NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Terms. Capitalized terms defined in the Credit Agreement and Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement and Security Agreement.

SECTION 2. Grant of Security. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties, a security interest in, all of such Grantor's right, title and interest in, to and under all of the following assets and properties, whether now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title, or interest (collectively, the "Trademark Collateral"): (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, the goodwill of the business symbolized thereby or associated therewith, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or political subdivision thereof, and all extensions or renewals thereof including those listed on Schedule A attached hereto, (b) all rights and privileges arising under applicable Law with respect to such Grantor's use of any trademarks, (C) all extensions and renewals thereof and amendments thereto, (d) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the foregoing, including damages, claims, and payments for past, present or future infringements thereof, (e) all rights corresponding thereto throughout the world, (f) all rights to sue for past, present and future infringements or dilutions thereof, and (g) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing; provided that, Trademark Collateral shall not include and in no event shall any security interest be granted in or attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing and acceptance by the United States Patent and Trademark Office of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent that, and during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law (it being understood that after such period such intent-to-use application shall be automatically subject to the security interest granted herein).

SECTION 3. Security for Obligations. The grant of a security interest in the Trademarks by each Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.
