provided that, notwithstanding anything herein to the contrary, in no event shall the Marks or Licenses include, or the security interest granted under this Section 2.1 attach to, any Marks or Licenses that constitute Excluded Property (as such term is defined in the Security Agreement).

3. Restrictions on Future Agreements. Each Obligor agrees and covenants that until the Liabilities (other than Unasserted Contingent Indemnification Claims) shall have been satisfied in full and the Note Purchase Agreement shall have been terminated, such Obligor will not, without Purchaser's prior written consent, take any action or enter into any agreement, including, without limitation entering into any license agreement, which is inconsistent with such Obligor's obligations under this Agreement, and each Obligor further agrees and covenants that without Purchaser's prior written consent it will not take any action, or permit any action to be taken by others subject to its control, including its licensees, or fail to take any action which would affect the validity or enforcement or nature of the rights transferred to Purchaser under this Agreement. Each Obligor agrees and covenants not to sell or assign its interest in, or grant any license under, the Patents, Marks, Copyrights or Licenses, without receiving the prior written consent of Purchaser thereto.

4. Certain Covenants, Representations and Warranties of each Obligor. Each Obligor covenants, represents and warrants to such Obligor's knowledge that: (i) the Patents, Marks, Copyrights and Licenses are subsisting, have not been adjudged invalid or unenforceable in whole or in part, and are not currently being challenged in any suit or proceeding before a court of proper jurisdiction or the United States Patent & Trademark Office; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise; (iii) each of the Patents, Marks, Copyrights and Licenses is valid and enforceable and such Obligor is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on the validity and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) no claim has been made that the use of any of the Patents, Marks, Copyrights or Licenses constitutes an infringement; (v) such Obligor owns the entire right, title and interest in and to each of the Patents, Marks and Copyrights (other than those being licensed to such Obligor pursuant to the Licenses) free and clear of any Liens and encumbrances of every kind and nature, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any Liens and encumbrances of every kind and nature arising by, through or under such Obligor, in each case except for (A) rights granted by such Obligor pursuant to the applicable licenses listed on Schedules C and E, (B) Liens and encumbrances in favor of Purchaser pursuant to this Agreement or the other Financing Agreements, and (C) Liens in favor of Senior Lender pursuant to the Senior Debt Documents; (vi) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D and E constitute all such items in which such Obligor has any right, title or interest; (vii) such Obligor has the unqualified right to enter into this Agreement and perform its terms; (viii) such Obligor will use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to such Obligor's business); and (ix) such Obligor will use standards of quality in its manufacture of products sold under the Marks consistent with those currently employed by it.

5. New Patents, Marks, Copyrights and Licenses. If, before the Liabilities shall have been satisfied in full and the Note Purchase Agreement shall have been terminated, any Obligor shall (i) obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 2 above shall automatically apply thereto and such Obligor shall give to Purchaser prompt written notice thereof. Each Obligor hereby authorizes Purchaser to modify this Agreement by noting any future acquired Patents, Marks, Copyrights on Schedule A, B or D and any Licenses and licensed Patents, Marks or Copyrights on Schedules C or E, as applicable; provided, however, that the failure of Purchaser to make any such notation shall not limit or affect the obligations of any Obligor or rights of Purchaser hereunder.

6. Royalties; Terms. Each Obligor hereby agrees that the security interest of Purchaser in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide (or in the case of the Patents, Marks and Copyrights licensed to an Obligor such smaller geographic location if any is specified for such Obligor's use in the applicable License) and, without any liability for royalties or other related charges from Purchaser to such Obligor. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Liabilities (other than Unasserted Contingent Indemnification Claims) and termination of the Note Purchase Agreement.

7. Inspection. In accordance with the terms of Section 5.10 of the Note Purchase Agreement, following reasonable advance notice from Purchaser (except that no notice shall be required after the occurrence and during the continuance of a Default), Purchaser shall have the right during normal business hours to inspect any Obligor's premises and to examine any Obligor's books, records and operations, including, without limitation, any Obligor's quality control processes. From and after the occurrence and during the continuance of a Default and notice by Purchaser to each Obligor of Purchaser's intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, each Obligor agrees that Purchaser, or a conservator appointed by Purchaser, shall have the right to establish such reasonable additional product quality controls as Purchaser or said conservator, in its sole judgment, may reasonably deem necessary to assure maintenance of the quality of products sold by such Obligor under the Marks consistent with the quality of products now manufactured by such Obligor.

