RELEASE OF TRADEMARK SECURITY AGREEMENT

WHEREAS, pursuant to that certain Trademark Security Agreement, dated as of May 21, 2013 (the "Trademark Security Agreement"), recorded in the United States Patent and Trademark Office at Reel 5032, Frame 0030 on May 21, 2013, HEALTHLAND, INC., a Minnesota corporation ("Releasee"), unconditionally granted, assigned, and pledged to WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association ("Releasor"), as administrative agent, for the benefit of each member of the Lender Group and each of the Bank Product Providers, to secure the Secured Obligations, a continuing security interest in all of Releasee's right, title and interest in and to the following, whether then-owned or thereafter acquired or arising (collectively, the "Trademark Collateral"):

(i) all of its United States Trademark registrations and applications for registration including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License;

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark, including the right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties and other compensation under any Trademark Intellectual Property License for Trademarks; and

(d) Notwithstanding anything contained in the Trademark Security Agreement to the contrary, Trademark Collateral does not include any United States intent-to-use applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided, that upon submission and acceptance by the United States Patent and Trademark Office of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark shall be considered Trademark Collateral; and

WHEREAS, Releasee has requested and Releasor has agreed to provide this Release of Trademark Security Agreement to confirm the release, relinquishment and discharge of its continuing first priority security interest in the Trademark Collateral.

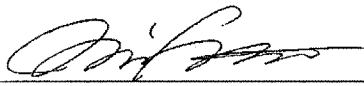

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, Releasor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Trademark Security Agreement.

2. Release of Security Interest. Releasor hereby, without any representation and warranty and without any recourse, releases, relinquishes and discharges its continuing security interest in the Trademark Collateral.

IN WITNESS WHEREOF, the parties have caused this Release of Trademark Security Agreement to be duly executed as of January 8, 2016.
