the continuance of an Event of Default, operate to prevent or hinder the Assignee from resorting first to such other security and/or guaranty or first to the Intellectual Property or first from time to time to some or all of them. In addition, during the continuance of an Event of Default the Assignee may from time to time as it sees fit, in its sole and absolute discretion, resort to all or any part of the Intellectual Property, without resorting to all or any other security and/or guaranty securing such Obligations, or to all or any part of any other security and/or guaranty securing the Obligations without resorting to all or any part of the Intellectual Property, and such action on the Assignee's part shall not in any respect be considered as a waiver of any of the benefits or rights of the Assignee relating to the Intellectual Property or such other security and/or guaranties.

16. Amendments and Waivers. The Assignee and the Assignor may from time to time enter into amendments, extensions, supplements and replacements to and of this Assignment, and the Assignee may from time to time waive compliance with a provision hereof. No amendment, extension, supplement, replacement or waiver shall be effective unless it is in writing and is signed by the Assignee and the Assignor. All waivers shall be effective only for the specific instance and for the specific purpose for which it is given.

17. Exercise of Remedies; Remedies Cumulative. No delay on the part of the Assignee or failure of the Assignee to exercise any power, right or remedy under this Assignment and any other Loan Document shall operate as a waiver hereof, nor shall any single or partial exercise of any power, right or remedy or any abandonment or discontinuance of steps to enforce such right, power or remedy preclude other or further exercises thereof, or the exercise of any other power, right or remedy. The rights and remedies in this Assignment are cumulative and not exclusive of any rights or remedies (including, without limitation, the right of specific performance) which the Assignee would otherwise have.

18. **Taxes.** The Assignor shall pay any and all stamp, document, transfer or recording taxes, filing fees and similar impositions payable or hereafter determined by the Assignee to be payable in connection with this Assignment and any other documents, instruments and transactions pursuant to or in connection with any of the Loan Documents. The Assignor agrees to save the Assignee harmless from and against any and all present and future claims or liabilities with respect to, or resulting from, any delay in paying or failure to pay any such taxes or similar impositions. The obligations of the Assignor pursuant to this Section 18 shall be part of the Obligations and shall survive the termination of this Assignment and the repayment of the Obligations.

19. **Notices.** All notices required to be delivered pursuant to this Assignment shall be in writing and shall be sent to the parties hereto in accordance with Section 10.4 of the Credit Agreement.

20. **Successors and Assigns.** This Assignment shall be binding upon the Assignor and the Assignee and their respective successors and assigns, and shall inure to the benefit of the Assignee and its successors and assigns; provided, however, that the Assignor shall not assign its rights or duties hereunder or under any of the other Loan Documents without the prior written consent of the Assignee.

21. **Severability.** Any provision of this Assignment which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

22. **Survival.** All representations, warranties, covenants and agreements of the Assignor contained herein or in the other Loan Documents or made in writing in connection herewith shall survive the issuance of the Note and shall continue in full force and effect so long as the Assignor may borrow under the Credit Agreement and so long thereafter until payment in full of the Note and the Obligations is made.

23. **GOVERNING LAW. THIS ASSIGNMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA, WITHOUT REGARD TO THE PRINCIPLES THEREOF REGARDING CONFLICT OF LAWS, EXCEPTING APPLICABLE FEDERAL LAW AND EXCEPT ONLY TO THE EXTENT PRECLUDED BY THE MANDATORY APPLICATION OF THE LAW OF ANOTHER JURISDICTION.**

24. **FORUM. THE PARTIES HERETO AGREE THAT ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS ASSIGNMENT MAY BE COMMENCED IN THE COURT OF COMMON PLEAS OF ALLEGHENY COUNTY, PENNSYLVANIA OR IN THE DISTRICT COURT OF THE UNITED**
