THIS TRADEMARK ASSIGNMENT (this "*Assignment*") dated as of June 17, 2016 (the "*Effective Date*"), is by and between Astro Pak Corporation, a Delaware corporation ("*Assignor*"), and STERIS Corporation, an Ohio corporation ("*Assignee*").

RECITALS

A. Assignor, Assignee and SixLog Corporation, a Delaware corporation (the "*Seller*"), are parties to that certain Asset Purchase Agreement, dated as of the Effective Date (the "*Purchase Agreement*"), pursuant to which the Seller (together with Assignor) has agreed to sell and Assignee has agreed to purchase the Purchased Assets.

B. Prior to the Effective Date, Assignor was the owner of the entire right, title and interest in, to and under the United States trademark registration identified and set forth on Schedule A hereto and the goodwill associated with all of the foregoing (collectively, the "*Trademark*").

C. Assignor and Assignee desire to reflect Assignor's assignment of the Trademark to Assignee.

D. Capitalized terms used and not defined herein will have the meanings ascribed to such terms in the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby irrevocably sells, assigns, transfers and sets over to Assignee all of Assignor's right, title and interest in and to the Trademark, and all registrations, applications therefor and renewals and extensions of the foregoing in the United States, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, together with all income, royalties or payments due or payable after the Effective Date, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademark, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as the assignee and owner of the Trademark, and issue any and all registrations thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee and its successors, assigns or other legal representatives.

3. Assignor (at no cost to Assignor) shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's reasonable request (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required) in connection with: (a) preparation and prosecution of any application for registration or renewal of a registration covering the Trademark; (b) prosecution or defense of any cancellation, opposition, infringement or other proceedings that may arise in connection with the Trademark, including, without limitation, testifying as to any facts relating to the Trademark and this Assignment; (c) obtaining any additional trademark protection for the Trademark that

Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States; and (d) implementation, perfection and/or recording of this Assignment.

4. This Assignment will be binding upon and inure to the benefit of the parties to this Assignment and their respective successors and assigns. This Agreement will be governed by and construed and enforced in accordance with the laws of the State of Ohio without regard to principles of conflicts of law.