8. Termination of Each Obligor's Interest. This Agreement is made for collateral purposes only. Upon satisfaction in full of the Liabilities (other than Unasserted Contingent Indemnification Claims) and termination of the Note Purchase Agreement, subject to any disposition thereof which may have been made by Purchaser pursuant hereto or pursuant to any of the other Financing Agreements, the security interest granted hereunder shall automatically be extinguished. Purchaser shall, at the request of any Obligor and at each Obligor's reasonable expense, execute and deliver to such Obligor, all termination statements and other instruments as

may be necessary or proper to evidence the termination of Purchaser's security interest granted to Purchaser pursuant to this Agreement, subject to any disposition thereof which may have been made by Purchaser pursuant hereto or pursuant to any of the other Financing Agreements. Any such termination statements and instruments shall be without recourse upon or warranty by Purchaser.

9. Duties of the Obligors. Except to the extent the same is no longer material to such Obligor's business, each Obligor shall use reasonable efforts (i) to prosecute diligently any application with respect to Patents, Marks and Copyrights, in each case pending as of the date hereof or hereafter, (ii) to make application on unpatented but patentable inventions and on registerable but unregistered trademarks, service marks and copyrights, and (iii) to preserve, maintain and enforce against infringement all rights in patent applications and patents constituting the Patents, in trademark or service mark applications, trademarks, service marks, and trademark or service mark registrations constituting the Marks, and in copyright applications, copyrights and copyright registrations constituting the Copyrights. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by the Obligors. Except to the extent the same is no longer material to such Obligor's business, each Obligor shall not abandon any patent, trademark, service mark or copyright without the written consent of Purchaser.

10. Purchaser's Right to Sue. From and after the occurrence and during the continuance of a Default, Purchaser shall have the right, but shall in no way be obligated, upon prior written notice to Obligors, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if Purchaser shall commence any such suit, each Obligor shall, at the request of Purchaser, do any and all lawful acts and execute any and all proper documents reasonably required by Purchaser in aid of such enforcement, and each Obligor shall promptly, upon demand, reimburse and indemnify Purchaser for all reasonable costs and expenses incurred by Purchaser in the exercise of its rights under this Section 10.

11. Waivers. No course of dealing between any Obligor and Purchaser, nor any failure to exercise, nor any delay in exercising, on the part of Purchaser, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. Further Assurances. Each Obligor shall execute and deliver to Purchaser, at any time or times hereafter at the reasonable request of Purchaser, all papers (including, without limitation, any as may be deemed desirable by Purchaser for filing or recording with any Patent and Trademark Office, and any successor thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by Purchaser), as Purchaser may reasonably request, to evidence Purchaser's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce Purchaser's rights under this Agreement.

15. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements. All of Purchaser's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Financing Agreements or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Obligor hereby constitutes and appoints Purchaser as such Obligor's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of a Default, to (i) endorse such Obligor's name on all applications, documents, papers and instruments determined by Purchaser as necessary for Purchaser in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as Purchaser deems in good faith to be in the best interest of Purchaser, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any Person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Each Obligor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities (other than Unasserted Contingent Indemnification Claims) shall have been satisfied in full and the Note Purchase Agreement shall have been terminated. Each Obligor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Purchaser under the Note Purchase Agreement or any of the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Purchaser shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced.

16. Binding Effect; Benefits. This Agreement shall be binding upon each Obligor and its respective successors and assigns and shall inure to the benefit of Purchaser and its respective successors, assigns and nominees.

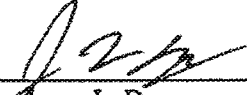

17. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH, AND ANY DISPUTE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT, AND WHETHER ARISING IN CONTRACT, TORT, EQUITY, OR OTHERWISE, SHALL BE RESOLVED IN ACCORDANCE WITH THE INTERNAL LAWS AND NOT THE CONFLICTS OF LAW PROVISIONS OF THE STATE OF MINNESOTA.

18. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The delivery of an executed counterpart of a signature page or acceptance to this Agreement by telecopier or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.
