SUPPLEMENTAL INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS SUPPLEMENTAL INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of October 2, 2015, is made by CADENCE EDUCATION, INC. (the "Grantor"), a Delaware corporation, in favor of ANTARES CAPITAL LP (successor in interest to General Electric Capital Corporation) as agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the "Agent").

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement dated as of August 26, 2011 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Grantor, as Borrower, the other Credit Parties, the Lenders and the L/C Issuers from time to time party thereto and the Agent for the Lenders and the L/C Issuers, the Lenders and the L/C Issuers have severally agreed to make extensions of credit to the Grantor upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Grantor is party to a Guaranty and Security Agreement (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Security Agreement") of even date with the Credit Agreement and in favor of Agent pursuant to which the Grantor is required to execute and deliver this Supplemental Intellectual Property Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuers and Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuers to make their respective extensions of credit to the Grantor thereunder, the Grantor hereby agrees with Agent as follows:

1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.
2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations (as defined in the Credit Agreement) of the Grantor, hereby pledges to Agent for the benefit of the Secured Parties, and grants to Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the "Trademark Collateral"):

(a) all of its Trademarks (other than any "intent to use" Trademark applications for which a statement of use has not been filed and accepted with the U.S. Patent and Trademark Office (but only until such statement is filed and accepted with the

U.S. Patent and Trademark Office)), including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

3. Guaranty and Security Agreement. The security interest granted pursuant to this Supplemental Intellectual Property Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, but subject to the terms of the Guaranty and Security Agreement, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

5. Termination. This Supplemental Intellectual Property Security Agreement shall terminate and the Lien on the security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations (other than any outstanding indemnification obligations) and cash collateralization of Letters of Credit. Upon the termination of this Trademark Security Agreement, the Agent shall execute all documents, make all filings, and take all other actions reasonably requested by the Grantor to evidence and record the release of the Lien on and security interests in the Trademark Collateral granted herein.

6. Counterparts. This Supplemental Intellectual Property Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

7. Governing Law and Jurisdiction. This Supplemental Intellectual Property Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the Grantor has caused this Supplemental Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

CADENCE EDUCATION, INC., a Delaware corporation

By: 
David Goldberg, Chief Executive Officer
